

COLLECTION STATEMENT (HCP Professional Education)

EBOS Medical Device Australia Pty Limited (ABN 38 635 893 720), **LifeHealthcare Distribution Pty Limited** (ABN 30 117 449 911), **LifeHealthcare Limited** (NZCN 1929585) and their respective subsidiaries (“we”, “our”, and “us”) are collecting your personal information from you for the purposes of registering you for our educational program such as a seminar or webinar, and for the purposes of providing you with information in the future in relation to our products and services that we think may be of interest to you. This may include product information and details of upcoming seminars and other events.

If you do not provide some or all of the personal information requested then we may not be able to register you for an educational program, or provide you with any information or service you may request.

We may disclose your personal information to our affiliates and related bodies corporate in Australia and New Zealand. We may also disclose your personal information to our IT service providers and other third party service providers involved in providing our education programs and in distributing our product information and updates. Your personal information is likely to be held on servers located in Australia, United States of America, Japan, New Zealand and may be accessed by our IT service providers and other third party service providers involved in providing our education programs, in distributing our product information and updates, and providing other services to us.

You can find a copy of our full Privacy Policy <https://www.lifehealthcare.com.au/privacy-policy/>. This policy contains information about how you may access your personal information that is held by us and seek the correction of that information. It also contains information about how you may complain about a breach of the Australian Privacy Principles and how we will deal with any such complaint.

If you have any queries or complaints about our Privacy Policy or this Collection Statement, please contact us first by using the contact details provided below:
