

Scan & Sip at ASMIRT: A CT Education Evening

Pre-dinner CT learning
over drinks & canapés

Join us for a pre-dinner event
where you'll gain practical insights
into the latest CT clinical trends, learn
expert scanning tips, and see how new
technology can enhance your practice.

March 26, 2026, 17:00-19:00

Drinks & canapés from 17:00
Program commences at 17:30

Secure your spot now.

*This meeting is open to all radiographers,
not just Canon CT users.*

Why Attend:

• CT Angiography Tips

From routine to complex CTA studies, discover
practical scanning tips and learn how the latest
technology can enhance your workflow.

• CT in Motion

Discover how CT hardware is evolving to tackle
complex clinical challenges in areas such as veterinary
imaging, trauma, interventional radiology, oncology,
and vertical CT for weightbearing applications.

• Networking & Drinks

Connect with peers, exchange ideas, and enjoy
pre-dinner drinks and canapés.

• CPD

Earn 1.5 CPD hours.

Further program details to be released closer to the event.
