

SRH IN HUMANITARIAN EMERGENCIES: PREPARING, RESPONDING AND RECOVERING FROM NATURAL DISASTERS IN THE ASIA-PACIFIC REGION

Kristen Beek¹

¹ Australian Centre for Public and Population Health Research, University of technology Sydney.

This presentation will give an overview of the response to the category 5 Super Typhoon Yolanda in 2013 and developments to better integrate SRH into the Philippines disaster management planning. A case study and lessons learned will be presented that focuses on The Philippine Family Planning Association.
