

AI FOR HEALTHCARE PRACTICE (AI-HP): UNLOCKING THE POWER OF ARTIFICIAL INTELLIGENCE

Date: Saturday, 23rd August 2025
Time: 8:00 am – 4:00 pm
Venue: Hilton Queenstown

Workshop Overview

Artificial Intelligence (AI) is transforming the healthcare landscape, offering innovative solutions to enhance clinical practice, streamline workflows, and improve patient outcomes. This full-day, hands-on workshop is tailored for healthcare professionals eager to integrate AI tools into their daily practice. Led by Dr Vaikunthan Rajaratnam, a globally recognised hand surgeon and medical educator, this workshop will provide both foundational knowledge and practical experience with AI applications.

Workshop Facilitator

Dr Vaikunthan
Rajaratnam

Dr Rajaratnam is a renowned hand surgeon, educator, and AI evangelist with over 40 years of experience. He has pioneered the integration of AI in clinical practice and medical education, empowering professionals to leverage technology for improved healthcare delivery. As a UNESCO Chair partner, he has trained thousands of professionals globally in AI competencies.

Who Should Attend

- Surgeons, clinicians, and healthcare professionals
- Medical educators and researchers
- Professionals interested in the future of healthcare technology

Learning Objectives

- Understand the fundamentals of AI and its relevance in healthcare.
- Explore real-world applications of AI in clinical decision-making and documentation.
- Gain hands-on experience using generative AI tools for patient care, research, and education.
- Address ethical considerations and challenges in implementing AI.

Workshop Agenda

| | |
|-------------------|--|
| 8:00am – 8:15am | Welcome and Introductions |
| 8:15am – 9:30am | AI in Healthcare: Transforming Practice and Outcomes <i>(Keynote and Overview)</i> |
| 9:30am – 10:00am | <i>Morning Tea</i> |
| 10:00am – 11:30am | AI for Clinical Practice: Tools and Case Studies <i>(Interactive Lecture)</i> |
| 11:30am – 12:00pm | <i>Lunch</i> |
| 12:00pm – 1:30pm | Hands-On: Using Generative AI for Case Management and Clinical Documentation |
| 1:30pm – 2:00pm | <i>Afternoon Tea</i> |
| 2:00pm – 3:30pm | AI for Research and Education: Practical Applications |
| 3:30pm – 4:00pm | Panel Discussion and Q&A: Ethics, Challenges, and Future Directions |
