

CALLING ALL STUDENTS...

ARE YOU RESEARCHING OR WORKING WITH PEOPLE TO FACILITATE AND ENABLE CHANGE?

EXTENDING HORIZONS

APEN 2019 Conference

DARWIN September 12-13

ABOUT APEN

APEN (Australasia-Pacific Extension Network Ltd.) is the leading organisation for the community of extension practitioners. Extension is about working with people to enable and facilitate change. APEN promotes research, theory and the practice of extension.

THE APEN CONFERENCE

Is an international meeting of practitioners, researchers and academics from developing and developed countries.

This two-day event will focus on Extending Horizons: Extension's role in climate, rural industry, and community challenges.

THE STUDENT PACKAGE

- Discounted pre-conference workshops
- Discounted student registration
- 3MR (3 minute research) present your research in 3 mins with 1 slide
- 3MR web conference training (August)
- Best student paper presentation. Win a place in the 2020 APEN Mentoring Program!
