

## Our Mission

Our mission is to provide equal access to high-quality support services while breaking down barriers. The heart of our mission is inclusion, empowerment, and collaboration.

## Our Values

Our core values are based on Accountability, Integrity, Transparency, and Responsiveness.

We strive to uphold these principles in all our actions. These values shape our behaviour, guide our decisions, and define our interactions.

## Our Purpose

To help people of all abilities live their best lives.

## Our Services

We offer a comprehensive range of tailored supports to address a diverse range of needs. Our services are individualized to focus on enhancing your overall well-being, promoting independence, choice, and control.

## Our Team

We take education, training and professional development . We go above and beyond with industry compliance. Not only is the team first aid trained but also mental health first aid trained – which we believe is equally important.

## What Our Participants Say?

“I cannot express enough gratitude for the exceptional support provided by T and K Support Services in assisting my son with his disability. Their team consistently goes above and beyond, demonstrating an unwavering commitment to our son's well-being. Their positive attitude and willingness to collaborate with our entire therapy team have been instrumental in achieving the best possible outcomes for our son. No request is too big or too unconventional – T and K Support Services is always ready to embrace any idea we propose, proving their dedication to our son's unique needs. I wholeheartedly recommend T and K for their outstanding service and genuine care for individuals with disabilities.”

“T and K Support Services are very thoughtful & helpful they have helped me improve my life and I have come along way since meeting them.”
