

The Perfect Delivery Showcase

How to drive your distribution centre compliance results with participating retailers

Tuesday 30th April 2024

9am – 3.30pm

Waterview Bicentennial Park | Bicentennial Drive, Sydney Olympic Park

The Perfect Delivery Showcase aims to improve industry awareness of core delivery requirements for product receipted into supermarket retail distribution centres. Learn directly from retailers the essential requirements for safe and efficient supply chains – in a uniquely collaborative, practical, and interactive multi-retailer event.

The Showcase is jointly hosted by Woolworths, Coles and Metcash and the AFGC Trading Partner Forum.

This is the first time that suppliers will be able to interact with the supply chain teams of all supermarket retailers under the same roof.

This event will provide examples of best-in class delivery practices coupled with feedback from service providers, and retail representatives on why it's important and how to achieve them.

Sponsorship opportunity

Supply chain partners are invited to support the Perfect Delivery Showcase by becoming a **Showcase Supporter**.

This is a unique opportunity to engage with key supply chain leaders and practitioners and participate in driving improvements for enhanced product delivery to supermarket retailers.

In becoming a **Showcase Supporter**, you will bring solutions to industry, demonstrate your credentials and be part of the industry response.

Showcase Supporter

\$2,500 including gst

This package includes:

- » 2 x showcase event registrations
- » Display table for the duration of the event
- » 1 x pull up banner positioned behind trestle table
- » Logo and company profile, with link to your preferred URL and contact details on event app
- » Sponsor logo on event website
- » Sponsor logo on event eDMs
- » Sponsor logo on slides in the main plenary and breakout rooms
- » Announcement during the event of sponsor support

To secure a position as a showcase supporter or if you have any questions, please contact
