

Data Processing Consent

Why we ask for your consent?

We are committed to protecting the privacy of all personal data you provide us for this event registration. The following statements describe what we are doing with your data and how long we store it so you are fully informed prior to you submitting your personal information for event registration and / or abstract submission.

Data Controller Contact

ASID
145 Macquarie Street
Sydney, NSW, 2000

Nominated Data Protection Officer

Name and Title: Inge Meggitt, Event Manager
P: 0404 258 585
E: inge@asid.net.au

Why are we processing your personal data?

We ask for your personal data to facilitate your registration for this webinar.

Other third parties that will have access to your personal data

If you are registering for the webinar some of your data will be shared with other organisations and third parties in order to process your registration and / or abstract submission.

These will include:

- ASID (Australian Society for Infectious Diseases)
- Stripe (ecommerce provider)
- Should you elect to be on the delegate list, your name, position, organisation, state, country and healthcare professional (HCP) status will be provided to sponsors of this event

How long will we store your personal data?

Your personal data will be retained by us for up to 5 years after the conclusion of this event.

The right to enquire about your personal data / The right to withdraw your consent / The right to forget or anonymize your personal details

You retain the right to withdraw consent use of your personal data at any time.

Please be aware that a withdrawal of consent before the start of this event will incur a full registration cancellation. Please contact us at events@asid.net.au with any enquiries you may have. If you are submitting an abstract the withdrawal of consent will result in your abstract not being submitted for review or inclusion in the conference program.

You retain the right to request that we forget or anonymize your personal data.

If you have attended any event with us, we will retain any financial, tax or event attendance records for reporting reasons, but will remove all personal data from our database, leaving an "anonymized" record for reporting reasons.
