

It's easy to get started with Be You

1. Register with Be You as an individual

Be You is free and for all educators in Australia across early learning, primary, secondary school and school age care settings.

2. Appoint Action Team Leaders

Appoint Action Team Leaders and ensure they are registered as individuals. This tells us which school or service they are from.

3. Sign up your learning community

Once signed up, the Action Team Leaders can log in and register their school or service as a Be You Learning Community.

4. Get support from a Be You Consultant

After registering as a Be You Learning Community, schools and services will be able to connect to a Be You Consultant as they start their journey.
