COLLABORATION**

**MULTIMODAL COURSE
CONTENT**

The Post-Professional Doctor of Audiology Program is a perfect option for working professionals. The fully online format provides an asynchronous education model delivered by a global interdisciplinary team of faculty and staff to fulfill the degree requirements allowing students flexibility in course choices and pace of learning. Online global faculty provide a broad range of culturally and regionally pertinent topics to educate practicing audiologists to become practitioner-leaders and practitioner scholars who can translate knowledge into practice and serve as agents of change in new and expanding global arenas.
