Jeff Hollands CBN Board Member Community Broker Network

Jeff Hollands is a Director of Community Broker Network (CBN), a position he has held since 2019. He was previously the owner and Managing Director of Westcourt General Insurance Brokers, which merged with NAS Insurance Brokers and several CGU Authorised Representatives to establish CBN. Based in Perth, Westcourt was a pure AR model which experienced rapid growth around Australia, with offices in each mainland state.

In addition to his directorship at CBN, Jeff's roles include Chairing the Authorised Broker Council, serving as a Director of Community Insurance Solutions P/L, acting as an advisor to the Professional Indemnity (PI) committee, and mentoring a number of ARs. Jeff is often talking to CBN AR's – listening to understand their hurdles and suggestions, while championing the many good things CBN continue to do.

Jeff lives in Perth with his lovely wife Jan, who was also very involved in Westcourt. They have three adult children. Jeff's hobbies include basketball (he was a state wheelchair basketballer), and today is the Perth Wildcats' greatest supporter. He also has a keen interest in studying ASX-listed companies.
