## SPONSOR PROSPECTUS

ACSP STATE CONFERENCE | Rydges Resort | Hunter Valley | 21-23 MAY 2025

# LETTER FROM THE PRESIDENT

We are delighted to announce that the ACSP 2025 conference will take place from May 21 to May 23 at Rydges Resort, Hunter Valley, a place renowned for its picturesque landscapes and vibrant wine culture. This region features rolling hills, lush vineyards, and scenic views that create a tranquil and inviting atmosphere. It is against this background that we bring together principals and leaders in education to engage in rich discussions and be inspired by leaders of faith, learning and wellbeing.

The theme of our conference is **Living Waters: Leading with Hope, Inspiring Faith Communities**. In this we recognise that principals are crucial to the success of our future, nurturing not only the intellect but also the spiritual, social, and emotional wellbeing of our young people, our future.

We invite you, our valued partners to share in this biannual opportunity and join us in the Hunter Valley.

Your support and partnership is greatly valued in our important work.

**Iris Nastasi**  
President

## EXECUTIVE SUMMARY

- The 10th biannual ACSP (Association of Catholic School Principals, NSW and ACT) Conference will be held at Rydges Resort, Hunter Valley from May 21 to May 23, 2025.
- This premier event is dedicated to advancing the professional development of principals within the Catholic education sector. The conference will take place over 3 full days, featuring an enriched program designed to foster strategic thinking, leadership skills and collaborative opportunities.
- The conference will commence with an elegant cocktail reception, setting the stage for three days of keynote sessions, masterclasses and networking opportunities, inclusive of an outdoor Hunter Harvest dinner in the beautiful Hunter Valley.
- With an anticipated attendance of around 400 decision-makers from primary and secondary Catholic schools, the conference will offer an unparalleled platform for professional growth and strategic engagement.
- For our sponsors, the conference will provide a unique and valuable opportunity to connect with influential leaders in the Catholic education sector and an exclusive opportunity to present your product or service directly to the leaders of Catholic primary and secondary schools in NSW and the ACT.
- We offer a variety of sponsorship packages that are thoughtfully crafted to maximise benefits ensuring sponsors receive more than just brand exposure. Sponsors will be a part of an integrated marketing campaign in the lead up to the event, have access to conference delegates during meal breaks throughout the conference and some will have a display space allocated within the venue.

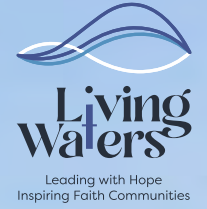

## WHO IS ACSP?

The Association of Catholic School Principals in NSW (ACSP) exists to promote Catholic education through the strong voice of Catholic school principals.

It is a dynamic organisation, representing 552 Catholic principal members across 11 dioceses, as they lead their communities.

ACSP confers, negotiates and liaises with all levels of government and other industry organisations and is the key representative for its members.

## CONFERENCE DESCRIPTION

The aim of the **ACSP conference** is to provide all principals in the Catholic education sector in NSW, with a professional development opportunity in a relaxed, informal environment.

Following the extremely successful conferences in Wollongong (2023), Sydney (2019), Hunter Valley (2017), Dubbo (2015), Sydney (2012), Wollongong (2005), Manly (2002), Tamworth (2000) and Parramatta (1998), the ACSP Conference will be returning to the Hunter Valley to hold this year's conference in May 2025.

The theme of our conference this year is "Living Waters" and given water is life-giving it gives us hope, it sustains us. Water always finds a pathway around any obstacle and shows it can navigate around anything, building resilience and gathering at the well or fountain at baptism helps to build faith communities. Water is necessary for life; we thrive, flourish and grow. Water is life giving; as Principals we are called and Jesus himself referred to "Living water". Without the faith, hope and integrity of each contributing factor, without the many parts there

wouldn't be a body. Each diocese is a part of the one body, the church. We are in a relationship, we are stewards of our small tributary but we are important to the life and sustainability of the river, we breathe life into the river so it can flow to the sea and impact the universal church.

The conference attracts high-quality speakers who deal with topics such as leadership, learning, well-being and teaching.

The ACSP conference also incorporates an exclusive exhibition which provides sponsorship partners, delegates and other exhibitors the opportunity to learn about and display new products, technologies, services and methods.

The 2025 conference will be held at **Rydges, Hunter Valley, from May 21 to May 23, 2025**. The conference will commence with an elegant cocktail reception, setting the stage for three days of keynote sessions, masterclasses and networking opportunities, inclusive of an outdoor Hunter Harvest dinner in the beautiful Hunter Valley.

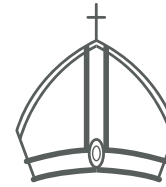

## BENEFITS TO SPONSORSHIP

- Business Advantage - by supporting ACSP you will be regarded by the conference attendees as a good corporate citizen who understands the importance of and supports Catholic education.
- Efficient Lead Generation - the conference will provide you with an opportunity to leverage your brand and acquire new customers. There will be great opportunity for you to expand your current customer base.
- Brand Visibility and Exposure - you will have the opportunity to receive exposure through a database, email campaign, registration forms, signage and the official website. Depending on your level of investment, your business will be included in conference advertising and we will ensure you have a strong brand association with the event.
- Targeted Marketing and Business Connections - you will have the opportunity to network with your target market in a friendly atmosphere and make connections for future sales and collaboration.
- Access to Principals/Education decision makers - normally once every 2 years the Catholic principals from all over NSW and ACT gather under one roof. This is your opportunity to access these key decision makers from school communities across the state responsible for combined budgets in excess of \$2.7 billion per annum (source: Catholic Schools NSW)
- Integrated Marketing Campaign - ACSP is not just looking for a sponsor to provide dollars; we are looking to fully integrate our marketing campaigns with our partners. We will work with you to fully maximize your partnership with our conference to provide a “win-win” relationship that will benefit both parties.

# SPONSORSHIP

Your support of the conference will not only benefit our Association but also your organisation. ACSP believes that sponsors should be offered every possible facility to promote their product and services. Our conference maximises the exhibition and networking opportunities enabling sponsors to meet with Principals and other educators from throughout NSW and the ACT (even some from interstate).

Conference scholarships will be offered to talented educators with leadership potential who are not yet serving as a primary or secondary school principal.

As a Conference Scholarship sponsor, you will play a crucial role in **inspiring young professionals to consider future senior leadership roles.**

Your sponsorship will provide one emerging leader with a full, three-day conference registration, three nights of accommodation, travel assistance and tickets to our welcome cocktail and conference dinner events

Additionally, scholarship recipients will have the opportunity to actively participate in the conference through panel sessions focused on leadership, where they can share their experiences and aspirations.

By sponsoring a scholarship recipient, you're not just **supporting a talented educator - you're aligning your brand with innovation, leadership, and the future of education.** Your investment will have a lasting impact, both on the individual you support and on your organisation's reputation as a leader in fostering educational excellence.
