August 31 – September 2, 2025

Sherly Zulkarnaen Chief Financial Officer | Community Broker Network

Sherly Zulkarnaen has over 20 years of experience in financial and governance leadership across ASX-listed firms, private enterprises, NFP membership organisations, and insurance broker networks. She brings a deep understanding of how finance can shape resilient and high-performing businesses.

Recognised for her collegiate leadership style and commitment to ethical business practices, Sherly helps small to medium businesses build stronger financial foundations and sustainable growth while cultivating progressive, high-performing cultures.

Sherly drives transformation within businesses, blending financial rigor with a commercially astute approach, strong governance, and ethical leadership, making her a standout voice in driving positive change across insurance and the financial services sectors.
