

## About Us

We are a Disability Support Provider located in Western Victoria, passionate about supporting individuals on their NDIS Journey.

We guide you through the complexities of the system, ensuring you have the resources needed to achieve your goals, build your skills, and have some fun along the way.

Our services maximises your opportunity for accessibility, choice and control.

# IDENTITY BEFORE DIAGNOSIS

## Location

The T and K Hub is based in the regional town of Ballan and serves as the home of our office and administration team, featuring a purpose-built space for social activities.

We also provide support services across the Western Victoria community and have an additional community hub located in Ballarat.
