3 - 5 SEPTEMBER ADELAIDE
MOVEMENT FOR THRIVING COMMUNITIES

SPONSORSHIP PROPOSAL

WELCOME

Join us in Adelaide - one of the world's most liveable cities, on 3 – 5 September for the 2025 AITPM National Transport Conference, as we explore the theme of **Movement for Thriving Communities**.

The AITPM National Transport Conference has an unrivalled reputation for allowing delegates to meet and discuss ideas, broaden their knowledge, and connect with other industry professionals.

Featuring international, national and local speakers, panel discussions and interactive sessions, it is anticipated that over 400 delegates will attend the conference in 2025.

Sponsoring the AITPM National Transport Conference provides the opportunity to showcase your organisation's knowledge, products and services, to engage with our expert presenters, and to network with participants from across the country from government and the private sector.

Our national reach of over 6,000 transport professionals, with just over 3,000 from local, state or federal government, provides significant exposure for your organisation and brand.

We are seeking to align with sponsors who can contribute to and support the advancement of our theme and of the broader transport community.

We cordially invite government agencies, private sector consultants, service providers and the academic sector to participate in this event, and we look forward to your involvement. We are excited to present our initial range of sponsorship packages which include opportunities for some sponsors to help shape the conference content and debate.

Kind regards

MOVEMENT FOR THRIVING COMMUNITIES

2025 THEME

As our cities and regions grow, we are presented with both an opportunity and a responsibility to create healthy, vibrant communities that offer a high quality of life, safety, affordability, accessibility, inclusivity, and sustainability.

Our approach to planning and designing transport networks and public spaces needs to evolve. The task of developing innovative and adaptable solutions, does not rest with any single entity or profession. It is a collective effort—government, industry, and community must all work together to meet the challenge of balancing the diverse competing and interdependent needs of our communities.

Through thought-provoking presentations, panel discussions and hands-on workshops, **#AITPMADELAIDE2025**, seeks to encourage a positive and active response to the barriers, challenges, and threats and opportunities for building liveable communities, focusing on growth and sustainability, now and into the future.

WHAT TO EXPECT IN 2025

- **Knowledge Exchange** | A premier platform for delegates to discuss ideas, broaden knowledge, and form industry connections.
- **Policy and Action** | Created opportunities to foster policy and action within the Transport Community.
- **Thought-provoking discussions** | Featuring international, national, and local speakers with panel discussions, interactive sessions and workshops.
- **Engagement and Networking** | Opportunities to connect with peers and expand your network within the broader transport community.

PARTNERING WITH AITPM

AITPM is the leading national membership association for all transport professionals who plan, design, engineer, deliver, operate, manage, measure, and support Australia's transport systems.

AITPM connects over **6,000 industry professionals** across government, consultancy, the private sector, and academia. We collaborate with governments, industry bodies, NGOs, and academia to advance sustainable, efficient, and safe transport systems.

Our network has strong representation across a number of industry sectors including

- **Transport Planning**
- **Traffic Engineering**
- **Transport and Land Use Modelling**
- **Active Transport**
- **Transport Policy**
- **Road Safety**
- **Traffic/Transport Research**
- **Intelligent Transport Systems**
- **Road Design**
- **Traffic management**

AITPM offers sponsors a unique opportunity to support the transport community at a pivotal time. Sponsoring positions your organisation as a key player in shaping transport policy while providing access to potential clients and talent, with over 50% of our members working in government.

This exposure is invaluable for recruitment, retention, and showcasing your brand to the industry's best.

SPONSORSHIP OPPORTUNITIES

The AITPM National Transport Conference has an unrivalled reputation for allowing delegates to meet and discuss ideas, broaden their knowledge, and connect with other industry professionals.

In 2025, there is a range of sponsorship opportunities available to promote your products and services, while also demonstrating your company's interest in and commitment to professional development of the range of disciplines within the transport community.

Details of the sponsorship levels and some benefits are outlined in this prospectus. AITPM would be pleased to consider any other initiatives of mutual benefit, including sponsorships of interactive sessions during the conference days. We can design a bespoke sponsorship opportunity specific to your organisation's budget and goals.
