INSURANCE BROKERS

DISTILLERY INSURANCE. UNCOMPLICATED.

Over the last 10 years, we've worked hard to develop and refine an insurance program that can be tailored specifically for Australian distilleries.

The program includes:

- Cover for stock losses due to spoilage, leakage and/or contamination
- Automatic stock cover for alcohol
- Cover for excise duty where it cannot be recovered from the tax office
- Discounts off standard premium rates
- Cover for food service, bar service, and tastings & tours (if required)

Finding you the most appropriate cover that protects every aspect of your distillery is what we do best.

Midland is a full-service brokerage. This means we can provide you with a full review of your distillery, meet with you face to face, simplify the insurance jargon, and manage your claims.
