

Equity of access to abortion and contraception among Māori women

Dr Alison Green

Introduction

- Law Commission
- Decriminalise abortion
- Three Models

Who gets an abortion?

- 1 in 3 women over lifetime
- Māori women

Barriers to access

- Access to primary healthcare
- Services far from home
- Stigma suppressed information

Māori understandings

- Self-determination
- Māori terms
- Māori knowledges
- Positive understandings

Outcomes

- Support decriminalisation
- Support Model A
- Reduce stigma attached to abortion
- Earlier access
