

UNFILTERED: SEX, POWER & PLEASURE

It's the sex ed conversation you never had at school.

WHAT'S THIS ALL ABOUT?

Sexuality, relationships, identity, consent, and pleasure—things we all experience but rarely get the chance to talk about openly. **Unfiltered** is a one-night-only free public event where we break the silence and dive into the real conversations that matter.

WHO'S THIS FOR?

Young adults (18–35), students, activists, content creators, educators, and anyone who's ever questioned, "Why didn't we learn this in school?"
