Sheraton Mirage  
Gold Coast  
SEPT 11 – 13  
**2022**

**JAMIE SMITH**  
**CIO, The Hollard Insurance Company**

A Business Strategist and Technology Solutions Specialist with more than 20 years of experience in organisational design, best practice delivery and general consulting within the Financial Services Industry. With a verifiable history of success ranging from leading and growing a business from start-up to scale-up and sale, running programs of work to align operational efficiencies with corporate goals and managing complex functional projects. In addition, an ability to transform strategic plans into tactical initiatives to deliver maximum benefits to customers and shareholders.

Jamie is currently the CIO of The Hollard Insurance Company and has previously held roles as Partner within EY's Technology Advisory Practice along with founding and running his own consultancy. He is the co-author of the inaugural InsurTech Ecosystem Report: InsurTech: Enabler of Disrupter? And an active member within the InsurTech community serving on their advisory board.
