# Exploring New Models of Global Clinical Trial Collaboration Panellists

**Peter MacCallum Cancer Centre | Nexomics | Phase 1 Unit**

**Speaker: Minesh Lalla, Senior Business Development Officer**

Nexomics is an expert contract service provider offering oncology laboratory assays to support clinical trials and medical testing with dedicated state-of-the-art laboratories located at the Peter MacCallum Cancer Centre, one of the world's leading cancer research, education and treatment centres globally.

**Beyond Drug Development | CRO**

**Speaker: Jason Erasmus, Business Development Manager**

Beyond Drug Development is an Australian based integrated product development company dedicated to early-stage product development, focusing primarily on advancing innovative products from small to medium biotechnology and pharmaceutical companies worldwide.

**Resolian Bioanalytics | BioAnalytical Labs**

**Speaker: Tim Vale, Business Development Manager**

Resolian is a leading global Contract Research Organisation (CRO) providing specialised solutions include small and large molecule LC-MS/MS bioanalysis, PK immunoassays for large molecules, immunogenicity, biomarkers, cell-based assays, and drug metabolism.

**Prime Financial Group | R&D Tax Advisory**

**Speaker: Simone Quin, Partner**

Prime Financial Group has provided end-to-end accounting and tax services, including accessing the R&D tax incentive for biotech and medtech companies to obtain direct financial support of R&D activities conducted in Australia, for over 25 years.

Prime Financial Group is a member of the Institute of Chartered Accountants in Australia.

**Bellberry | Ethical Review**

**Speaker: Jerneen Williams Director of Operations**

Bellberry Limited is an Australian award-winning independent, not-for-profit organisation offering Human Research Ethics Committee (HREC) services.

Driven by two key objectives, to protect the welfare of research participants and improve the quality, efficiency and effectiveness of research. Bellberry has accreditation from the Association for the Accreditation of Human Research Protection Programs (AAHRPP).
