| 6 | Clinical Research | Antoni Pazeski | Understanding the experience of people receiving escalating financial incentives for the Hepatitis C testing and treatment; The FIDAA study protocol | Hunter New England Local Health District, Drug and Alcohol Clinical Services |
| 7 | Poster Tour 3 | Danielle Dawson | Self-reported reasons for medical and nonmedical cannabis use in Australia: findings from the 2023 International Cannabis Policy Study | The University Of Queensland |
| 8 | Poster Tour 3 | Antoni Pazeski | From Click to Clinic: How recruitment pathways shape demographic composition in a phase III multisite randomised controlled trial: The CBD for CUD study. | Hunter New England Local Health District, Drug and Alcohol Clinical Services |
| 9 | Poster Tour 3 | Sam Lasham | A survey exploration of psilocybin mushroom use in Aotearoa New Zealand | University Of Auckland |
| 10 | Poster Tour 3 | Anjali Bhardwaj | A Phase II Study of Medicinal Cannabis Products in the Treatment of Chronic Pain in Patients with Opioid Dependence: a Study Protocol | University of Sydney/ South Eastern Sydney Local Health District |
| 11 | Epidemiology and Public Health | Benjamin Johnson | Is the gender gap in nicotine use disorder narrowing? Examination of trends in smoking and vaping in Australia, 2016–2023 | University Of Queensland |
| 12 | Epidemiology and Public Health | Benjamin Johnson | Trends and correlates of non-prescribed pharmaceutical stimulant use among people who regularly use ecstasy and other illicit stimulants in Australia, 2007 to 2025 | University Of Queensland |
| 13 | Models of Care and Programs | Bernard Fan | First Australian Nation Healing Model for Indigenous Australians with Alcohol and other drugs (AOD) problem. | |
| 14 | Models of Care and Programs | Brinsley Ryder | Set and settings: Balancing the scales of therapeutic ketamine interventions | Faculty of Medicine - Dunedin |
| 15 | Epidemiology and Public Health | Cobus Gerber | The Rise of Etomidate: Emerging Trends of Veterinary Sedatives and Nitazene Analogues from a National Wastewater Monitoring Campaign in Australia | Adelaide University |
| 16 | Epidemiology and Public Health | Delyse Hutchinson | Systematic review and meta-analysis on preconception paternal alcohol use and fertility, pregnancy and child development outcomes. | Deakin University |
| 17 | Models of Care and Programs | Dennis Hore | LEAP: A Community-Based Illicit Drug Analysis and Monitoring Platform | University Of Victoria |
| 18 | Social Science & Policy Research | Elisabeth Yar | Who We Are, Why We Stay: A character study of the AOD workforce | ATODA |
| 19 | Clinical Research | Elizabeth Elliott | Psychiatric comorbidities and psychotropic medication use in children with Fetal Alcohol Spectrum Disorder (FASD): experience in a state-wide Mental Health Intellectual Disability Hub | Children Westmead Hospital |
| 20 | Poster Tour 6 | W. Leigh Atherton | The Role of Community Partnerships for Treatment Engagement within Minority Populations at High Risk for HIV/AIDS and Substance Use Disorders | East Carolina University |

| | | | | |
|---|---|---|---|---|
| 21 | Poster Tour 6 | Shady Abdelsalam | Assessing the impact of the Medically Supervised Injecting Room (MSIR) on levels of oral health in a cohort of people who inject drugs. | National Drug Research Institute - Curtin University |
| 22 | Poster Tour 6 | Jennifer Smith | What have we learned from five years of the Emerging Drugs Network of Australia, and how do we transition from a research-funded model to a sustainable toxicosurveillance system? | University of Western Australia |
| 23 | Poster Tour 6 | Kimberley Akrigg | Health Services Access and Harm Reduction Practices Among Women Who Use Image and Performance Enhancing Drugs: Findings from a Large International Sample | The University Of Queensland |
| 24 | Epidemiology and Public Health | Erin Lalor | Understanding risky drinking in young Australian women aged 18 to 24 years – a segmentation approach | Alcohol and Drug Foundation |
| 25 | Epidemiology and Public Health | Erin Lalor | Local Drug Action Teams: balancing structure and flexibility in place-based evaluations | Alcohol and Drug Foundation |
| 26 | Epidemiology and Public Health | Georgina Bell | WITH CARE: Supporting the supporters of loved ones who use drugs within the LGBTQ+ community | ACON |
| 27 | Epidemiology and Public Health | Jai Whelan | Features of therapeutic ketamine use from a survey of non-medical ketamine consumers in Aotearoa New Zealand | Ōtākou Whakaihu Waka \| University Of Otago |
| 28 | Models of Care and Programs | Jeff Buckley | Beyond train and hope to train and know: Redesigning AOD workforce training for practice change | Insight - Queensland Health |
| 29 | Epidemiology and Public Health | Jenette Loud | Celebrating healthy pregnancies and empowering families in the South West | SJOG South West Community Alcohol And Drug Service (swcads) |
| 30 | Models of Care and Programs | Jennifer Holmes | Alcohol and Other Drugs Your Experience of Service Survey Data Snapshot 2024-2026 | Centre for Alcohol and Drugs NSW Health |
| 31 | Epidemiology and Public Health | Jessica Daniels | Beyond Once Upon a Time: Rewriting the Story of FASD Prevention in the Wheatbelt | Holyoake |
| 32 | Models of Care and Programs | Joanne Isbel | Reducing Tobacco and Vaping Harm: An Evaluation of Quitline Queensland's Intensive Quit Support Program. | Queensland Health |
| 33 | Models of Care and Programs | Joanne Isbel | Supporting Rural and Remote Communities with Quitting Smoking and Vaping | Queensland Health |
| 34 | Social Science & Policy Research | Karina Sanson-fisher | Developing the NSW Alcohol and Other Drug Lived and Living Experience Workforce Framework: Moving at the speed of trust | Centre For Alcohol And Other Drugs, Nsw Ministry Of Health |
| 35 | Models of Care and Programs | Kate Forbes-Walker | Together Newcastle in 2026: Reflections from the 2026 iteration of an arts-based overdose awareness initiative | HNE DACS-Aboriginal Unit |
| 36 | Epidemiology and Public Health | Kimberley Akrigg | Health Service Access Difficulties and Harm Profiles Among Men Reporting Recent Injectable Peptide Use: Findings from the International Image and Performance Enhancing Drugs Survey | The University Of Queensland |
| 37 | Models of Care and Programs | Kimmy Hoang and Geoff Corbett | Co-presenting: An Analysis Of The Forward (FWD) Program To Determine Its Effectiveness In Reducing The Risks And Harms Associated With Alcohol And Other Drug Use In Young People. | Clarence Street Mater Health Service |
| 38 | Epidemiology and Public Health | Kristina Da Silva | Accessing alcohol and drug treatment services after an assessment | Australian Institute Of Health And Welfare |
| 39 | Clinical Research | Laura Robinson | Examining the Impact of COVID-19 lockdowns on trends in service delivery in outpatient non-government alcohol and other drug treatment services using routinely collected data from the Network of Alcohol and Other Drugs Agencies Database | School of Psychology, UOW |
| 40 | Epidemiology and Public Health | Mark Petricevic | People with a history of specialist alcohol and other drug treatment services who have died | Australian Institute Of Health And Welfare |
| 41 | Social Science & Policy Research | Mark Petricevic | Key risk periods and factors associated with mortality after specialist alcohol and other drug treatment services | Australian Institute Of Health And Welfare |

| | | | | |
|---|---|---|---|---|
| 42 | Social Science & Policy Research | Megan Farquharson | Alcohol, tobacco, vaping and illicit drug use in Australia: Findings from the 2025 National Drug Strategy Household Survey | Australian Institute Of Health And Welfare |
| 43 | Clinical Research | Melissa Jackson | Can escalating financial incentives improve hepatitis C treatment engagement? Preliminary results from the FIDAA feasibility study | Hunter New England Local Health District, Drug and Alcohol Clinical Services |
| 44 | Models of Care and Programs | Melissa Kumfor | Harm reduction in an abstinent world: South Eastern Sydney Local Health District Drug Court Model of Care | South Eastern Sydney Local Health District |
| 45 | Models of Care and Programs | Michael Doyle | Assessing the feasibility of a culturally based social and emotional well-being program: a modified Delphi study | Edith Collins Centre, The University Of Sydney |
| 46 | Epidemiology and Public Health | Mostafa Mardani | Chasing Youth, Avoiding Care: Ageing Anxiety and Healthcare Engagement among Anabolic-Androgenic Steroid Consumers | University of Queensland |
| 47 | Social Science & Policy Research | Mostafa Mardani | Reframing Ageing: Anabolic-Androgenic Steroid Use as a Response to Ageing Anxiety, Identity Threat, and Self-Regulation | University of Queensland |
| 48 | Clinical Research | Nadia Pandika | Guiding Addiction Education: Findings From a Statewide Educational Needs Assessment | South Eastern Sydney Local Health District |
| 49 | Models of Care and Programs | Ned O'Gorman | "We are as strong as those we heal": an account of how we co-create Health for All at Sydney's Kirketon Road Centre | Kirketon Road Centre |
| 50 | Poster Tour 5 | Stefano Zaccagnini | Predictors of Changing Patterns in Alcohol Consumption among Australian Men in Midlife: An examination of a national longitudinal cohort | NCETA |
| 51 | Poster Tour 5 | Elizabeth Elliott | Journalists' guide for reporting on alcohol harms in pregnancy and Fetal Alcohol Spectrum Disorder (FASD) | Children Westmead Hospital |
| 52 | Poster Tour 5 | Helen Hamersley | Uncovering alcohol related presentations to an inner-city Emergency Department – the WA Model for Violence Prevention Pilot | Royal Perth Hospital, Emergency Research |
| 53 | Poster Tour 5 | Laura Robinson | Changes in alcohol use and psychological distress among women using an online alcohol support platform | School of Psychology, UOW |
| 54 | Models of Care and Programs | Nicholas Kerswell | Sustaining Cognitive Processing Therapy in AOD Services Through Transition to a Peer-Supervised Community of Practice | Lives Lived Well |
| 55 | Clinical Research | Nicholas Kerswell | Co-Producing a Lived-Experience Adaptation of the S-UPPS-P Impulsivity Measure for Australian AOD Treatment | Lives Lived Well |
| 56 | Models of Care and Programs | Nicola Tate and Amy Kinsella | Co-presenter: Is there a role for spirituality in AOD treatment: findings from the Model of Care evaluation. | The Salvation Army |
| 58 | Epidemiology and Public Health | Oisin Stronach | Opioid and methamphetamine-related deaths following release from custody in New South Wales and Victoria, 2009–2021: A record linkage study | Burnet Institute |
| 59 | Epidemiology and Public Health | Paige Webb | Factors Associated With Adult Incarceration Among People With Opioid Use Disorder in New South Wales, Australia | NDARC, UNSW |
| 60 | Models of Care and Programs | Rebecca McKetin | Preferences for smartphone versus in-person delivery of contingency management: a web-based survey of Australians who use methamphetamine | NDARC |
| 61 | Clinical Research | Sandra Kuntsche | Family-inclusive approaches in the context of a dual diagnosis: a systematic review of relational and individual wellbeing outcomes | La Trobe University |
| 62 | Models of Care and Programs | Scott Drummond | From Isolated Data to Sector Intelligence: Building an Integrated Learning System for Victorian AOD Services | VAADA |
| 63 | Poster Tour 2 | W. Leigh Atherton | Screening, Brief Intervention, Referral to Treatment for Early Recovery Opioid Use | East Carolina University |
| 64 | Poster Tour 2 | Sara Holton | SAPPHIRE Clinic: an innovative multidisciplinary model of pregnancy care for women who use drugs | Western Health |

| | | | | |
|---|---|---|---|---|
| 65 | Poster Tour 2 | Kirrilly Thompson | Jurisdictional differences in training and registration requirements for Medication Assisted Treatment for Opioid Dependence: A review of publicly available documents | NCETA |
| 66 | Poster Tour 2 | Samuel Lawson | Rewriting the record: Leveraging a unified digital patient record to transform clinical outcomes and research in public alcohol and other drug services | Hunter New England Local Health District, Drug and Alcohol Clinical Services |
| 67 | Poster Tour 2 | James Poole | ODT in the ACT: Frontline Perspectives from the CAHMA Peer Treatment Support Service | CAHMA - Canberra Alliance for Harm Minimisation and Advocacy |
| 68 | Poster Tour 2 | Sandra Sunjic | Getting the truth about our drug and alcohol and mental health services from people who access both, informs improved collaboration between services. | Drug & Alcohol Service, SESLHD |
| 69 | Social Science & Policy Research | Shamsi Shekari Soleimanloo | Is a Two-Tier Drug-Driving Enforcement Cost-Effective? An Ex-Ante Queensland Evaluation | The University Of Queensland |
| 70 | Poster Tour 4 | Kirrilly Thompson | Preparing Social Workers for AOD-Related Practice: Reflections on Early-Career Challenges and Capability Needs | NCETA |
| 71 | Poster Tour 4 | Sally Boardman | Comorbidity Guidelines workforce training: Building capacity of NSW Health AOD workforce in relation to mental health. | University of Sydney |
| 72 | Poster Tour 4 | Zalehah Turner | Designing a cross-disciplinary language guide to reduce stigma in healthcare: a lived and living experience approach | St Vincent's Hospital |
| 73 | Poster Tour 4 | Brett Hodges | Built by Peers, for Peers: The impact of peer design on an e-Learning module 'Boundaries in AOD peer work practice' | Insight - Queensland Health |
| 74 | Poster Tour 1 | Jessica Daniels | Big Distance, Bigger Impact: Implementing Creative Youth Prevention Activities in the Wheatbelt | Holyoake |
| 75 | Poster Tour 1 | Laura Robinson | Alcohol-related harm, psychological distress, and coercive control among young Australians | School of Psychology, UOW |
| 76 | Poster Tour 1 | Daniel Stjepanović | Lost in the vapour: Denial of dependence among adolescent e-cigarette users | The University Of Queensland |
| 77 | Poster Tour 1 | Amanda Brown | Development of an Australian E-cigarette Picture Set to aid Neurocognitive Research | Hunter New England Local Health District, Drug and Alcohol Clinical Services |
| 78 | Poster Tour 1 | Erin Lalor | Know the Score: Building sporting club capacity to prevent vaping harms in young people | Alcohol and Drug Foundation |
| 79 | Social Science & Policy Research | Shamsi Shekari Soleimanloo | Driving Impairment under the Influence of Illicit Drugs and Prescription Medications: Preliminary Multi-Site Driving-Simulator Findings | The University Of Queensland |
| 80 | Social Science & Policy Research | Shamsi Shekari Soleimanloo | Comparing Roadside Drug and Alcohol Enforcement Outcomes in Queensland | The University Of Queensland |
| 81 | Epidemiology and Public Health | Stassi Kypri | Reporting on drug alerts issued in Australia for 2025 | The National Centre for Clinical Research on Emerging Drugs |
| 82 | Models of Care and Programs | Tam Tran | Strengthening a National Alcohol and Other Drugs Model of Care: Evidence, Culture and Integration | The Salvation Army |
| 83 | Epidemiology and Public Health | Tara Alcorn | Characteristics associated with homelessness among people entering alcohol and other drug treatment | The University Of Queensland |
| 84 | Clinical Research | Thileepan Naren | Consumer and clinician perspectives of a hospital-based needle and syringe program: a qualitative study | Western Health |
| 85 | Clinical Research | Tianze Sun | Does tailoring improve smoking cessation? A systematic review and meta-analysis of tailored print and digital smoking cessation materials | The University Of Queensland |
| 88 | Epidemiology and Public Health | Yae Jee Baek | HIV risk and the need for pre-exposure prophylaxis among people who inject drugs in South Korea: a qualitative study | Soonchunhyang Unviersity |
| 89 | Social Science & Policy Research | Yvonne Samuel | Crisis-proofing communities: How people who use/d drugs adapt to climate and health emergencies | AIVL |

| | | | | |
|---|---|---|---|---|
| 90 | Models of Care and Programs | Elizabeth Elliott | Reaching the Unreached: Referral Patterns, Vulnerability and Clinical Complexity in a Multi Site Rural FASD Outreach Assessment Model | Children Westmead Hospital |
| **91** | **Poster Listing** | | | |
