Why are we processing your personal data?

We ask for your personal data to facilitate your registration for this event and / or abstract submission.

Other third parties that will have access to your personal data

If you are registering for the conference some of your data will be shared with other organisations and third parties in order to process your registration and / or abstract submission. These will include:

- SIDM (the Society to Improve Diagnosis in Medicine)
- Eway (ecommerce provider)
- Should you elect to be on the delegate list, your name, organisation, state and country will be provided to sponsors of this event
- Registration category will only be shared between relevant ASHM conference staff working on ANZA-SIDM 2021

If you are submitting an abstract for the conference, your data will be shared with other organisations and third parties in order to process and review your abstract.

This will include:

- ANZA-SIDM 2021 Committee
- ANZA-SIDM 2021 Reviewers (your first name, last name and organisation)

Some of your data will be shared with other delegates in the Meeting Hub of the virtual event portal. You can control the information that is shared in your online portal settings. This could include your first name, last name and organisation.

How long will we store your personal data?

Your personal data will be retained by us for up to 5 years after the conclusion of this event.

The right to enquire about your personal data

You retain the right to ask us about your personal data at any time. Please contact us at anzasidm2021@ashm.org.au with any enquiries you may have.

The right to withdraw your consent

You retain the right to withdraw consent of use of your personal data at any time.

Please be aware that a withdrawal of consent before the start of this event will incur a full registration cancellation and cancellation fees as noted in the registration terms and conditions.

Please contact us at anzasidm2021@ashm.org.au with any inquiries you may have. If you are submitting an abstract, the withdrawal of consent will result in your abstract not being submitted for review or inclusion in the conference program.

The right to forget or anonymize your personal details

If you have attended any event with us, we will retain any financial, tax or event attendance records for reporting reasons, but will remove all personal data from our database, leaving an “anonymized” record for reporting reasons.
