2026 NATIONAL TRANSPORT CONFERENCE

8 - 11 SEPTEMBER | MEANJIN BRISBANE
SHAPING THE FUTURE | MOVING THE NOW

SPONSORSHIP PROPOSAL

WELCOME

Meet us in Meanjin, Brisbane, on 8 – 11 September for the 2026 TPA National Transport Conference.

Our theme – Shaping the future, moving the now will challenge us to respond to today's urgent transport issues while shaping our networks and systems for the decades ahead.

Now more than ever, the National Transport Conference is the place where ideas turn into action.

With over 500 delegates expected, the event will bring together professionals from government, industry, consultancy, and academia to share expertise, debate solutions, and collaborate on the future of movement in Australia.

Delegates can look forward to international keynote speakers, national and local panellists, interactive workshops based around real problems, and networking opportunities that create lasting professional connections.

Sponsoring places your organisation at the centre of the transport conversation—showcasing your people and expertise to a national network of more than 6,000 transport professionals.

We invite government agencies, private sector consultancies, service providers and the academic sector to participate in this event, and we look forward to your involvement.

We are excited to present our initial 2026 sponsorship prospectus, which offer a range of opportunities to share our vision for a connected, resilient, and sustainable transport future and play a part in shaping the conversations that matter.

We can't wait to see you there!

SHAPING THE FUTURE, MOVING THE NOW

2026 THEME

As transport professionals, we face the dual challenge of tackling today's most pressing issues while preparing for the opportunities and uncertainties of tomorrow.

Our theme, **Shaping the future, moving the now**, invites us to consider urgent challenges such as congestion, climate change, equity, and accessibility, while also exploring how shifting demographics and emerging technologies will transform the way we move and grow into the future.

This raises an important question: how can we, as a collective, work together to balance the diverse needs of current and future generations and deliver a transport network that serves all? Together, we can lay the foundations for a more connected, resilient, and sustainable transport system.

Through engaging presentations, robust panel discussions, and interactive workshops, **#NTC2026** will explore how we can address the urgent needs of today while shaping the transport networks and public spaces that will carry us into the future.

WHAT TO EXPECT IN 2026

- **INSPIRING IDEAS** | Be challenged and inspired by global, national, and local speakers sparking new ways of thinking.
- **COLLABORATION IN ACTION** | Explore how government, industry, and community can work together to turn vision into practical outcomes with step change now to lead us to our collective vision.
- **PRACTICAL LEARNING** | Dive into workshops, panels, study tours and interactive sessions designed to share tools, knowledge and strategies applicable to the industry.
- **NETWORKING OPPORTUNITIES** | Connect with peers, build new partnerships, and strengthen your place in the transport community.

PARTNERING WITH US

TRANSPORT PROFESSIONALS ASSOCIATION

WHO ARE WE?

The Transport Professionals Association (TPA) is the national peak body for Australia's transport community. We connect more than 6,000 professionals across every discipline; planners, engineers, modellers, economists, policy specialists, researchers, and more.

What makes our community different is its breadth. We represent the whole of transport, not just one segment of it. Our members plan, design, deliver and manage the networks that shape every journey across the country.

We advocate to government, support careers, foster collaboration, and share technical knowledge right across the profession. With strong state branches backed by a national framework, TPA is uniquely placed to deliver local impact while building national influence.

OUR IMPACT

3,250+

Active members and subscribers

(more than half working in Government)

6,000+

industry professionals engaged through our communications

324,195+

organic reach on LinkedIn (Sept 24 - Sept 25) with engagement of **10.2%**—well above sector norms.

WHY DOES THIS MATTER?

Our investment with us isn't just about putting your logo in front of an audience. It's about creating genuine connections with the people who matter most to your business.

The future leaders coming through the pipeline, the current decision-makers shaping projects in government and industry, and the influential voices guiding policy and investment across Australia.

A partnership with TPA positions you at the centre of these conversations, giving you and your team the relationships, visibility, and influence that drive real outcomes.

2026

SPONSORSHIP OPPORTUNITIES

The National Transport Conference has an unrivalled reputation for allowing delegates to meet and discuss ideas, broaden their knowledge, and connect with other industry professionals.

In 2026, there is a range of sponsorship opportunities available to promote your products and services, while also demonstrating your company's interest in and commitment to professional development of the range of disciplines within the transport community.

Details of the sponsorship levels and some benefits are outlined in this prospectus.

We would be pleased to consider any other initiatives of mutual benefit, including sponsorships of interactive sessions during the conference days. We can design a bespoke sponsorship opportunity specific to your organisation's budget and goals.

CONFERENCE SPONSORSHIP PACKAGES

EXHIBITION SPACE

DELEGATE RECHARGE LOUNGE – \$7,000 EX GST

The Delegate Lounge is an exclusive brand opportunity and offers a space for attendees to recharge, connect, and collaborate. Designed for networking and relaxation, the lounge provides a comfortable setting to catch up on emails, hold informal meetings, or simply unwind between sessions. With a branded recharge station and the ability to host an activation in the space, this opportunity provides a perfect hub for meaningful conversations and professional connections throughout the conference.

EXPO SPACE – \$2,000 – \$5,000 EX GST

The expo spaces are the most interactive form of advertisement your company can achieve, providing the opportunity for direct access to delegates over the full three days of the conference. It provides your company with an excellent opportunity to discuss the details of your products or services with delegates.

The expo space area is the most prominent and used area located at the heart of the conference. It is where the welcome event, stand-up lunches, morning and afternoon tea/coffee breaks will be held. Delegates will have ample opportunity to visit the displays, which are attended by your company's personnel.

OTHER BRANDED OPPORTUNITIES AND ACTIVATIONS – POA

In addition to our standard exhibition packages, we offer a range of flexible branded opportunities, allowing exhibitors to creatively showcase their company and engage delegates in unique and impactful ways, including:

- Conference App/ Digital engagement
- WI-Fi
- Sustainability – reusable cups, water bottles, water refill stations etc
- Interactive activations and activities

TERMS AND CONDITIONS

APPLICATION PROCEDURE

- Contact the Partnerships and Memberships Officer to discuss and select your preferred sponsorship package(s).
- Sponsorship acceptance is subject to the review and approval of TPA.
- Selection of sponsors is at the discretion of TPA and includes consideration of alignment with the conference themes, consistency with TPA's vision and objectives, and track record of previous successful business relationships.
- Once approved and contracted, sponsors will receive access to the National Transport Conference Sponsor Portal, which allows sponsors to self-manage their stand, lead capture and other items in line with their package.

CANCELLATION POLICY

- If you would like to request the cancellation of your sponsorship, please submit a written request for cancellation specifying the reason for cancellation.
- The cancellation request is subject to the approval of TPA on the condition that none of the sponsorship arrangements have been delivered upon and can be resold.
- 50% of the contracted amount will be retained for cancellation requests more than 2 months prior to the conference
- 100% of the contracted amount will be retained for cancellation requests less 2 months prior to the conference.
- If your cancellation is related to pandemic health restrictions resulting in significant limitation to your ability to engage in the event, the above policies may be waived.
- Cancellation due to disaster or health restrictions - If the event is cancelled due to a pandemic or disaster we will negotiate with you to defer your sponsorship to a future event.

PROMOTIONS AND MARKETING

- Partners and exhibitors are required to provide logos, brief bios, and relevant information by deadlines specified by TPA. The organisers will not be responsible for publishing logos or text submitted after the deadline or in an incorrect format.

OBLIGATION AND RIGHTS

- TPA has the right to amend the sponsorship or exhibitor packages to benefit the sponsor/exhibitor or the Conference. Every effort will be made to maximise partner benefits as well as the delegates' experience.
- Sponsors must ensure that any promotional activity does not interfere with any other sponsor or exhibitor.
- TPA reserve the right to change the layout and allocation of booths in the exhibition space as required. Exhibitors will be notified when necessary.
- All exhibitors must be adequately covered for Public and Product Liability Insurance.
