August 31 – September 2, 2025

Nicky Dunkin Senior Regional Business Partner – South West | CBN

With a 30-year career dedicated entirely to insurance broking, Nicky has been committed to the industry since leaving school. Starting at a locally owned brokerage in South Australia, her natural curiosity and passion for development have propelled her from Receptionist to Commercial/Corporate Broker, and now Senior Regional Business Partner at CBN. In her current role, she leads a team across multiple states, combining deep broking expertise with leadership.

Beyond her corporate role, Nicky has also owned and operated a small family business, giving her firsthand insight into the challenges and rewards of business ownership.

After spending a decade on the West Coast, Nicky returned to her roots in the picturesque Adelaide Hills, where she was born and raised.
