

TIPS AND TRICKS FOR DIFFICULT INSERTIONS AND REMOVALS OF IUDS AND CONTRACEPTIVE IMPLANTS

Christine Roke¹, Beth Messenger²

¹ Medical Practitioner, Family Planning New Zealand,

² National Medical Adviser, Family Planning New Zealand

This session will highlight a practical approach to difficult IUD and contraceptive implant device insertion and removal. It will include how to remove Jaydelle® and Implanon® devices, as well as how to manage difficult copper and progestogen-containing IUD insertions.
