Saturday 19 September 2026

08:15	<i>Hepburn foyer</i>	Arrival - Coffee/tea		
08:30 – 09:15	<i>Hepburn</i>	Dr Simon Judkins Presentation: Who is in my team?		
09:15 – 10:00	<i>Hepburn</i>	Dr Tim Baker Presentation: Everything, Everywhere, All at Once: The Challenge of Describing Rural Emergency Medicine All doctors require knowledge, communication skills, teamwork and leadership. All emergency clinicians require a broad understanding of presentations and procedures. If these attributes are not unique to rural practice, how do we describe what makes rural emergency medicine different? This session will explore whether the defining feature of rural emergency medicine lies not in the patients we see or the procedures we perform, but in the way we make decisions.		
10:00 – 10:30	<i>Hepburn foyer</i>	Morning Tea		
10:30 – 11:15	<i>Hepburn</i>	Dr Ben McKenzie Presentation: Anaphylaxis and allergy – saving young lives with acute care and ongoing management
