8:30-10:30am

Morning tea

11:00am-12:00pm	
-----------------	--

MONDAY 10 NOVEMBER

12:00-2:20pm	Lunch, Exhibition & Cultural Space								
	Lunch Session 2A - Songs Inside Film Screening								
	Room:		Pyrmont Theatre						
	Chair:		Michael White						
	12:30-2:03pm		SONGS INSIDE FILM						
	2:03-2:15pm		Q&A facilitated by Michael White Katrina Lucas & Clancy						
	POSTER TOUR 1			POSTER TOUR 2		POSTER TOUR 3		POSTER TOUR 4	
	Room: Parkside Ballroom (Collect your headset from the back of the Exhibition Hall to join a Poster Tour)								
	12:50-12:55pm		More than an app: Co-designing digital alcohol interventions for equity and impact Katinka van de Ven	12:50-12:55pm	Clarifying regulatory options: A scoping review of research on not-for-profit models of recreational cannabis regulation Claire Wilkinson	12:50-12:55pm	The effect of amphetamine-type stimulant use at start of treatment on substance use and treatment retention during treatment among clients enrolled in an opioid agonist program Llewellyn Mills	12:50-12:55pm	From Statewide Coverage to Rural Connection: Transforming FASD Diagnosis with a Unique Model of Care Kelsee Shepherd
	12:55-1:00pm		From Concept to Capacity: DACRIN's Evolution as a Collaborative Network for AOD Research in NSW Michelle Hall	12:55-1:00pm	Analysis of public opinion on decriminalisation and legalisation of illicit drugs in the Australian population: What does this mean for drug policy reform? Zachary Lloyd	12:55-1:00pm	The effect of changes in injecting frequency on hospitalisations with injecting-related infections: a causal inference modelling study using linked cohort data Samantha Colledge-Frisby	12:55-1:00pm	Causal effect of parental supply of alcohol and the age, quantity and frequency of supply across adolescence on young adult alcohol-related outcomes: A prospective cohort study Amy Peacock
	1:00-1:05pm		Breaking the Mould: Testing The ACE-Flex Program in Real-World AOD Settings Tyler-Anne Wheeler	1:00-1:05pm	Media Representation of Methamphetamine-Related Deaths: Exploring Links to Public Stigma and Support for Harm Reduction Steph Kershaw	1:00-1:05pm	People seeking treatment for methamphetamine use are getting older, and treatment services need to adapt Liam Acheson	1:00-1:05pm	Changes In Tobacco Smoking And Alcohol Consumption Among 57,757 Women From Early To Late Pregnancy: A State-Representative Study In Queensland, Australia Claudia Bull
	1:05-1:10pm		MSIC drug testing, a consumer led initiative Kevin Street	1:05-1:10pm	The evolution of social media drug markets in Aotearoa New Zealand Robin van der Sanden	1:05-1:10pm	Acute health service use among people who died from methamphetamine-related causes in New South Wales and Victoria Oisin Stronach	1:05-1:10pm	Constructions of parental alcohol 'misuse' and 'vulnerable' children in Australian health and social policy: A critical discourse analysis Cassandra Hopkins
1:10-1:15pm		Using Artificial Intelligence to improve access to evidence-based alcohol and other drugs information Eleanor Costello	1:10-1:15pm					Co-designing parental alcohol supply prevention messages with parents and adolescents: insights to inform future campaigns Christina Norris	
2:20-3:05pm	Afternoon Plenary Session								
	Room:		Pyrmont Theatre						
	Chairs:		Christina Marel and Katherine Mills						
	2:20-3:05pm		Interrogating LBQ women's substance use: towards culturally responsive, community-informed approaches Julie Mooney-Somers						
3:05-3:30pm	Afternoon Tea								
3:30-4:30pm	Late Afternoon Plenary Session								
	Room:		Pyrmont Theatre						
	Chairs:		Suzie Hudson and Katherine Mills						
	15:30-16:20		Innovation and implementation in integrated care: trauma, PTSD and addiction Shalini Arunogiri, Levii Griffiths & Wendy Williams						
	16:20-16:30		APSAD Awards Ceremony 1 Presented by Craig Rodgers						

MONDAY 10 NOVEMBER										
4:35-5:30pm	Session 3A Responding to Complexity: Trauma, Comorbidity and Connected Systems of Care		Session 3B Drugs, Diversion and Disparity: A Cross-Cultural Look at Justice and Reform		Session 3C Beyond the Status Quo: Peer-Led Innovation and Policy Change in Harm Reduction		Session 3D Collaborative approaches to operationalising implementation studies		Session 3E Supporting dignity	
	Room:	Pyrmont Theatre	Room:	Meeting Room C2.2 & C2.3	Room:	Meeting Room C2.5 & 2.6	Room:	Meeting Room C2.1	Room:	Parkside Pre-Function Area
	Chair:	Craig Rodgers	Chair:	Jack Wilson	Chair:	James Dunne	Chair:	Kate Conigrave and Scott Wilson	Chair:	Marnie Sather
	4:35-4:45pm	180 Integrated exposure-based therapy for PTSD and substance use among adolescents and emerging adults: Findings from a randomised controlled trial Katherine Mills	4:35-4:45pm	361 Decriminalising use and possession of all illicit drugs: An international review of models, impacts and moderators from 13 countries Caitlin Hughes	4:35-4:45pm	169 Solutions Not Stigma: Community-Driven Evidence for Drug Policy Reform in Australia Annie Madden	4:35-4:45pm	SYMPOSIUM 350 Collaborative approaches to operationalising implementation studies: Lessons from the Grog App in primary care Chairs: Scott Wilson and Kate Conigrave	4:35-4:40pm	351 A Hidden Population, A Hidden Problem: Exploring Drug & Alcohol Treatment Barriers for Older Adults in Rural Australia Meredith Eagle
									4:40-4:43pm	SESSION Q&A
	4:45-4:55pm	110 Change in prescription opioid dose and the risk of mental health-related and substance use-related emergency department presentations: a case-crossover study Ting Xia	4:45-4:55pm	62 Minor drug offences, major missed opportunities: The experiences of Victorians detected for minor drug offences Annette Peart	4:45-4:55pm	291 Peer-Led Services: Different AND Better Ele Morrison	4:40-4:50pm	Adapting the Grog App to ask about drinking and deliver tailored brief intervention in Aboriginal and Torres Strait Islander primary care Kylie Lee, Lynette Bullen	4:43p-4:45pm	SYMPOSIUM
	4:55-17:05pm	287 Intrinsic Functional Connectivity Patterns in Comorbid PTSD and Alcohol Use Disorder vs. Alcohol Use Disorder Ellen Towers	4:55-5:05pm	147 Evaluating the South Australian Police Drug Diversion Initiative – a 22-year analysis of trends, offender profiles and re-diversion rates Gene Mercer	4:55-5:05pm	148 National state of harm reduction: findings from a representative sample of community pharmacies Louisa Picco	4:50-5:00pm	Designing for Dignity: how to make it easier to ask about alcohol in primary care from a technology solutions perspective Darren Phung		370 Supporting dignity: Deconstructing and reconstructing people's Stories Chair: Marnie Sather
	5:05-5:10pm	225 Temporal sequencing of symptom changes in young people receiving treatment for posttraumatic stress disorder and substance use disorders Olivia Dobson	5:05-5:10pm	43 Identifying High-Priority Elements of Harm Reduction Practices in Japan: A Delphi Study Ayumi Takano	5:05-5:10pm	315 CAHMA's Peer Treatment Support Service Model of Care Christopher Gough	5:00-5:10pm	Asking about alcohol use in primary care in a way that works for community Claudette Tyson, Bena Brown	4:45-4:55pm	Contribution of narrative and relational practice in AOD and related sectors Mark Hamersley
	5:10-5:15pm	141 Building Connection, Capacity and Community: Launching a National Online Community of Practice for AOD and Mental Health Workers Sally Boardman	5:10-5:15pm	349 Retention in opioid against treatment following release from custody: results from the Release Study Adrian Dunlop	5:10-5:15pm	375 Understanding alcohol and other drug workforce capabilities to inform capacity building around the delivery of comprehensive smoking and vaping programs Anke van der Starren	5:10-5:20pm	Implementing the Grog App into an urban primary care service for and with Aboriginal and Torres Strait Islander peoples Monika Dzidowska, Nikki Percival	4:55-5:05pm	Theory and Practice Greg Smith
	5:15-5:20pm	253 Relational, not just rational: Rethinking workforce development for integrated care Katrin Oliver	5:15-5:20pm	374 Substance Use, Survivorship of Crime-Related Harm, and Interactions with the Justice System: A Comparison of LGBTQ+ and Cisgender Heterosexual People in Australia Daniel Winter	5:15-5:20pm	66 Implications of stigma by association experienced by alcohol and other drug and harm reduction workers Loren Brenner	5:20-5:30pm	Discussion	5:05-5:15pm	From the perspective of a past client and since as community Elder Uncle Les Stanley
5:20-5:30pm	SESSION Q&A	5:20-5:30pm	SESSION Q&A	5:20-5:30pm	SESSION Q&A			5:15-5:30pm	DISCUSSION	
5:35-7:30pm	Optimising the patient journey - People with opioid dependence transitioning to palliative care - Camurus Sponsored Symposium Room: C2.5 & C2.6 Drinks and nibbles at 5:35pm outside of Room C2.5&C2.6 for a 6:20pm symposium start. * Registered HCPs only Chair: Marianne Jauncey Panel Grace Fitzgerald, Peter Allcroft & Sione Crawford									
5.35-7.00pm	EMCR Networking Event: Disrupting Academia, Impact and Dissemination Room: C2.2 & C2.3 Drinks outside of room C2.2&C2.3 from 5:35pm for a 5:50pm session start. Followed by Networking and nibbles in the Pyrmont Theatre Foyer. *Must have a ticket to attend Panel Tim Piatkowski, Tracey McIntosh, Lynette Bullen, Kylie Lee & Rose Crossin									
7.00-8.30pm	Friends of DAR Event Room: Pyrmont Theatre Foyer									

TUESDAY 11 NOVEMBER															
7.30-8:45am	Drug and Alcohol Review Editorial Board Meeting - invitation only Room: C2.1														
9.00-10:30am	Morning Plenary Session														
	Room:		Pymont Theatre												
	Chairs:		Craig Rodgers and Lynette Bullen												
	9:00-9:45am		James Rankin Oration - Reflections and a way forward facilitated by Scott Wilson James Rankin Oratator: Bradley Freeburn												
	9:45-10:30am		Indigenous Lifeworlds: Recognition, Resistance, Response to State Harm Tracey McIntosh												
10:30-11:00am	Morning Tea														
11:00am-12:20pm	Session 4A Building Better Systems: Cultural Safety, Youth Insight, and Public Health Innovation			Session 4B Service Innovation and Systemic Risk: Reforming AOD Treatment From the Ground Up			Session 4C Preventing the Next Wave: Vaping, Tobacco and Cross-Cultural Harm Reduction			Session 4D Evidence at the Edges: Risk, Technology and Complexity in AOD Populations		Session 4E Storytelling *Session Limited to 50 Participants			
	Room:		Pymont Theatre	Room:		Meeting Room C2.2 & C2.3	Room:		Meeting Room C2.5 & 2.6	Room:		Meeting Room C2.1	Room:		Parkside Pre-Function Area
	Chair:		Lynette Bullen	Chair:		Elisabeth Yar	Chair:		Anke van der Sterren	Chair:		Michael Doyle	Chair:		Grace Oh
	11:00-11:01am		1 Minute of Silence	11:00-11:01am		1 Minute of Silence	11:00-11:01am		1 Minute of Silence	11:00-11:01am		1 Minute of Silence	11:00-11:01am		1 Minute of Silence
	11:01-11:11am		125 Enhancing alcohol and other drug responsiveness in Aboriginal Community Controlled Health and Healing Organisations: Barriers and Solutions Rochelle McIntosh	11:01-11:11am		215 A true collaboration between Drug and Alcohol and Mental Health Services is achieving sustainable outcomes Sandra Sunjic	11:01-11:11am		399 Psychosocial factors that prevent against e-cigarette use among Aboriginal and Torres Strait Islander teenagers Lexine Stapinski	11:01-11:11am		205 Large language models accurately identify people who inject drugs in Australian electronic health records David Goodman-Meza	11:01-11:03am		Welcome and Introduction
	11:11-11:21am		302 Creating a Cultural Safety toolkit for the NSW Ministry of Health's Centre for Alcohol and Other Drugs Kylie Paulson	11:11-11:21am		309 The USA Compass-EZ (TM) integrated care organisational capability audit tool: Adaptation for Australian Alcohol and Drug and Mental Health organisations Jane Moreton	11:11-11:21am		397 E-Cigarettes: Exploring the emergent "Personal Boundaries" of Northern Territory youth to improve preventative messaging Sarah Dowden-Parker	11:06-11:11am		74 Prevalence, correlates, and comorbidity of cannabis use and cannabis use disorders in the Australian National Mental Health Surveys from 2007 to 2020-22 Jack Wilson	11:03-11:18am		Starting table 1: Reclaiming Me – A Disrupting & Deconstructing Journey to Breaking the Silence Gaby Bruning
	11:21-11:31am		140 Disrupting traditional evaluation: Embedding Indigenous leadership in routine data collection at two Aboriginal residential alcohol and other drug services Katina van de Ven	11:21-11:31am		173 Prevalence and correlates of suicide ideation in young people presenting to outpatient alcohol and other drug treatment and association with treatment engagement Sophia Glasgow	11:21-11:31am		341 Cost effectiveness of e-cigarettes vs nicotine replacement therapy for smoking cessation among NSW opiate agonist treatment clients Melissa Jackson	11:11-11:16am		363 Completion matters? Demographics and health care utilisation for The Magistrates Early Referral into Treatment (MERIT) Program Shazia Abbas			Move tables
	11:31-11:41am		293 Protection from and predictors of mental illness in a cohort of young Aboriginal people with Fetal Alcohol Spectrum Disorder living in very remote communities Elizabeth Elliott	11:31-11:41am		285 RADAR – The Development of a Rurally Based AOD Research Consortium Stanley Theodoru	11:31-11:41am		504 Perceived Effectiveness of 5 Different Message Themes in Youth Vaping Awareness Materials - Giang T Vu	11:16-11:21am		270 Characteristics associated with problem gambling behaviour among people entering alcohol and other drug treatment Tara Alcorn	11:18-11:33am		Starting table 2: Tobacco Reduction Strategy Carmel Geia
	11:41-11:46am		394 First Nations led research to understand treatment access and outcomes for First Nations people in the NSW NGO sector Raechel Wallace	11:41-11:51am		223 'Stability' and 'balance': Using a Capabilities Approach to understand how positive AOD trajectories happen for young people Joanne Bryant	11:41-11:46am		122 Experiences of tobaccoconists and public health officers regarding the illicit tobacco trade in Australia: lessons for the tobacco endgame Cheneal Puljevic	11:21-11:26am		281 Cannabis Vaping and Mental Health: The Association of Delta-9-Tetrahydrocannabinol and Cannabidiol with Anxiety and Depression Jack Chung			Move tables
