About us

Hands on Labour was founded in Sydney in 2017 to supply staff for businesses in the Events and Hospitality industry.

With a team composed by people with background not only in recruitment but also events, Hands on Labour understands how timely events are. For that reason, we designed a tailored service model which operates 24/7 to ensure we can deliver and exceed the requirements of our clients at a comprehensive rate.

The solid understanding of the industry and distinctive approach makes Hands on Labour committed to deliver bespoke workforce screening process to find the ideal profile for your company.

Why Hands on Labour

24/7 Account Management

We know that events and hospitality are industries that never stop. For this reason, our team is available to respond to and action your inquiry at any time and any day of the week. You can always count on us!

Efficient crew specialized in Events and Hospitality

We maintain a very consistent crew on our books who work only in hospitality and events. This way, they build up their skill set and work more efficiently.

NSW, VIC, QLD, TAS Coverage

We know that most event companies operate in more than one state. For this reason, we operate at full capacity in the main capital cities to ensure we can address your request independently of where your event is.

Capacity

We maintain an extensive pool of experienced staff available on our books. Currently, we have over 300 active staff across the 4 states with experience in hospitality and events.

Where we are based

- Sydney, NSW
- Melbourne, VIC
- Gold Coast/Brisbane, QLD
- Hobart, TAS

We specialise in:

When working in events, allocating additional hands can make the difference for a smooth and successful project. This way, Hands on Labour works constantly on the recruitment of specialised staff for the following areas:

Hospitality

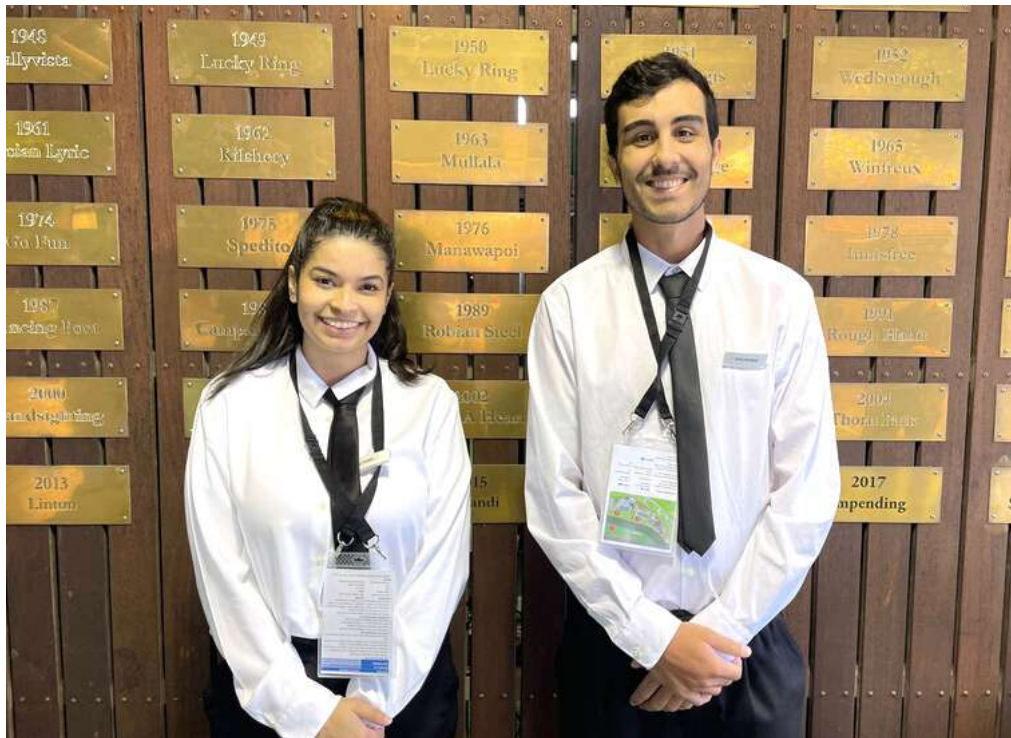

Exhibitions

Marquee Installation

Hospitality

Front of House

Hands on Labour offers a friendly and reliable crew for front of house which will make your event memorable.

Food and Beverage

Our Food and Beverage staff are experienced and work efficiently to ensure your fine dining event runs smoothly.

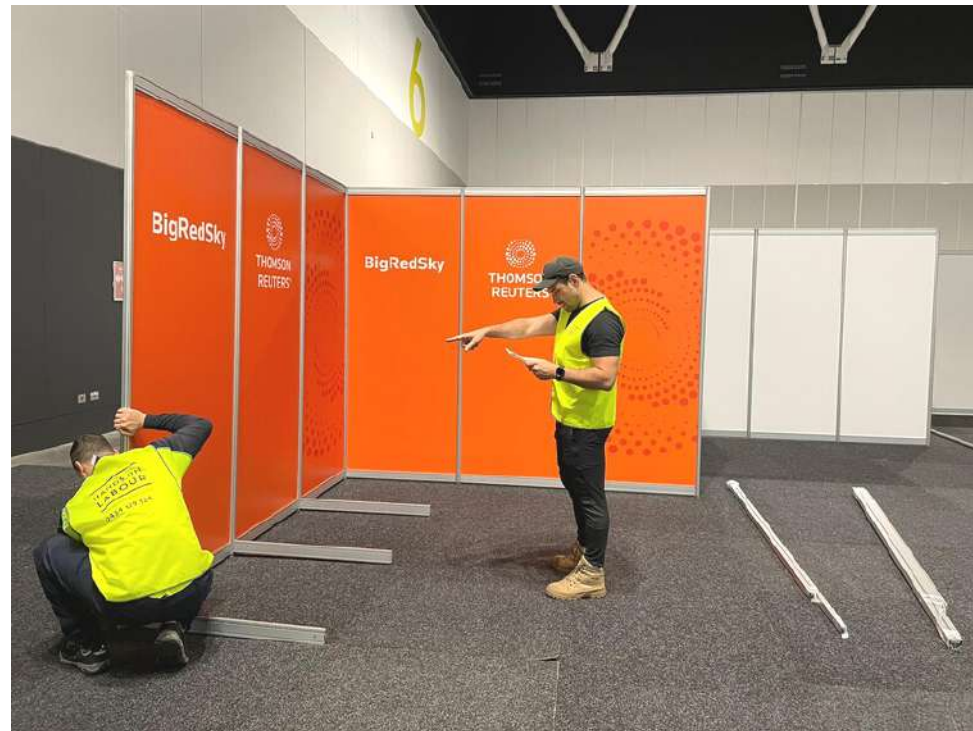

Bart Staff

Hands on Labour also offers a highly skilled bar crew who works at a fast pace to serve your customers or guests quickly and avoiding queues.

Exhibitions:

Shell Stand Building

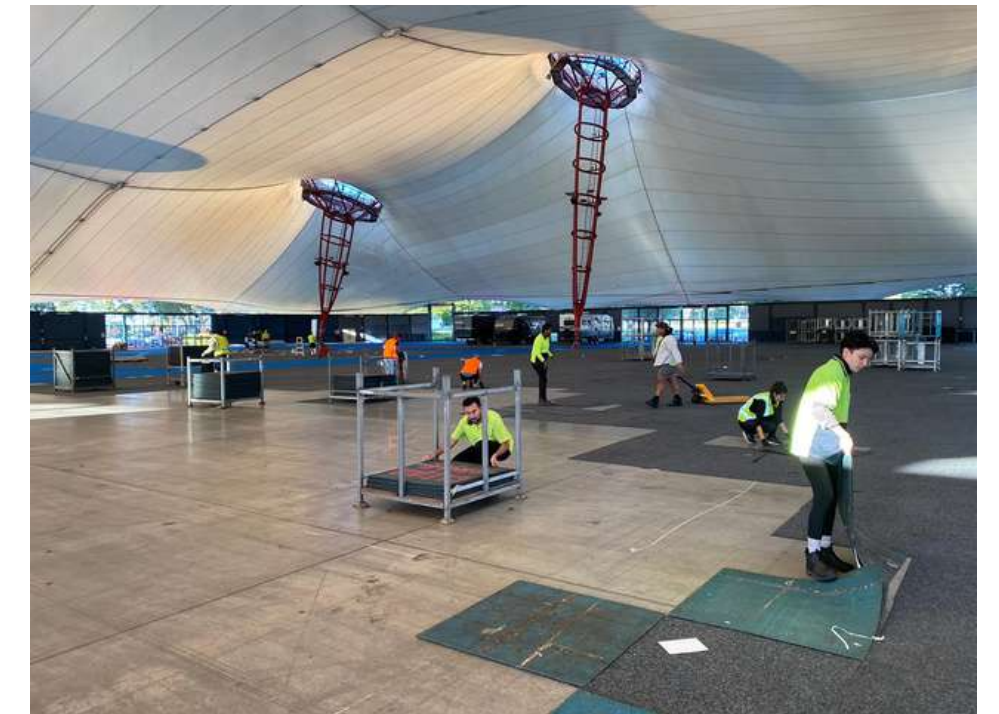

Hands on Labour offers a reliable crew which has experience in shell scheme building for any type of stand.

Custom Stand Building

Our Custom Stand Builders work efficiently to build all types of custom stands. Our builders bring their own tools.

Carpet Lay

Hands on Labour also offers a highly skilled crew who works at a fast pace to lay carpet tiles at event centers, outdoor events, etc.

Marquee Installation:

Structure Building

Our experienced crew has installed marquees of different sizes and styles, from small 3x3 hocker to large premium structures. Their experience working for different event hire companies has enabled them to build their skill set and also get to know different marquee systems.

Flooring

As well as building marquees, our crew has also gained experience in the installation of flooring for temporary structure.
