

2019 PROGRAM - AUSTRALASIAN SEXUAL HEALTH CONFERENCE

Monday 16 September 2019

7.30	REGISTRATION OPENS							
8.30 - 10.30	SH Conference Opening Plenary							
	Room: Riverside Theatre							
	Chairs: Meredith Temple-Smith and Lewis Marshall							
	8.35 - 8.40	Welcome to Country Ingrid Cumming						
	8.40 - 9.00	ASHA Welcome Nicholas Medland						
	9.00 - 9.30	Putting Contraception into Maternity Care Sharon Cameron, Consultant Gynaecologist, Chalmers Centre and the Royal Infirmary of Edinburgh and Professor (Hon) University of Edinburgh, UK						
	9.30 - 10.00	ASHA Oration Presented by the ASHA Distinguished Services Awardee, Associate Professor Jane Tomnay, Director of the Centre for Excellence in Rural Sexual Health (CERSH)						
10.00 - 10.30	Gonorrhoea: From Les Clapiers to our clinics, a Sisyphian challenge David Speers, ID Physician, Sir Charles Gairdner Hospital, Chair of Microbiology, PathWest Laboratory Medicine WA and Clinical Associate Professor for the Department of Medicine, University of WA, Australia							
10.30 - 11.00	Morning Tea - Exhibition Hall, Bellevue Ballroom 1							
11.00 - 12.30	SH Symposium 1: Access, Equity and Integration: Meeting the Reproductive Health Needs of People across Australia and New Zealand: A Call for Action		SH Symposium 2: Gonorrhoea antimicrobial resistance and resistance testing in practice		SH Symposium 3: Young People's Sexual Health: Findings from the 6th National Survey of Secondary Students and Adolescent Sexual Health (2018)		Affiliated Org. Satellite Session: WA Syphilis Symposium: The Outbreaks - The Response	
	Room: Riverside Theatre		Room: Riverview Room 4		Room: Meeting Room 3		Room: Meeting Room 2	
	Chairs: Alison Creagh and Elena Donaghy		Chairs: Louise Causer and David Speers		Chairs: Christy Newman and Bonney Corbin		Chairs: Marianne Wood and Brett Walley	
	11.00 - 11.15	Reproductive and sexual health: taking an integrated approach Deborah Bateson, Medical Director, Family Planning NSW	11.00 - 11.20	Molecular epidemiology of antibiotic resistance in gonorrhoea and its role in gonorrhoea control Deborah Williamson, Clinical Microbiologist, Deputy Director of the Microbiological Diagnostic Unit Public Health Laboratory	11.00 - 11.05	Introduction to the 6th National Survey: Background, Methods, Participants Graham Brown, Senior Research Fellow, ARCSHS, La Trobe University, Melbourne	11.00 - 11.15	WA Syphilis Epidemiology Dr Clare Huppatz, Senior Medical Advisor, WA Department Of Health
	11.15 - 11.30	Barriers and access to contraception and abortion services for marginalised and homeless populations Anna Chaney, General Practitioner, Homeless Healthcare	11.20 - 11.40	Molecular testing for gonorrhoea resistance and its role in gonorrhoea control Cameron Buckley, Phd Student, University Of Queensland Centre For Clinical Research	11.05 - 11.20	Secondary Student Sexual Health Knowledge Rosalind Bellamy, Research Assistant, ARCSHS, La Trobe University, Melbourne	11.15 - 11.30	Syphilis in WA - A Tale of Three Regional Outbreaks Paul Armstrong, Director, WA Communicable Disease Control Directorate
	11.30 - 11.45	Specific models of integration which have worked to increase equity and access to contraception and abortion care Sharon Cameron, Consultant, University Of Edinburgh and NHS Lothian	11.40 - 12.00	Changes to guidelines for treatment of gonorrhoea and their role in gonorrhoea control David Lewis, Director, Western Sydney Sexual Health Centre	11.20 - 11.35	Secondary Student Sexual Health Behaviours Christopher Fisher, Principal Research Fellow, ARCSHS, La Trobe University, Melbourne	11.30 - 11.45	Management of a Newborn Infant Following the Mother Being Treated for Infectious Syphilis Six Days Earlier Andrew Savery, Regional Paediatrician, Hedland Health Campus
	11.45 - 12.00	Reproductive coercion and intimate partner violence Richelle Douglas, Medical Director, Sexual Health Quarters			11.35 - 11.50	Secondary Student Sexual Health Educational Experiences Paulina Ezer, Phd Candidate, ARCSHS, La Trobe University, Melbourne	11.45 - 12.00	Syphilis in Gay/MSM in WA – Epidemiology & Emergent Trends Garry Kuchel, Clinical Nurse Consultant, M Clinic, WA AIDS Council
	12.00 - 12.15	From 0 to 73% in 12 months: rapid uptake of early medical abortions in the Northern Territory Jacqueline Murdoch, Medical Director, Family Planning and Welfare Association Northern Territory	12.00 - 12.15	Prevalence and Characteristics of Gonococcal Infections with Resistance to Azithromycin in New South Wales, January 2018-March 2019 Jana Sinsowski, Epidemiologist Communicable Diseases Branch, Health Protection, NSW, NSW Health	11.50 - 12.15	Panel Response Sarah Thistle, General Manager Education and Training, Family Planning Victoria Kai Schweizer, Sexual Health Educator, Youth Educating Peers Project, Western Australia	12.00 - 12.15	A Third Wave: Infectious Syphilis in Hetrosexual People in Metropolitan Perth, Western Australia Donna Mak, Public Health Physician, WA Department of Health
	12.15 - 12.30	Panel Discussion	12.15 - 12.30	Panel Discussion	12.15 - 12.30	Q&A	12.15 - 12.30	Q&A
12.30 - 1.30	Lunch - Exhibition Hall, Bellevue Ballroom 1							
12.45 - 1.30	AChSHM Fellows' Update Meeting Room 11							
12.45 - 1.15	Poster Tour: Prevention, Epidemiology and Health Promotion SH Posters Facilitator: Allison Carter							
	Improving Engagement with High-Risk Young Males at a Heavy Metal Music Festival: An Adaptation of The NSW Down to Test STI Prevention Behaviour Change Program - Marty Janssen, Program Manager, NSW STI Programs Unit							
	Providing Relationships & Sexuality Education at a Whole-School Level: A Multi-Site Case Study in Action - Jacqueline Hendricks, Senior Research Officer/Lecturer, Curtin University							
	Inconsistent Condom Use for Fellatio Among Female Sex Workers in Northern Sydney - Casey Lee, Senior Health education Officer, Northern Sydney Sexual Health Service							
	Molecular Epidemiology of Gonorrhoea in Western Australia - Carolien Giele, Epidemiologist, Department Of Health							
Two Good Reasons: Dual Protection Among Users of Long- Acting Contraception and Users of Oral Contraception: Findings From The Second Australian Study of Health And Relationships - Lucy Watchirs Smith								
	SH Symposium 4: Sexuality, Education and Youth: New Directions, New Priorities?		SH Proffered Papers 1 Clinical management and Therapeutics - MGEN Symposium		SH Proffered Papers 2 Prevention, Epidemiology and Health Promotion - What is needed to reduce STIs?		SH Proffered Papers 3 Social, Political and Cultural Aspects	

2019 PROGRAM - AUSTRALASIAN SEXUAL HEALTH CONFERENCE

Monday 16 September 2019

	Room: Meeting Room 3	Room: Riverview Room 4	Room: Riverside Theatre	Room: Meeting Room 2			
	Chairs: Chisty Newman and Kirstine Hand	Chairs: Massimo Giola and Sally Murray	Chairs: Jane Hocking and Donna Mak	Chairs: Sarah Thistle and Stephen Bell			
1.30 - 1.50	Sexual and gender diversity among youth – new directions and new priorities Rob Cover, School of Social Sciences, The University of Western Australia	1.30 - 1.50	The clinical role of Mycoplasma genitalium infection: reflections on an emerging STI David Lewis, Director, Western Sydney Sexual Health Centre	1.30 - 1.45	“She Seemed Very Clean To Me ...”: Risk Perceptions, Misperceptions And Sexual Behaviours Among Young Heterosexual People With Gonorrhoea In Perth, Western Australia Roanna Lobo, Senior Research Fellow, Curtin University	1.30 - 1.45	Upskilling the Workforce about the Double Taboo - Sexuality and Disability Jordina Quain, Project Officer, Sexuality Education Counselling & Consultancy Agency Inc
1.50 - 2.02	Sexual and gender diversity among youth: implications for education Jenny Walsh, Education and Health Promotion Advisor, Family Planning Victoria	1.50 - 2.10	Mycoplasma genitalium: Emergence of antimicrobial resistance and new diagnostic and treatment strategies Catriona Bradshaw, Staff Specialist, Melbourne Sexual Health Centre	1.45 - 2.00	Sexual Practices and Healthcare Use Of Men Who Have Sex With Men Only And Men Who Have Sex With Men And Women – A Qualitative Comparison Tom Smarden, Intern, Melbourne School Of Population And Global Health, University Of Melbourne	1.45 - 2.00	Young Aboriginal People’s Engagement With STI Testing in the Northern Territory, Australia Stephen Bell, Senior Research Fellow, Kirby Institute for Infection and Immunity in Society
2.02 - 2.14	Sexual and gender diversity among youth: family experiences and responses Christy Newman, Associate Professor, Centre for Social Research in Health, UNSW Sydney	2.10 - 2.25	Efficacy and Tolerability of Resistance Guided Sequential Antimicrobial Therapy with Moxifloxacin for the Treatment of Mycoplasma Genitalium Infection Duygu Durukan, Phd Candidate, Monash University	2.00 - 2.15	Bacterial Load Of Chlamydia In The Oropharynx And Saliva Among Gay And Bisexual Men With Untreated Oropharyngeal Chlamydia Tiffany Phillips, Research Fellow, Melbourne Sexual Health Centre	2.00 - 2.15	Gender Incongruence and Depathologisation: Building on the Growing Social Consciousness within Sexual Health Around Gender Diversity Lena Van Hale, Manager of Magenta, Sexual Health Quarters (FPWA)
2.14 - 2.26	Sexual and gender diversity among youth: health sector responses Deborah Bateson, Medical Director, Family Planning NSW	2.25 - 2.40	Mycoplasma Genitalium: Test-Positivity in Syndromic Presentations and Compliance with Treatment Guidelines at Sydney Sexual Health Centre Rick Varma, Staff Specialist, Clinical Services, Manager, Sexual Health Physician	2.15 - 2.20	Use Of Doxycycline Prophylaxis Against STI Among Gay And Bisexual Men Taking Pre-Exposure Prophylaxis Eric Chow, Associate Professor, Melbourne Sexual Health Centre	2.15 - 2.30	Social Influences On HIV Testing Among Female Sex Workers in Three Urban Settings In Indonesia Kate Whitford, Research Officer, Kirby Institute, UNSW
2.26 - 2.34	Sexual and gender diversity among youth: youth sector response - 1 Dani Wright Toussaint, Youth Support Worker, Perth Inner City Youth Service	2.40 - 2.45	Oh MG! The Symptoms of Mycoplasma Genitalium In Women Michelle Doyle, Research Nurse, Melbourne Sexual Health Centre	2.20 - 2.25	Attitudes Towards and Use of Antibiotic Prophylaxis for Sexually Transmitted Infections in Australia; An Online Survey Vincent Cornelisse, Staff Specialist, Kirkeaton Road Centre, NSW Health	2.30 - 2.45	‘A Body I Am Comfortable With’: The Interplay of Hormones And Sex For Trans and Gender Diverse People Liz Duck-Chong, Self Employed
2.34 - 2.44	Access to Medical and Mental Health Care for Trans Young People in Australia: Findings from Trans Pathways Ashleigh Lin, Telethon Kids Institute	2.45 - 2.50	A case of multi-drug resistant Mycoplasma Genitalium and the current therapeutic challenges Joanne Peel, Sexual Health Registrar, Melbourne Sexual Health Centre	2.25 - 2.30	Discussion	2.45 - 2.50	“The Problem Is Sexual Health Stuff...It’s Hard to Find A Spot For Everyone”: Gender Variant And Sexually Diverse Young People’s Experiences Of (Sexual) Health Services Lisa Fitzgerald, Senior Lecturer, University Of Queensland
2.44 - 3.00	Discussion	2.50 - 3.00	Discussion	2.30 - 2.45	Low Prevalence of High-Risk Anal HPV in Young Gay and Bisexual Males After The Universal HPV Vaccination Program in Australia Eric Chow, Associate Professor, Melbourne Sexual Health Centre	2.50 - 2.55	Integrated Menstrual Health Programming in Asia And The Pacific Michelle Laws, Regional Programme Manager Marie Stopes International
				2.45 - 3.00	Increasing HPV Vaccination Completion In WA Schools: A Formative Study Sharyn Burns, Associate Professor Health Promotion, Curtin University	2.55 - 3.00	Evaluating Contraceptive Methods Using Peer Support From Reddit Giselle Newton, PhD Candidate, Centre For Social Research In Health, UNSW
Afternoon Tea - Exhibition Hall, Bellevue Ballroom 1							
SH Proffered Paper Plenary							
Room: Riverside Theatre							
Chairs: Deborah Bateson and Carole Khaw							
3.30 - 3.45	Sexual Disgust: Therapeutic Interventions For Disgust Based Sexual Avoidance And The Impact On Arousal, Pleasure And Sexual Health Lisa Torney, National Chairperson, Society Of Australian Sexologists

4.15 - 4.30	VITA RT-PCR, A Molecular Test For The Detection And Differentiation Of Viable And Dead Chlamydia Trachomatis Nicole Lima, University Of New South Wales; University of Technology Sydney						
6.30 - 10.30	Sexual Health Conference Dinner Fraser’s King Park						

2019 PROGRAM - AUSTRALASIAN SEXUAL HEALTH CONFERENCE AND AUSTRALASIAN HIV/AIDS CONFERENCE

Tuesday 17 September 2019

6.30 - 8.30	REGISTRATION OPEN			
7.00 - 8.30	Affiliated Org. Satellite Session: Australasian Sexual Health and HIV Nurses Association Nurses Breakfast, Supported by Gilead Room: Meeting Room 1 Beating Around the Bush – Sexual Health in the Kimberley Katy Crawford, Sexual Health Regional Coordinator, Kimberley Aboriginal Medical Services, Western Australia			
8.30 - 10.30	HIV/AIDS Opening Plenary			
	Room: Riverside Theatre			
	Chairs: Alexis Apostolellis and Penny Kenchington			
	8.30 - 8.35	Welcome to Country Aunty Marie Taylor		
	8.35 - 8.40	Committee Welcome Penny Kenchington, Nurse Practitioner, Queensland Health		
	8.40 - 8.45	ASHM Welcome Mark Bloch, Managing Partner, Holdsworth House Medical Practice		
	8.45 - 8.50	NAPWAH Welcome Sarah Feagan, Community Advocate, NAPWAH		
	8.50 - 8.55	AFAO Welcome Darryl O'Donnell, Chief Executive Officer, Australian Federation of AIDS Organisations		
8.55 - 9.25	More than science: Ensuring we leave no-one behind as we strive to end the epidemic Edwin Bernard, Global Co-ordinator, HIV Justice Network			
9.25 - 9.55	The Inaugural Australian Trans and Gender Diverse Sexual Health Survey: Barriers, Resilience, and the Impact of Trans-Led Research Shoshana Rosenberg, Sexological Researcher, Kirby Institute (UNSW) and SIREN (Curtin) & Teddy Cook, Manager, Regional Outreach Development, ACON			
9.55 - 10.25	Antiretroviral therapy and its contribution to comorbidity: myths and realities Patrick Mallon, Professor of Microbial Diseases, Head, HIV Molecular Research Group, UCD School of Medicine, Dublin, Ireland			
10.30 - 11.15	Morning Tea - Exhibition Hall, Bellevue Ballroom 1			
10.40 - 11.10	Poster Tour: Clinical management and Therapeutics Facilitator: Joanne Leamy		Poster Tour: Prevention, Epidemiology and Health Promotion HIV/AIDS - HIV/AIDS Posters Facilitator: Roana Lobo	
	#21 Changing Multimorbidity Profile of People Diagnosed With HIV Since 2012 Natalie Edmiston, Staff Specialist, North Coast Sexual Health Services		#76 HIV And Mobility in Australia: Creating a Coalition for Action - Gemma Crawford	
	#22 On-Site Dried Blood Spot Testing for Blood Borne Viruses as an Alternative to Venepuncture in Clients Attending Harm Reduction and Outreach Services Phillip Read, Director, Kirrketon Road Centre		#84 A Descriptive Study of South-East Asian-Acquired HIV Cases Among Heterosexual Men in Western Australia Byon Minas, Senior Project Officer, HIV/TB, Department Of Health	
	#31 Is It In Yet?: Increasing Access For Rural And Regional Women To Etonogestrel Implants In A Regional Community Health Service Louise Holland, Nurse Practitioner Candidate CNC, Bendigo Community Health Services		#86 PrEP Use Across Three Australian States in The Year Post Pbs Listing: Findings From The PrEP Implementation Study Kathleen Ryan, Post Doc, Alfred Health	
#39 STI Incidence and Risk Factors in HIV-Infected Adults on Antiretroviral Therapy (ART) in The PAART Study Krista J Siefried, Clinical Research Lead, National Centre for Clinical Research On Emerging Drugs		#85 Verifying Decentralized HIV Self-Testing Use and Results: A Global Systematic Review Jason Ong, Sexual Health Physician, Melbourne Sexual Health Centre		
#93 Estimating the Population Of Aboriginal and/or Torres Strait Islander Men Eligible For HIV Pre-Exposure Prophylaxis Jacqueline Stephens, Postdoctoral Research Fellow, South Australian Health and Medical Research Institute				
11.15 - 12.45	Joint Symposium 5: Culture is strength: First nations people and culturally secure Sexual Health work in Australia		SH Symposium 7: Stories From The Trenches: Meaningful Involvement of Trans & Gender Diverse Communities in the HIV response	
	Room: Riverside Theatre		Room: Riverview Room 4	
	Chairs: Amanda Sibosado and James Ward		Chair: Teddy Cook	
	11.15 - 11.20	Welcome, Overview and Welcome to Country	11.15 - 11.30	Bacterial genomics and application to STI epidemiology Deborah Williamson, Deputy Director of the Microbiological Diagnostic Unit Public Health Laboratory, Doherty Institute
	11.20 - 11.50	Culturally Secure First Nations Sexual Health Panel: Karly Ahfay, Registered Aboriginal Health Practitioner Wurli Wurlijang Health Service and Michael Brown, Sexual Health Outreach Coordinator, Wuchopperen Medical Service Ltd	11.30 - 11.45	Genomic epidemiology of Neisseria gonorrhoeae in Western Australia: insights into the circulating patterns of multi-drug resistance Charlene Kahler, Head of Division Infection and Immunity, University of Western Australia
	11.50 - 12.05	Meaningful Partnerships Jane Angliss, Syphilis Outbreak Response and STI Coordinator Ord Valley Aboriginal Health Service (OVAHS) and Kirsten Hunter, Syphilis Outbreak Response and STI Community Liaison Officer, Ord Valley Aboriginal Health Service (OVAHS)	11.45 - 12.00	HIV Molecular Epidemiology Allison Castley, PathWest Immunology
	12.05 - 12.20	Taking the lead: The benefits of having First Nations people leading sexual health Stephen Bell, Senior Research Fellow, Kirby Institute for Infection and Immunity in Society	12.00 - 12.15	Understanding the evolution of HIV using next generation sequencing technologies Silvana Gaudieri, Academic, UWA
	12.20 - 12.42	Working holistically in ATSI Sexual Health Megan Roberts, Peer education in rural and remote settings in Western Australia and Laila Walley and Rose Murray	12.15 - 12.30	Best laid plans: Community concerns about the use of HIV molecular testing Aaron Cogle, Executive Director, National Association of People with HIV Australia
12.42 - 12.45	Q&A	12.30 - 12.45	Q&A	
12.45 - 2.00	Lunch - Exhibition Hall, Bellevue Ballroom 1			
12.50 - 1.50	Early Career Lunching with the Leaders Room: Meeting Room 1		Early Career Lunching with the Leaders - Theme A/Basic Science Meeting Room: 10	
	Adeeba Kamarulzaman, Malaysia, Dean of the Faculty of Medicine, University of Malaya and an Adjunct Associate Professor at Yale University, USA Richard Parker, Columbia University, USA Jason Farley, Professor, Nurse Practitioner, Johns Hopkins University School Of Nursing, USA Sharon Cameron, Consultant, University Of Edinburgh and NHS Lothian, USA Patrick Mallon, Professor of Microbial Diseases, Head, HIV Molecular Research Group, UCD School of Medicine, Dublin, Ireland		12.50 - 1.50 Jake Estes, Professor and Division Chief, Oregon Health & Science University	
2.00 - 3.30	Joint Symposium 9: PrEP		Affiliated Org. Satellite Session: Long Acting Reversible Contraceptives (LARC): Progress in Clinical Practice. What is new in 2019? - Sexual Health Quarters Session supported by an unconditional educational grant by MSD	
	Room: Riverside Theatre		Room: Meeting Room 3	
	Chairs: Rebecca Guy and Ben Wilcock		Chairs: Richelle Douglas and Cara Taheny	
	2.00 - 2.30	Overview of PrEP response in Australasia Andrew Grulich, Head, HIV Epidemiology And Prevention Program Kirby Institute, UNSW	2.00 - 2.15	Acceptability Of The Copper Intrauterine Device As A Form Of Emergency Contraception In Australia Jessica Bothfield, Senior Research Officer, Family Planning NSW
		2.15 - 2.30	Management of LARC-related bleeding patterns and side effects Alison Creagh, Medical Educator, SHQ	
2.30 - 2.45	PrEP in the Asia/Pacific Region Benjamin Bavinton, Research Fellow, Kirby Institute, UNSW Sydney	2.30 - 2.45	From Diagnosis To Living Well With HIV: The Pivotal Role Of Peer Support Networks Olivia Hollingdrake, RN PhD Candidate, The University of Queensland	
		2.30 - 2.45	How to do with IUD issues in clinical practice? Amy Moten, Coordinator, Medical Education, SHINE SA	
			Deep Sequence Analysis Of HIV Adaptation Following Vertical Transmission Reveals The Impact Of Immune Pressure On The Evolution Of HIV Jennifer Currenti, PhD Candidate, The University Of Western Australia	
			Impact Of Viral Adaptation During Early HIV Infection On Disease Outcome Eric Alves, Student, University Of Western Australia	
			Sensory Neuropathy Affects 40% Of HIV+ South Africans Despite Safer Treatments And 46% Of Risk In This Group Can Be Predicted By One Genotype Plus Demographic Factors! Jessica Gaff, PhD Student, Curtin University	
			Bisexual Men Living With HIV: Health, Connectedness And The Impact Of Stigma Stephanie Amir, Research Officer, La Trobe University	
			Factors Influencing Sexual And Reproductive Health Of Women Living With HIV In Banten Province Indonesia: A Mixed-Methods Study Dyah Julastuti, PhD Student, School of Public Health, The University Of Queensland	
			Experiences Of HIV Diagnosis: Emotion Work In The Clinical Encounter, And The Pursuit Of Undetectable Viral Load Dean Murphy, Research Fellow, Kirby Institute, UNSW Sydney	

2019 PROGRAM - AUSTRALASIAN SEXUAL HEALTH CONFERENCE AND AUSTRALASIAN HIV&AIDS CONFERENCE

Tuesday 17 September 2019

2.45 - 3.00	Current Australian Guidelines Vincent Cornelisse, Staff Specialist, Kirketon Road Centre, NSW Health	2.45 - 2.50	Peer Navigation: A Peer-Based Approach In High HIV Caseload Setting(s) Aashvin Jeevan, Peer Navigator, Living Positive Victoria	2.40 - 2.50	Part 1: Current issues around Contraceptive implants: New sites, Evidence Suzanne Pearson, Senior Medical Education Officer Family Planning Victoria Inc and Deborah Bateson, Medical Director Family Planning NSW, Australia	2.45 - 3.00	Small Fiber Neuropathy In HIV-Sensory Neuropathy Ahmad Yanuar Safril, PhD Candidate, Cipto Mangunkusumo General Hospital - Universitas Indonesia	2.45 - 3.00	Stigma, Equity And Choice: Decision-Making In The Context Of Infant Feeding By HIV-Positive Mothers Donatella Cifali, Senior Social Worker, Multicultural HIV And Hepatitis Service
3.00 - 3.10	Consumer Perspective Steve Spencer, Community Advocate, NAPWA	2.50 - 3.05	Outcomes Of Young Deadly Free: Australias Largest STI Health Promotion Campaign For Remote Australia Amanda Sibosado, Resource Development Coordinator, SA Health & Medical Research Institute	2.50 - 3.00	Part 2: Challenging clinical scenarios Kathy McNamee, Medial Director, Family Planning Victoria Inc	3.00 - 3.15	Inhibitory Role Of Serum IGA Upon FC Functions In HIV Infection And Anti-HIV Broadly Neutralizing Antibodies Amy Chung, Laboratory Head, University of Melbourne, Doherty Institute	3.00 - 3.05	Biomedical HIV Prevention, Sexual Pleasure And Intimacy Nathanael Wells, Phd Candidate, Monash University
		3.05 - 3.15	Young Deadly Free Youth Peer Education Program For Young People Living In Remote And Very Remote Aboriginal Communities Belinda D'Costa, Research Officer, Curtin University	3.00 - 3.30	Panel Discussion	3.15 - 3.30	Neurotoxicity With High Dose Disulfiram And Vorinostat Used For Latency Reversal James McMahon, ID Physician, Alfred Hospital - Infectious Diseases Unit	3.05 - 3.10	Polygyny, Serodiscordance And HIV Risk In Papua New Guinea: A Qualitative Exploration Asha Persson, Senior Research Fellow, UNSW Sydney, Centre for Social Research in Health
3.10 - 3.30	Panel Discussion Ben Wilcock, Steve Spencer, Andrew Grulick, Benjamin Bavinton, Vincent Cornelisse, Rebecca Guy	3.15 - 3.30	CheckOUT: beyond business as usual for STI, HIV and Cervical Screening Karen Price, Deputy CEO, ACON					3.10 - 3.15	Caring Masculinities In The Context Of HIV Serodiscordant Relationships In Papua New Guinea Elke Mitchell, Research Fellow, Kirby Institute, UNSW Sydney
3.15 - 3.30								3.15 - 3.30	Q&A
3.30 - 4.00	Afternoon Tea - Exhibition Hall								
Joint Symposia 11: National Strategies		Sexual Health Symposium 12: Syphilis: An outbreak in Aboriginal and Torres Strait Islander communities		HIV&AIDS Symposium 13: HIV Treatment Guidelines session		HIV&AIDS Symposium 14: HTLV-1		Affiliated Org. Satellite Session: ASHM International: Stigma and discrimination; overcoming barriers to healthcare in our region Session supported by an unconditional educational grant by Mylan	
Room: Riverview Room 4		Room: Riverside Theatre		Room: Meeting Room 3		Room: Meeting Room 2		Room: Meeting Room 1	
Chairs: L		Chairs: Catherine O'Connor and Dawn Casey		Chairs: James McMahon		Chairs: Marisa Gilles and Charles Gilks		Chairs: Jules Kim and Brent Allan	
4.00 - 4.20	Update on the national strategies and implementation Rebecca Newton, Director, Blood Borne Viruses, Sexually Transmissible Infections and Torres Strait Health, Australian Government Department of Health	4.00 - 4.10	The Outbreak: Epidemiology Nathan Ryder, Clinical Director Sexual Health, Hunter New England Local Health District	4.00 - 4.20	Update on HIV, ageing and multi-morbidity Paddy Mallon, Professor of Microbial Diseases, Head, HIV Molecular Research Group, UCD School of Medicine, Dublin	4.00 - 4.20	The clinical impact of infection with the Human T cell Leukaemia Virus subtype C in central Australia Lloyd Einsiedel, Executive Director Central Australia, Baker Institute	4.00 - 4.15	The Global Compact on Stigma & Discrimination Brent Allan, Senior Advisor ICASO & ASHM and Jules Kim, CEO, Scarlet Alliance, Australian Sex Workers Association & President, APNSW & Member of UNAIDS PCB
		4.10 - 4.25	Overview: clinical challenges and innovation across Australia at ACHOS Dawn Casey, Deputy Chief Executive Officer, National Aboriginal Community Controlled Health Organisation						
4.20 - 4.40	Community organisations response to the strategies Darryl O'Donnell, Chief Executive Officer, Australian Federation of AIDS Organisations	4.25 - 4.35	Overview: clinical challenges and innovation across Australia at Sexual Health & Public Health Services Arun Menon, Clinical Director, Townsville Sexual Health Service	4.20 - 4.40	What is known about weight gain on INSTI-based regimens? Jennifer Hoy, Director of HIV Medicine, Alfred Hospital	4.20 - 4.40	Investigating Preventative and Therapeutic Intervention Strategies Against Human T-Leukaemia Virus 1 (HTLV-1) In a Humanised Mouse Model of Infection James Cooney, PhD student, Pellegrini Lab, Infection and Immunity Division, The Walter and Eliza Hall Institute	4.15 - 4.45	The impact of HIV transmission laws on stigma & discrimination: global and regional perspectives Edwin Bernard, Director of HIV Justice Network and Professor Adeeba Kamarulzaman, Dean, Faculty of Medicine, The University of Malaya & President-Elect, IAS
		4.35 - 4.45	The policy challenges and innovation across Australia Lucas De Toca, Assistant Secretary, Health Plan, Early Years and Engagement, Indigenous Health Division, Australian Government Department of Health						
4.40 - 5.00	Challenges and oportunities rolling out PNG's National Hiv strategy Dr Penial Boas, Acting Program Manager, National STI/HIV AIDS Program	4.45 - 4.55	The Campaign: Young Deadly Syphilis Free Amanda Sibosado, Resource Development Coordinator, SA Health & Medical Research Institute	4.40 - 5.00	Update on 2 Drug Regimens Mark Boyd, Chair Of Medicine, University Of Adelaide	4.40 - 5.00	Novel aspects of the Australian HTLV-1c strains. Damian Purcell, Professor of Virology, University of Melbourne, and Theme Leader for viral infectious diseases at the Doherty Institute.	4.45 - 5.15	Country Challenges Papua New Guinea Dr Janet Gare, PNG IMR & Janet Sangopa, President, Igat Hope Timor Leste Dr Sheena Viegas, National AIDS Program Manager & Ines Lopez Executive Director, Estrela+ Singapore Dr. Sophia Archuleta, Senior Consultant, NUHS & National AIDS Program, Singapore
5.00 - 5.20	Overview key research questions for guide and monitor implementation of the strategies Rebecca Guy, Professor and Program Head, Kirby Institute, UNSW Sydney	4.55 - 5.10	An overview of the response James Ward, Head, Infectious Diseases Research Aboriginal Health, SAHMRI	5.00 - 5.30	Interactive case presentations with discussion	5.00 - 5.20	The Impact of World Health Organisation HTLV-1 Open Letter Fabiola Martin, Head Of Md Program Admissions, Medicine, School Of Public Health, University Of Queensland		
5.20 - 5.30	Q&A	5.10 - 5.30	Panel Discussion			5.20 - 5.30	Q&A	5.15 - 5.30	Q&A
5.30 - 6.30	Wine and Cheese Networking Reception								
7.00 - 9.00	Time 2 Reimagine HIV Treatment - Offsite Educational Satellite Session Supported by ViiV Healthcare Venue: Zafferanos								

2019 PROGRAM - AUSTRALASIAN SEXUAL HEALTH CONFERENCE AND AUSTRALASIAN HIV/AIDS CONFERENCE

Wednesday 18 September 2019

6.30am REGISTRATION OPENS											
7.00 - 8.30	Case Presentation Breakfast				FAMSACA Breakfast						
	Room: Meeting Room 1				Chairs: Kim Farrington						
	Chairs: David Nolan and Christina Chang				Room: Meeting Room 2						
	7.15 - 7.25	HIV Denialism Freya Langham, ID Registrar, Alfred Health			7.00 - 7.20	HIV Dilemmas in the Custodial Setting: Kim Farrington, Senior Forensic Practitioner, SARC, Women's and Newborn Health Service					
	7.25 - 7.45	Diagnosing Lymphogranuloma Venereum: A Man Taking HIV Pre-Exposure Prophylaxis Presenting With Penile Ulceration And Inguinal Syndrome Nicholas Comminos, Advanced Trainee Sexual Health Medicine, Sydney Sexual Health Centre			7.20 - 7.40	Non-Fatal Strangulation- the hidden dangers Maire Kelly, Head of Clinical Forensic Medicine, SARC					
	7.45 - 8.05	Severe Malaria And Haemophagocytosis As First Presentation Of HIV In An Older Fly-In Fly-Out Worker Timothy Whitmore, Advanced Trainee in Infectious Diseases, Fiona Stanley Hospital			7.40 - 8.00	Sexual Assault Response Team - SART™ – a collaborative approach to the management of sexual assault in a rural city Penny Kenchington, Nurse Practitioner, Queensland Health					
8.05 - 8.25	A Rash Diagnosis Arindam Chakravorty, Infectious Diseases Registrar, Royal Perth Hospital			8.00 - 8.20	Sexual Assault: Is pornography impacting what we see? Kim Farrington, Senior Forensic Practitioner, SARC, Women's and Newborn Health Service						
8.25 - 8.30	Q&A			8.20 - 8.30	Q&A						
8.45 - 10.35	Joint Conference Plenary										
	Room: Riverside Theatre										
	Chairs: Lisa Bastian and Brett Walley										
	8.45 - 9.00	The Levinia Crooks Emerging Leader Award in Blood Borne Viruses and STIs									
	9.00 - 9.05	Government Welcome The Hon Roger Cook, Minister for Health and Deputy Premier of Western Australia									
	9.05 - 9.35	Indigenising interventions to impact STI inequality among First Nations Peoples of Australia Associate Professor James Ward, Head, Infectious Diseases Research Program, Aboriginal Health, South Australian Health and Medical Research Institute									
9.35 - 10.05	The Changing Social and Political Determinants of Sexual Health and HIV Professor Richard Parker, Columbia University										
10.05 - 10.35	The 'leap' of mHealth: Bridging Access, Linkage, and Engagement for PrEP, HIV and TB Jason Farley, Professor, Nurse Practitioner, Johns Hopkins University School of Nursing										
10.35 - 11.00 Morning Tea - Exhibition Hall											
11.00 - 12.30	SH Proffered Paper Session 7: Prevention, Epidemiology and Health Promotion - HIV/STI testing; where are how?			Joint Proffered Paper Session 8: PrEP			SH Proffered Papers 9: Clinical management and Therapeutics - Who to Treat, When to Treat			HIV/AIDS Symposium 15: Long Term Impact of HIV	
	Room: Riverside Theatre			Room: Riverview Room 4			Room: Meeting Room 3			Room: Meeting Room 2	
	Chairs: Donna Mak and Vincent Cornelisse			Chairs: Judith Dean and Jason Farley			Chairs: Penny Kenchington and Melinda Hassall			Chairs: Melissa Warner and Robert Mitchell	
	11.00 - 11.15	Is Chlamydia Testing In General Practice Sustained When Financial Incentives Or Audit+Feedback Are Removed: A Cluster RCT Jane Hocking, Head, Sexual Health Unit, University of Melbourne		11.00 - 11.15	National Prep Cascade For Australian Gay And Bisexual Men And Analysis Of Factors Influencing Uptake: Results From The Gay Community Periodic Surveys, 2014-18 Martin Holt, Professor, UNSW Sydney		11.00 - 11.15	Presumptive Treatment For Chlamydia And Gonorrhoea In Remote Aboriginal Health Services Kirstine Smith, Research Fellow, Kirby Institute, UNSW Sydney		11.00 - 11.15	The clinical management of co-morbidities, treatment complexities in Treatment experienced patients Jennifer Hoy, Director of HIV Medicine, Alfred Hospital
	11.15 - 11.30	Reaching High Risk Young People With STI Prevention Digital Communications: The NSW Play Safe Campaign Experience Marty Janssen, Program Manager, NSW STI Programs Unit		11.15 - 11.20	Willingness To Use PrEP And Concern About Using It Plateaus Among Australian Gay And Bisexual Men As Prep Use Rises: Results Of The Prepare Project, 2015-19 Martin Holt, Professor, UNSW Sydney		11.15 - 11.30	Routine Treatment Of Chlamydia And Gonorrhoea Sexual Contacts Attending Sexual Health Services: Is Immediate Treatment Necessary? Linda Garton, CNC, RPA Sexual Health		11.15 - 11.30	Living Longer and Ageing with HIV : The New Frontier John Rule, Senior Research Manager, National Association of People living with HIV and holds a Conjoint Associate Lecturing Position with the School of Public Medicine, Faculty of Medicine, University of New South Wales.
				11.20 - 11.35	HIV Cases Hit 15-Year Low In Western Australia (WA): HIV Trends In The Modern Antiretroviral Therapy (ART) Era Byron Minas, Senior Project Officer, HIV/TB, Department of Health						
	11.30 - 11.45	Promoting Sexual Health To Young People Via An Integrated Social Marketing Campaign Elizabeth Tyndall		11.35 - 11.40	Who Aren't We Reaching? Measuring Gaps In Prep Uptake In Gay And Bisexual Men (GBM) At High HIV Risk Using The Access Sentinel Surveillance System Prital Patel, Research Fellow, Kirby Institute, UNSW Sydney		11.30 - 11.45	Neisseria Gonorrhoea Positivity In Clients Presenting As Asymptomatic Contacts Of Gonorrhoea At A Sexual Health Centre Rosaling Foster, Staff Specialist Sexual Health, Sydney Sexual Health Centre		11.30 - 11.45	What are the service needs for PLHIV Nicholas Lawson, CEO, Bobby Goldsmith Foundation
				11.40 - 11.45	Pre-Exposure Prophylaxis Use And Knowledge In Young Men Who Have Sex With Men In New Zealand Jacek Kolodziej, Scientific Officer, New Zealand AIDS Foundation						
	11.45 - 12.00	Does Access To HIV Self-Testing (HIVST) Sustain Higher Levels Of HIV Testing In High-Risk MSM: Findings From A Wait-List Randomised Controlled Trial (Forth) Ye Zhang, Scientia PhD Student, Kirby Institute, UNSW Sydney		11.45 - 11.50	Q&A		11.45 - 12.00	To Treat Or Not To Treat: The Influence Of Staff Beliefs On Clinical Practice Jane Shapiro, Advanced Trainee, Western Sydney Sexual Health Centre		11.45 - 12.00	"Is It HIV Or Just Old Age?" Uncertainties Of "Successful" Ageing With HIV Lisa Fitzgerald, Senior Lecturer, University Of Queensland
				11.50 - 11.55	Gay Men's Relationship Agreements In The Era Of Pre-Exposure Prophylaxis: An Analysis Of Australian Behavioural Surveillance Data James MacGibbon, Research Officer, PhD Candidate, Centre For Social Research In Health, UNSW Sydney						
				11.55 - 12.00	What Are Australian Gay And Bisexual Men's Overall Attitudes Towards PrEP? Adam Bourne, Associate Professor, Australian Research Centre In Sex, Health And Society						
	12.00 - 12.15	Implications Of HIV Self-Testing For Frequent STI Testing Among Australian Gay, Bisexual And Other Men Who Have Sex With Men: Results From A Cross-Sectional Survey David Leltinger, Phd Student, Burnet Institute		12.00 - 12.05	Optics. Observing Prep's Transition Into The Community Setting, What Does It Look Like A Year On? Phillip Read, Director, Kirketon Road Centre		12.00 - 12.15	Patient Delivered Partner Therapy – Could This Be An Option Within Routine Partner Management For Chlamydia In Australia? Jane Goller, Research Fellow, University Of Melbourne		12.00 - 12.15	POZQOL Implementation Trial - Incorporating A Quality Of Life Scale For PLHIV Into Day To Day Clinical And Community Practice Graham Brown, Senior Research Fellow, ARCSHS, La Trobe University, Melbourne
12.05 - 12.10				Reasons And Predictors Of PrEP Cessation Or Interruption Among Victorian, South Australian, And Tasmanian PrEPX Study Participants Kathleen Ryan, Post Doc, Burnet Institute							
12.10 - 12.15				Delayed HIV-1 Seroconversion In An Individual Receiving Pre-Exposure Prophylaxis (PrEP) – A Case Study Leon McNally, Senior Supervising Scientist, St Vincent's Hospital, Sydney							
12.15 - 12.20	The Cost-Effectiveness Of Molecular Point Of Care Testing For Chlamydia And Gonorrhoea In Remote Communities Caroline Watts, Research Fellow, Kirby Institute, UNSW Sydney		12.15 - 12.20	Assessing The HIV Prevention Needs Of Young Gay And Bisexual Men In The PrEP Era: A National Analysis Of Behavioural Trends From The Gay Community Periodic Surveys Curtis Chan, Research Assistant, Centre For Social Research In Health, UNSW Sydney		12.15 - 12.20	Patient Delivered Partner Therapy For Chlamydia: Patient And Partner Acceptability Shannon Woodward, Nurse Practitioner, Canberra Sexual Health Centre		12.05 - 12.30	Identification of HIV Transmitting CD11c+ Human Epidermal Dendritic Cells Andrew Harman, Group Leader, University of Sydney	
12.20 - 12.25	Evaluation Of Reduced Pooled Urine Volume To Improve Test Sensitivity For Molecular Point-Of-Care Detection Of Chlamydia And Gonorrhoea – Preliminary Results Sara Bell, PhD Student, The University Of Queensland		12.20 - 12.30	Q&A		12.15 - 12.30	Q&A				

12.25 - 12.30	Talking Testing In Pregnancy: Improving Midwives' Skills In HIV And Hepatitis Testing Jen Johnson, Blood Borne Virus Sector Development Program Coordinator, La Trobe University		12.25 - 12.30	Q&A						
12.30 - 2.00	Lunch - Exhibition Hall, Bellevue Ballroom 1									
12.45 - 1.45	Joint KI, CSRH and AFAO HIV and STI Surveillance Briefing Meeting Room 1 (130pax theatre style)									
12.45 - 1.15	Poster Tour: Social, Political and Cultural Aspects Facilitator: Christy Newman #174 Sex on Crystal: The Diversity of Settings and Practices Related to Australian Gay and Bisexual Men's Crystal Methamphetamine Use Kerryn Drysdale, Research Fellow, Centre For Social Research In Health, Unsw #170 Young Aboriginal People and Sexual Agency: Locating Sexual Health Promotion in Lived Experiences of Risk Reduction in the Northern Territory, Australia Stephen Bell, Senior Research Fellow, Kirby Institute for Infection and Immunity in Society #182 Dissonances in Communication with Sexual Health Consumers: A Qualitative Study on the Accessibility of an Inner-Sydney Sexual Health Clinic in the Context of Health Literacy Heather McCormack, Senior Program Manager, NSW Health #188 Understanding the Views of Australian HIV Experts on Non-Specialist Prescription of HIV Pre-Exposure Prophylaxis (PrEP) Anthony Smith, Ph.D. Candidate, Centre For Social Research In Health, UNSW Sydney #189 Internet Porn, Gender, Poor Sexual Health Outcomes: How Do We Best Equip Our Young People? Jeff Turner, Sexual Health Educator, Sexual Health Quarters (FPWA)									
2.00 - 3.30	Joint Symposium 17: CALD and other marginalised communities Room: Riverside Theatre Chairs: Zhihong Gu and Roanna Lobo	SH Symposium 18: STIGMA launch session Room: Riverview Room 4 Chairs: Shih-Chi Kao and Nick Medland	HIV&AIDS Symposium 19: HIV and women across the reproductive lifespan and beyond Room: Meeting Room 3 Chairs: Anisa Cheshire and Belinda Wozencroft	HIV&AIDS Proffered papers 10: Clinical management and Therapeutics Room: Meeting Room 2 Chairs: Fiona Maple-Clark and Phillip Read	Affiliated Org. Satellite Session ASHM International: Critical Concerns for HIV Treatment & Care in Papua New Guinea - A Call to Action Session supported by an unconditional educational grant by Mylan Room: Meeting Room 1 Chairs: Nick Dala and Chad Hughes	2.00 - 2.15 "Who cares (wins)" Chris Lemoh, Physician, Monash Health	2.00 - 2.05 Acknowledge of Country What is STIGMA Shih-Chi Kao, Manager, HARP Unit, SLHD 2.05 - 2.10 The history and use of testing guidelines Chris Bourne, Head, Nsw Sti Programs Unit, Nsw Health	2.00 - 2.15 Contraception, choice and Women living with HIV Deb Bateson, Medical Director, Family Planning NSW, Australia	2.00 - 2.15 The Prevalence And Risk Of Non-Infectious Comorbidities In HIV Infected And Non-HIV Infected Males Attending General Practice In Australia Jack Herron, Advanced Trainee, Royal Prince Alfred Hospital	2.00 - 2.10 Introduction Dr Nick Dala, National AIDS Council, PNG and Chad Hughes, Burnet Institute
	2.15 - 2.30 Challenges For Research About The HIV Care And Support Needs Of PLHIV From Migrant Populations In Australia Jennifer Power, Senior Research Fellow, Australian Research Centre In Sex, Health And Society, La Trobe University	2.10 - 2.15 Why, what and how review process happened Shih-Chi Kao, Manager, HARP Unit, SLHD 2.15 - 2.30 Australian Sexually Transmissible Infection And HIV Testing Guidelines For Asymptomatic Men Who Have Sex With Men (Stigma Guideline) 2019: A Systematic Review Of The Evidence. Vincent Cornelisse, Staff Specialist Kirketon Road Centre, NSW Health and Nick Medland, Researcher Kirby Institute	2.15 - 2.30 Pregnancy and women living with HIV, current guidelines and changes Moira Wilson, Consultant Infectious Diseases Physician, Fiona Stanley Hospital, Murdoch	2.15 - 2.30 Adverse Event Data From Studies Of Initial Antiretroviral Therapy Are Under-Reported And Their Reporting Is Biased Andrew Carr, Director - HIV and Immunology Unit, St Vincent's Hospital, Sydney	2.10 - 2.20 HIV in PNG – a snapshot Peniel Boas, National AIDS Program Head, PNG Department of Health 2.20 - 2.30 Challenges to accessing HIV treatment and care - a PLHIV perspective Janet Sangopa, President of the Board of Igat Hope, PNG					
	2.30 - 2.45 Belonging And Becoming – Sexual Health Peer Education For Asian Gay Men Loc Nguyen, Community Health Promotion Officer - Young Gay Men, ACON Health	2.30 - 2.40 Outcome of Literature Review and New Guidelines Vincent Cornelisse, Staff Specialist Kirketon Road Centre, NSW Health and Nick Medland, Researcher Kirby Institute 2.40 - 2.45 Testing guidelines launch Shih-Chi Kao, Manager, HARP Unit, SLHD	2.30 - 2.45 Breastfeeding and women living with HIV Rachael Dunn, Clinical Nurse Specialist Immunology, Perth Children's Hospital	2.30 - 2.45 Rural And Remote HIV Management Service Royal Perth Hospital: A 20 Year Experience Of Providing HIV Care In The World's Largest Health Jurisdiction Allison Cain, Clinical Nurse Specialist, Royal Perth Hospital	2.30 - 2.40 Barriers to access to HIV treatment and care for the most vulnerable populations Janet Gare, PNG Institute of Medical Research 2.40 - 2.50 Health systems challenges in the delivery of HIV treatment and care in PNG John Millan, PNG Sexual Health Society					
	2.45 - 3.00 Empowering multicultural PLHIV through adaptable and flexible community-led HIV service Satrio Nindyo Istiko, Peer Navigation Team Leader, Queensland Positive People	2.45 - 3.00 Increase In HIV Testing Frequency By Australian Gay And Bisexual Men (GBM) Is Concentrated Among PrEP-Users Benjamin Bavinton, Research Fellow, Kirby Institute, UNSW Sydney	2.45 - 3.00 Research update for women living with HIV Mina John, Clinical Immunologist, Royal Perth Hospital	2.45 - 3.00 Surveillance Of HIV Drug Resistance In Victoria Nasra Higgins, BBV STI Epidemiologist, Department Of Health And Human Services	2.50 - 3.00 What we need to strengthen HIV treatment and care in clinical services in PNG Arun Menon, ASHM Senior Clinical Advisor					
	3.00 - 3.15 Medicare ineligible Report Kathy Petoumenos, Associate Professor, Kirby Institute	3.00 - 3.05 'Just Another Test': STI Testing Frequencies Of Gay And Bisexual Men In Australia Tobias Vickers, Senior Research Officer, Kirby Institute, UNSW Sydney 3.05 - 3.20 Latent Class Analysis Of Attitudes Towards STIs And STI Risk Among Gay And Bisexual Men Using PrEP Michael Traeger, Phd Student, Burnet Institute	3.00 - 3.15 Community Perspective Diane Lloyd, Community Development Worker, Peer Based Harm Reduction WA	3.00 - 3.15 Drug-Drug Interactions Identified By The Pharmacist In Prom-GP Study Alison Duncan, Clinical Pharmacist, The Alfred Hospital	3.00 - 3.30 Panel Discussion - A Call to Action Nick Dala, PNG National AIDS Council and Chad Hughes, Burnet Institute					
	3.15 - 3.30 Discussion	3.20 - 3.30 Discussion	3.15 - 3.30 Panel Discussion	3.15 - 3.20 Switch From Tenofovir Df To Raltegravir Is Not Associated With Weight Gain Over 96 Weeks Jennifer Hoy, Director Of HIV Medicine, Alfred Hospital 3.20 - 3.25 Ahead Of The Curve? Use Of Dual Antiretroviral Therapy In Clinical Practice Alison Duncan, Clinical Pharmacist, The Alfred Hospital 3.25 - 3.30 An Update To The Dried Blood Spot (DBS) Pilot – Equitable Access To HIV Testing Jo Holden, Director, Ph Strategy & Performance, NSW Ministry Of Health						
3.30 - 4.00	Afternoon Tea - Exhibition Hall									
4.00 - 5.30	SH Conference Closing Session Room: Riverside Theatre Chairs: ASHM rep TBC	HIV&AIDS Proffered papers 11: Prevention, Epidemiology and Health Promotion Room: Riverview Room 4 Chairs: Suzy Malhotra and Adam Bourne	HIV&AIDS Proffered papers 12: Social, Political and Cultural Aspects Room: Meeting Room 2 Chairs: Bruce Brew and Jennifer Hoy	HIV&AIDS Proffered papers 13: Social, Political and Cultural Aspects Room: Meeting Room 1 Chairs: Cameron Cox and Jude Byrne	4.00 - 4.30 Debate: Doxycycline should be provided for syphilis prophylaxis in those at high risk Moderator: Lewis Marshall Debaters: Basil Donovan, Program Head, Kirby Institute, UNSW Sydney and Christopher Fairley, Director, Melbourne Sexual Health	4.00 - 4.15 A New Method Of Measuring Population-Level Retention On Antiretroviral Therapy In Australia Shows Very High Rates Of Retention: 2013-2015 Nicholas Medland, Researcher, Kirby Institute 4.15 - 4.30 Early Initiation Of HIV Treatment In NSW, 2016-2018 Kwendy Cavanagh, HIV Surveillance Officer, Communicable Diseases Branch, Health Protection NSW, NSW Health	4.00 - 4.30 The role of monocytes in promoting atherosclerosis in virologically suppressed people living with HIV (PLWH) Anthony Jaworowski, Immunologist And Cell Biologist RMIT University	4.00 - 4.15 Anxiety About Criminalisation Among People Living With HIV In Australia Jennifer Power, Senior Research Fellow, Australian Research Centre In Sex, Health And Society, La Trobe University 4.15 - 4.30 Spit Happens: Results Of NAPWA'S National Audit Of Spitting Laws Aaron Cogle, Executive Director, NAPWA		
	4.30 - 4.40 Conference Wrap up	4.30 - 4.45 HIV Pre-Exposure Prophylaxis (PrEP) Uptake, Adherence, HIV Incidence, And STI Positivity In Western Australia: Primary Results From The PrEPIT-WA Trial Stefanie Vaccher, Statistician/Epidemiologist, Kirby Institute	4.30 - 5.00 Sydney study of neurocognitive loss in HIV px Bruce Brew, Consultant Neurologist, St Vincents Hospital Sydney	4.30 - 4.45 Implementing Human Rights HIV Responses Through The Decriminalisation Of Sex Work Kali Kanivale, Policy Officer, Scarlet Alliance						
	4.40 - 4.50 Awards & Prizes	4.45 - 5.00 A New National Health Service Surveillance System In Aboriginal STIs And BBVs Clare Bradley, Study Coordinator - CRE-ASH, South Australian Health and Medical Research Institute		4.45 - 5.00 Removing Barriers: An Online Learning Module For Nurses To Eliminate Stigma And Discrimination Towards People Living With Blood-Borne Viruses Shelley Kerr, Senior Project Officer, ASHM						

4.50 - 5.00	Future Conference Announcements	5.00 - 5.15	Her Rules Her Game: Our Story Katy Crawford, Sexual Health Regional Facilitator, Kimberley Aboriginal Medical Service	5.00 - 5.30	Diseases of aging assessed in a young adult cohort in Jakarta Patricia Price, Principal Research Fellow, Curtin University	5.00 - 5.15	Young + Positive: Where Are Young People Living With HIV Located On The Australian Cascade Of Care? Lisa Wojciechowski, Phd Candidate, University Of Melbourne
5.00pm	SH Conference Concludes	5.15 - 5.20	Sexual Health Knowledge, Behaviour And Health Service Use Among International MSM Students In Australia Melissa Kang, Associate Professor, University Of Technology Sydney			5.15 - 5.20	Integrated Case Management Program WA: The Rocky Road To Success Ines Bruss, Case Management Officer, Integrated Case Management Program, Department of Health WA
		5.20 - 5.25	When Worlds Collide: Engaging Asian MSM International Students In Sexual Health Services And Social Inclusion Events Tim Chen, Community Health Promotion Officer - Asian Gay Men's Project, ACON Health			5.20 - 5.25	Risk Perceptions And HIV Testing In Families Living With Mixed HIV Status Asha Persson, Senior Research Fellow, UNSW Sydney, Centre for Social Research in Health
		5.25 - 5.30	Srikandi: A Participatory Action Research Project With Women From Indonesia To Increase HIV Testing Corie Gray, Phd Student, Curtin University			5.25 - 5.30	ALLGOOD.ORG.AU: LESSONS LEARNED Karen Seager, Resources Special Projects Manager, ASHM
5.30 - 7.00	Satellite Session: NAPWHA symposium on Heads together - we can transform the region, supported by Viiv Healthcare Room: Riverview Room 4 Chair: Dr John Rule, National Research Manager, NAPWHA						
5.30 - 5.45	Introduction The CHPNG project Dr Arun Menon, Lead International Clinical Advisor at ASHM						
5.45 - 6.15	Panel: 1 On the ground JaPanel: 1 On the ground Janet Sangopa President of Igat Hope, PNG Vikas Parwani Solicitor at HIV/ AIDS Legal Centre Dr Nick Dala, Director of the National AIDS Council Secretariat (NACS) PNG Dr Sheena Viegas, HIV Program Manager, Ministry of Health, Timor-Leste						
6.15 - 6.45	Panel 2: Across the way Chad Hughes Deputy Program Director, Burnett Institute Darryl O'Donnell CEO, Australian Federation of AIDS Organisations Prof John Kaldor Program Head, Public Health Interventions Research Group, Kirby Institute						
6.45 - 7.00	Q&A						

2019 PROGRAM - AUSTRALASIAN HIV&AIDS CONFERENCE

Thursday 19 September 2019

6.30	REGISTRATION OPENS								
7.00 - 8.30	Satellite Session: NAPWHA Symposium, Not guilty! Living with HIV and the law, supported by Gilead								
	Room: Meeting Room 1								
	Chair: Paul Kidd, Activist and lawyer								
	6.45 - 7.00	Buffet Breakfast							
7.00 - 8.15	Panel Discussion Sally Cameron, Senior Policy Analyst, HIV Justice Network Edwin Bernard, writer and advocate, HIV Justice Network Lisa Bastian, Former Chair of the Commonwealth BBV and STI Subcommittee Jules Kim, CEO, Scarlet Alliance Aaron Cogle, Executive Director, NAPWHA								
	8.15 - 8.30	Q&A							
8.30 - 10.00	HIV&AIDS Plenary Session								
	Room: Riverside Theatre								
	Chairs: Nicholas Medland and Dawn Casey								
	8.30 - 9.00	Can we End AIDS in South East Asia by 2030? Adeeba Kamarulzuman, Malaysia, Dean of the Faculty of Medicine, University of Malaya and an Adjunct Associate Professor at Yale University, USA							
9.00 - 9.30	Finding HIV's Hiding Places Jacob Estes, Professor in the Vaccine and Gene Therapy Institute (VGTI) and Chief of the Division of Pathobiology & Immunology at the Oregon National Primate Research Center (ONPRC) at Oregon Health & Science University (OHSU)								
9.30 - 10.00	Block & Lock: A Pathway to Remission? Tony Kelleher, Director, Kirby Institute, UNSW Sydney								
10.00 - 10.30	Morning Tea - Exhibition Hall								
10.30 - 12.00	HIV&AIDS Symposium 21 Coinfections and OIs		HIV&AIDS Session 22 Symposium - Mobility / Migration		HIV&AIDS Proffered Papers 13 Prevention, Epidemiology and Health Promotion		Affiliated Org. Satellite Session: HIV Testing-Four ways, WA Department of Health, Communicable Disease Control Directorate Sexual Health and Blood-Borne Virus Program		
	Room: Riverside Theatre		Room: Meeting Room 3		Room: Meeting Room 2		Room: Meeting Room 1		
	Chairs: John Dyer and Claire Italiano		Chairs: Jen Johnson and Daniel Storer		Chair: Ben Bavinton and Carolyn Gillespie		Chairs: Sian Churcher and Ryan Oliver		
	10.30 - 10.50	Immune reconstitution inflammatory syndromes after commencement of antiretroviral therapy in HIV patients with severe immunodeficiency Martyn French, Emeritus Professor, UWA Medical School and School of Biomedical Sciences, Faculty of Health and Medical Sciences, University of Western Australia		10.30 - 10.45	Treatment and PrEP for migrant/ mobile populations: What are the emerging issues around Treatment, PrEP acceptability, including understandings around accessing treatment and initiating PrEP among these key priority populations? Nick Medland, Researcher, Kirby Institute		10.30 - 10.45	Sustained, Low Prevalence Of Undiagnosed HIV Among Gay And Bisexual Men In Sydney, New South Wales (NSW) Coincident With Increased Testing And Prep Use: Results From Repeated, Bio-Behavioural Studies 2014-2018 Phillip Keen, Senior Project Officer, Kirby Institute	
	10.50 - 11.10	Cryptococcosis and IRIS Dr Christina Chang		10.45 - 11.00	Health service, peer and/or structural and policy interventions to respond to sexual health for international students Christopher Bourne, Head, Nsw Sti Programs Unit, NSW Health		10.45 - 11.00	Trends In Late-Diagnosis Of HIV Among Gay, Bisexual And Other Men Who Have Sex With Men (GBM) In Melbourne, Victoria, Australia Jason Asselin, Deputy Head, Surveillance And Evaluation, Burnet Institute	
	11.10 - 11.35	Viral Hepatitis: Challenges and Opportunities ahead A/Prof Gail Matthews, Kirby Institute, NSW		11.00 - 11.15	Travelers: the potential for HIV/sexual health peer and network interventions among Australian travellers and expatriates in high prevalence countries Gemma Crawford, Academic Collaboration for Evidence, Research & Impact in Public Health, Curtin, University		11.00 - 11.15	What Can Enhanced Surveillance Reveal About HIV Prevention Measures In MSM With Early Stage HIV Diagnosis? Steven Nigro, Epidemiologist, Communicable Diseases Branch, Health Protection NSW, NSW Health	
				11.15 - 11.20	'It's Like The Blind Leading The Blind': Exploring The Reproductive And Sexual Health Of International Students In Australia Cameryn Garrett, Research Officer, Family Planning Victoria		11.15 - 11.30	Medication Possession Ratio As A Measure Of Prep Adherence In The Epic-NSW Study Fengyi Jin, Senior Lecturer, The Kirby Institute, Unsw, Sydney	
				11.20 - 11.25	Effects Of LGBT Community Connectedness And Participation On Sexual Health In International MSM Students Daniel Demant, Lecturer, Australian Centre for Public and Population Health Research, Faculty of, Health, University of Technology Sydney		11.30 - 11.45	Intention Verses Reality: PrEP Use In Queensland Following PBS Listing Judith Dean, Research Fellow, The University of Queensland	
				11.25 - 11.30	More Infections But Less Risk: Unpacking The Sexual Health Needs Of Medicare-Ineligible Gay, Bisexual And Other Men Who Have Sex With Men Attending MCLinic In Perth, Western Australia Joe Staniszewski, Practice Manager, M Clinic		11.45 - 11.50	Gay And Bisexual Men Who Use Crystal Methamphetamine Are Better At Using Biomedical HIV Prevention Strategies Stefanie Vaccher, Statistician/Epidemiologist, The Kirby Institute, Unsw Sydney	
	11.35 - 12.00	Scientific Update on Tuberculosis Dr Kogie Naidoo, Head of the Treatment Research Program, Centre for the AIDS Programme of Research in South Africa (CAPRISA), and Honorary Associate Professor, College of Health Sciences, University of KwaZulu-Natal, Durban, South Africa		11.30 - 11.45	Hard critique of 5 years since the HIV Mobility and Migrant Populations Roadmap document – and what has changed in practice/policy? CoPAHM Roanna Lobo, Senior Research Fellow, Curtin University		11.50 - 11.55	Hepatitis C Among Gay And Bisexual Men Diagnosed With Hepatitis C In PrEPX, An HIV Pre-Exposure Prophylaxis (PrEP) Study Vincent Cornelisse, Staff Specialist, Kirkeaton Road Centre, NSW Health	
				11.45 - 12.00	Q&A		11.55 - 12.00	Use Of HIV Pre-Exposure Prophylaxis (Prep) Associated With Lower HIV Related Anxiety Among Australian Gay And Bisexual Men Who Are At High Risk Of HIV Infection Phillip Keen, Senior Project Officer, Kirby Institute	
	12.00 - 1.00	Lunch - Exhibition Hall							

2019 PROGRAM - AUSTRALASIAN HIV&AIDS CONFERENCE

Thursday 19 September 2019

12.15 - 12.45	Poster Tour: Basic Science Facilitator: Gilda Tachedjian		
	High Level of Pre-Existing NRTI Resistance Prior To Switching to BIC/FTC/TAF (STUDY 4030): Damien Fagan, Associate Director, Medical Affairs, Gilead Sciences		
	Long Term B/F/TAF SWITCH EFFICACY In Patients With Archived Pre-existing Resistance Damien Fagan, Associate Director, Medical Affairs, Gilead Sciences		
	Forgiveness of Antiretroviral Regimens: In Vitro HIV-1 VIRAL Breakthrough With 2-Drug Versus 3-Drug Regimens Simulating Variable Adherence to Treatment Damien Fagan, Associate Director, Medical Affairs, Gilead Sciences		
	Abacavir Induced Alloreactivity: Relevance To Kidney Transplantation For HIV Positive Individuals Lloyd Dórsogna, Department of Clinical Immunology and Pathwest, Fiona Stanley Hospital		
	HIV-Specific T Cell Clonotypes May Contribute to The Abacavir Drug Hypersensitivity Reaction Via Heterologous Immunity Lloyd Dórsogna, Department of Clinical Immunology and Pathwest, Fiona Stanley Hospital		
1.00 - 2.30	HIV&AIDS Proffered Paper Abstract Plenary and Closing		
	Room: Riverside Theatre		
	Chairs:	Lisa Bastian and Scott McGill	
	1.00 - 1.15	Early Mortality After Late Initiation Of Antiretroviral Therapy In The Treat Asia HIV Observational Database (TAHOD) Of IeDEA Asia-Pacific Dhanushi Rupasinghe, Statistician/student, Kirby Institute	
	1.15 - 1.30	"All The Factors That Have Made Gay Men At Risk Of HIV Since The Start Of The Epidemic Are Impacting Us Now" A Blueprint For Improving The Health & Wellbeing Of The Tgd Community In NSW: A MEPA/GIPA Case Study Of Co-Design In Policy Development Teddy Cook, Manager, Trans & Gender Diverse Health Equity, ACON and Caitlin Bambridge, Policy And Research Advisor, ACON Health	
	1.30 - 1.45	Community-Based Oral Fluid HIV Testing As A Potential Strategy To Improve HIV Care Cascade Among MSM In Indonesia Pande Putu Januraga, Head, Center For Public Health Innovation	
	1.45 - 2.00	The effect of Pathogen adaptation on human T cell function and T cell receptor diversity Silvana Gaudieri, Academic, UWA	
	2.00 - 2.30	HIV&AIDS Conference Closing Session	
		Interactive sessions - Live Feedback and Outcomes from Sessions	
		Awards & Prizes	
ASHM Closing remarks Alexis Apostolellis			
Future Conference Announcements
