# MI/RT STUDENT PANEL Q&A SESSION AND NETWORKING EVENING

**FREE  
EVENT**

## PLACEMENT EXPERIENCES & CAREER INSIGHTS

Hear from those who've been there! This interactive panel event features students and professionals sharing their real-world placement experiences, tips for navigating clinical environments, and what they wish they knew earlier. Whether you are just starting out or currently on placement, this session is a unique opportunity to gain practical advice, ask questions, and connect with peers on the same journey. Open to all students of all levels looking to build confidence and clarity in their studies and career path.
