Travis Head x BLEASDALE 'The Hill' Chardonnay

The Adelaide Oval Hill has long been the heart of the Australian summer of cricket, a place of unashamed patriotic barracking and high spirits. This Chardonnay is a celebration of the other great Adelaide Hills. A layered wine with flavours of white stone fruit and savoury nougat, combined with gentle oak and a long crisp finish. Fermentation with ambient yeasts on full juice solids in French oak puncheons. Spontaneous malolactic fermentation in oak, regular lees stirring to build texture before blending and bottling.

**Sparkling Shiraz

ABV 13.5%**

Sparkling Shiraz

A South Australian specialty, and one of our most loved wines. This multi-vintage Shiraz wine is richly flavoured with deep colour and displays dark berry fruit aromas, sweet plum and spicy flavours, silky tannins and a rich, velvety smooth palate. This wine is a non-vintage blend of Shiraz that contains wine from every vintage of Shiraz since 1997. The wine to drink with any meal. We like to think of it as a Christmas brekky tradition! But of course, you can partner this wine with anything you like. Matured in a modified 'solera' system, combining seasoned oak barrels and tank maturation.

**Second Innings Malbec
2023
ABV 13.5%**

Second Innings Malbec NV

The Second Innings Malbec label depicts Frank Potts II taking part in a family game of cricket on the Bleasdale property. This wine shows vibrant primary fruit flavours of plums, red berries and pepper spice. A plush, juicy red with velvety smooth tannins. 9 months new (5%) and seasoned French oak puncheons.

Bremerview Shiraz
2024
ABV 13.5%

Bremerview Shiraz

When Frank Potts established Bleasdale on the Langhorne Creek floodplain in 1850, he built a system of locks and weirs to capture and use floodwaters from the Bremer River to irrigate his vines. A true expression of Langhorne Creek Shiraz, this is a medium bodied wine showing intense lifted spice aromas and dark berry fruit. The palate is long and silky with fine tannins, offering juicy plum and blackberry fruits, with notes of clove and pepper. Blocks kept separate before blending at 12 months. 12 months new (5%) and seasoned French oak puncheons.

This is an elegant Cabernet Sauvignon with intense aromas of mixed berries, woody herbs, dark chocolate and violets. The palate is smooth and persistent, with blackcurrant and spicy oak flavours, before finishing with soft and subtle tannins. 12 months new (5%) and seasoned French oak puncheons.

Frank Potts Cabernet Blend

At age nine, Frank joined the British Royal Navy, and by the time he arrived in South Australia in 1836, he had sailed the globe. After purchasing land on the Bremer River, Frank himself cleared it of red gums, planted vineyards, and then used the timber to build his winery. Six generations on, it is his work ethic and enduring legacy that drives everyone at Bleasdale. This wine is layered and complex with red berry and darker fruit aromas. These characters continue onto the palate, with fruit layers supported by fine oak tannin and lively berry persistence. Enjoyed in its youth, or cellar for 10-20 years. 12 months new (20%) and seasoned French oak puncheons and hogsheads.

Bremerton Wines

Rebecca and Lucy Willson became the first sisters to run a winery in Australia and have created an environment that not only produces the very best wine experience, but a sense of place that reflects their family's ongoing commitment to the region.

The family-owned winery established in 1988, is now run by sisters Rebecca & Lucy who have taken Bremerton to become one of the best-known brands from South Australia's Langhorne Creek wine region. They are passionate about working with Langhorne Creek fruit, which has an excellent reputation for consistently producing high quality wines.

From an environmental standpoint, and as a family business, Bremerton's ethos is to pass on our property in an improved environmental position for the next generation of winemakers and vignerons.

The Willson sisters love what they do, and it shows in the wines they produce; rich in character to be enjoyed with good food, conversation and fun with friends. At Bremerton you'll experience the real Langhorne Creek, because only we do all the little things – in the vineyard, in the winery and at the cellar door. And everyone at Bremerton shares this passion – it's more than a winery... It's our life!

The grapes are pressed for minimal colour extraction and fermented dry before bottling to capture the freshness. On the palate the wine is racy and moreish, with savoury fruit, a bright palate and a moorish dry finish. This dry finish opens itself up to be drunk with a wide range of food pairings.

This wine has been named in honour of our grandmothers Mollie and Merle. The grape variety Verdelho has been grown in Langhorne Creek for over 150 years. **The Loose Cannon
McLaren Vale Fiano
2025
ABV 12.5%**

The Loose Cannon McLaren Vale Fiano

Fiano, a Southern Italian grape once known as *Vitis apiana* - “vine beloved of bees” - thrives in McLaren Vale, balancing the best of Pinot Gris and Chardonnay. Expect honeysuckle, lemon blossom, thyme, brioche, and citrus sorbet. The palate is taut, crisp, and lightly textured, with sun-drenched citrus and floral lift. Pair with a fresh Italian torta salata of artichokes and potato for a perfect match.

**The Trickster
Adelaide Hills Pinot Gris
2025
ABV 12.5%**

The Trickster Adelaide Hills Pinot Gris

This Pinot Gris comes from a steep slope where fruit ripens unevenly—its secret to vibrant acidity and full flavour. Aromas of lychee, lemongrass, ginger, pear, rockmelon, and pink lady apple, with smoky florals and sweet chaff. The palate is textured, aromatic, and deliciously meandering. Pair with pan-seared sea bass with ginger-lime beurre blanc, Thai-style fish cakes with lemongrass and coriander or a ceviche of sea bream with grapefruit and chilli.

**The Disrupter
McLaren Vale Grenache
2024
ABV 14%**

The Disrupter McLaren Vale Grenache

From the last patch of Grenache in suburban Adelaide’s old Hamilton Ewell Vineyard, cuttings were planted in McLaren Vale—continuing a cherished legacy. The wine is opulent and aromatic: sandalwood, incense, licorice, red berries, rosehip, black tea, strawberry, bubblegum, cinnamon, cola, and pomegranate. The finish lingers, delicious and lasting. Pair with grilled lamb chops with rosemary and garlic, chargrilled pork sausages or Toulouse-style cassoulet, or roasted duck breast with cherry glaze.

**The Oddball
McLaren Vale Saperavi
2023
ABV 14.5%**

The Oddball McLaren Vale Saperavi

Saperavi is a very odd variety. The grapes are so darkly coloured the Georgian's named it with their word for 'dye'. The skins are black and unusually the pulp of the berry also carries colour. The wines that it makes are similarly dark, often very depth driven and textural, and our Oddball always rewards cellaring. A violet lined coal mine packed with blocks of palm sugar and sandalwood. Vanilla lurks layers deep in the dark. Black leather wrapped red fruit. Pomegranate compote. Sweet tobacco pouch. Iron edged cherry. Tannin rustic, yet somehow slick, still demands time to lie in the cellar and achieve a proper polish. Pair with espresso rubbed dry-age T-bone with roast beetroot, baby spinach, and goats cheese - or miso-Dijon glazed tempeh with smashed beets and caramelised onion.

**Black Ops
McLaren Vale
Shiraz Saperavi
2022
ABV 14.5%**

Black Ops McLaren Vale Shiraz Saperavi

From the western edge of our Black Sheep Block comes a Shiraz-Saperavi blend that's bold, brooding, and intensely charismatic. Plums, pomegranate molasses, black pepper, coal smoke, and violets pulse through the bouquet. The palate glows with red, black, and blue fruits, charcuterie sweetness, and lasting succulence. It's bombastic yet refined—complex, contrasting, and utterly compelling. Food match? Go classic: slow-cooked beef brisket with smoked paprika and smoky, roasted beetroot.

Peter Lehmann

Peter Lehmann established his namesake winery in 1979, driven in large part by a desire to support Barossa growers during a crippling grape oversupply at the time. The wine from the first vintage in 1980 was called ‘The Futures’ in a nod to the commitment Peter made to paying the growers once he had sold the wine. This arrangement was sealed with a handshake and Peter’s word was his bond. True to his promise, when the money started coming in, Peter made sure to pay his growers first.

This pivotal act, and leap of faith, is widely credited with saving a significant portion of the Barossa’s historic vineyards. Led by Peter, the Barossa community pulled together, not just to make great wine but to preserve the future of the land and the Barossa region, forging a legacy of quality and regional stewardship. Today these longstanding relationships with the same community of family growers gives the Peter Lehmann winemakers unrivalled access to the very best grapes across the length and breadth of the Barossa.

Today the wines are steered by head winemaker, and native Barossan Brett Schutz and team, who continue the tradition of crafting terroir-driven wines from grapes sourced across their Barossa family of growers to make the Peter Lehmann signature wines decades of consumers have come to love.

'Hills & Valleys' Riesling

'Hills & Valleys' Riesling

Our Hills & Valleys Riesling is made from premium Riesling fruit sourced from both growers and our Estate vineyards. Made in a half dry style, we halt fermentation early to retain a small amount of residual sugar. This wine is made with immediate enjoyment in mind, although 3-5 years in the cellar won't do it any harm at all.

'Valley's End'
Sauvignon Blanc Semillon

ABV 12%

'Valley's End' Sauvignon Blanc Semillon

Good winter rain allowed soil profiles to be full, giving the vines a great start to the growing season. A remarkably cool summer followed, providing perfect conditions for healthy vines to produce fruit with high natural acidity and concentrated flavours. One of the better vintages of the last decade. Our Sauvignon Blanc tends to be a little more restrained than other regions, so the Semillon contributes more than its share would imply. We've been making this blend since the late 80's, and it continues to prove it is worthy of its inclusion.

'Luccio' Fiano

After an average winter rainfall, our soil profile was full, giving the vines a great start to the growing season. Following early bud burst, a bad frost event hit some parts of the valley in late October. Spring was dry, but thunderstorms in November and December helped setup our vine canopies. A warm, dry harvest with low disease pressure allowed grape intake to run extremely smoothly. Riesling yields were slightly above average; red varieties had lower yields but good fruit concentration and deep colours. Sourced from our own Polish Hill River Estate and a Southern Watervale vineyard, we see this variety as having a strong future in Clare Valley, as it has great resilience across extreme vintage conditions.

'The Plantation' Grenache

After an average winter rainfall, our soil profile was full, giving the vines a great start to the growing season. Following early bud burst, a bad frost event hit some parts of the valley in late October. Spring was dry, but thunderstorms in November and December helped setup our vine canopies. A warm, dry harvest with low disease pressure allowed grape intake to run extremely smoothly. Red varieties had lower yields but good fruit concentration and deep colours. Our style of Grenache is light, bright and juicy; perfect for early drinking.

Tellurian Wines

Tellurian was born of founder Ian Hopkins passion for Heathcote shiraz. When offered the opportunity to establish a new vineyard on the Mount Camel range in 2002, Ian's enthusiasm was driven by the idea of crafting something fine and beautiful from Heathcote's 550 million year old Cambrian soils.

Shiraz was their first planting, but over time they have added Rhône varieties which are perfectly suited to the continental climate. They moved to organic farming (certified since 2018) allowing their wines to naturally reflect the influence of these incredible soils.

Tellurian's winery and vineyards are in the centre of the Heathcote region. This is a long and diverse winegrowing area – 80kms from north to south. South is slightly cooler than the north, with wines varying from fragrant, lifted, medium density to more brooding, darker fruit intensity in the north.

Teusner Wines

It started from an eavesdropped conversation in a Barossa pub in 2001. A couple of grape growers, the Riebke brothers, were discussing the potential ‘grubbing out’ of their 85-year-old Grenache vines. Kym’s ears pricked up and together with his then brother-in-law, Mick Page, they struck a deal with the Riebke’s and saved the vines.

The ancient vines which ignited Kym’s passion are not simply old in Barossa terms, these are some of the oldest vines in the world. They are a living history.

Established on their own rootsocks, mostly dry grown, these old vines combined with Kym’s contemporary and gentle approach in the winery is at the core of the winemaking philosophy at Teusner.

Teusner Wines has grown substantially over the last 20 years, now offering a broader range of wines and varieties. Sourced from all reaches of the ‘Valley’, each wine displays provenance and individuality.

Riebke Shiraz
2021
ABV 14.5%

Riebke Shiraz

Teusner Riebke Shiraz is meticulously crafted from Shiraz grapes sourced from the Riebke family vineyards in the Barossa Valley's north at Ebenezer. The winemaking process involves fermentation in open vats, where the fermenting must is pumped-over by hand twice daily. The wine is matured in seasoned French oak Hogsheads for 12 months prior to blending. The wine showcases the region's distinctive terroir, displaying hallmark Barossa characters, being rich, plush with an elegant structure, and lingering finish. Further cellaring will allow it to develop complexity and depth while retaining the fruit's purity. The refined nature, balanced acidity and graceful tannins result in a Shiraz with excellent aging potential.

ABV 14.5%

Gentleman Cabernet Sauvignon

Sourced from vineyards in both Barossa and Eden Valley, parcels were picked and fermented separately with gentle pump-overs before pressing to tank. Each was matured 12 months in seasoned French oak barriques and hogsheads, then blended for balance and style. Eden Valley leads with lifted aromatics, blue fruits and a line of elegance and vitality. Barossa adds richness, depth and dark fruit power, with savoury Cabernet tannins carrying the finish. Together, they deliver a wine of structure, cassis-laden fruit and classic Cabernet character – bold yet refined, powerful yet fresh.

The nose is alive with dark fruits, menthol spice and charcuterie, leading to a palate bursting with boysenberry, black plum, cherry and cassis. Finely grained tannins, supple length and bright acidity promise balance, drive and a long life ahead.

Melting Pot Shiraz

Melting Pot Shiraz

Our 2023 Melting Pot Shiraz is a beloved Barossa variety and a true melting pot of dark fruit flavour. Sourced from a single 2-hectare vineyard in Marananga—known as the Doeckes block, planted in 1993 on sandy soils with ironstone over clay—this wine delivers in style every time. Rows are planted east–west to encourage even ripening, with sustainable practices like cover cropping, minimal soil disturbance, and single cordon spur pruning. Small-batch and vegan-friendly, this Shiraz is generous, bright, and perfect for entertaining great friends. Hand-picked, destemmed, crushed and fermented on skins in open fermenters for seven days, it's basket-pressed and matured in a mix of new (10%) and seasoned (90%) French oak for 18 months. The nose opens with dark fruits, balanced oak, medium to dark spice, orange peel, and smoked pork. The palate is finely balanced with cedar, dark berries, bright acidity, dark spice, and well-integrated oak.

Lazy Arvo Grenache
2022
ABV 14.5%

Lazy Arvo Grenache

There is nothing lazy about how this wine is made, with hard work, great dirt, old vines, and meticulous winemaking. Our Grenache grapes are grown on the Tscharke family vineyard on the Western Ridge of Barossa Valley, in the famous sub-region of Marananga, often referred to as the golden mile. This vineyard is certified organic and soon-to-be-certified biodynamic. Handpicked at dawn between mid-February and mid-March, the blend of early-picked and later-picked parcels allowed us to combine different components and layers for the finished wine. Once through malo fermentation, the wines were combined and racked in seasoned French oak barrels. Vibrant, light, and bright, this wine has fresh aromas of lifted light spice, cinnamon, and juicy light red fruits. On the palate, the brightness continues, with lifted spices, fluffy light tannins, goji berries, and delicious balanced sweet berries. It's a dangerously drinkable wine!

**Wild Bunch Riesling
2025**
ABV 12%

Wild Bunch Riesling

Zesty, floral and tightly wound, our 2025 Wild Bunch Riesling shows Eden Valley at its crisp, clean best. Sourced from the Sanders family's Roesler Vineyard in Craneford, the site's east-facing slope and east-west row orientation protects the fruit from the harshest sun, allowing for even ripening and pristine natural acidity. Pale straw with green hues, the nose is lifted and fragrant, showing green apple, lemongrass, lime and delicate jasmine. The palate is all citrus and crunch — crab apple, lemon and lime — layered with fine floral notes, chalky texture and beautifully balanced acidity. It's fresh, focused and full of energy. A pure expression of site and season and a dead-set winner with seafood.

Tscharke Wines

Tscharke Wines is a family-owned, biodynamic and organic winery based in Marananga on the western ridge of South Australia's Barossa Valley. Led by sixth-generation vigneron Damien Tscharke, the estate is known for its innovative and sustainable approach to viticulture and winemaking. Certified organic and farmed biodynamically, the vineyards are managed with a strong focus on soil health, biodiversity, and minimal intervention.

The winery produces both classic Barossa varieties, such as Shiraz and Grenache, and alternative grapes including Montepulciano, Albariño and Savagnin, reflecting a commitment to diversity and terroir expression. Winemaking is low-impact and often utilises concrete eggs, large-format oak and terracotta amphorae to preserve freshness, purity, and varietal character. All wines are vegan-friendly with low sulphur use.

Tscharke has gained recognition for producing some of the Barossa's best Grenache and for pushing boundaries with new varieties and techniques. The cellar door offers daily tastings, as well as the more immersive underground cellar experience, giving visitors insight into the winery's philosophy and unique underground architecture.

Respected for both quality and innovation, Tscharke Wines combines tradition with forward-thinking, delivering expressive, sustainable wines that showcase the evolving face of the Barossa Valley.

Turkey Flat Vineyards

Turkey Flat Vineyards is an Estate owned family wine business, which forms a vital part of the Barossa Valley's rich cultural heritage. It was here on the banks of the Tanunda Creek, where native bush Turkeys once roamed, that Silesian pioneer Johann Friedrich August Fiedler planted the first Shiraz vines in 1847.

These vines, propagated from cuttings brought to Australia by James Busby from the famous Hill of Hermitage in France in the early 1830's, still remain on our property. Despite having just celebrated their 178th vintage, they continue to produce truly unique and exceptional wine every vintage.

The Schulz family became caretakers of this remarkable vineyard in the 1860's. They made their transition from grape growing to winemaking in 1990. Turkey Flat consistently delivers award winning wines of great integrity showcasing just how exciting the Barossa Valley and its complexities of evolution and history can be.
