## WENDY FOWERAKER

### Executive Manager: Broking Operations

Wendy Foweraker is the Executive Manager: Broking Operations at CBN. Wendy has over 30 years of experience in the Insurance Industry, including running and owning her own brokerage, and consulting to the Network.

She started her career in the underwriting space focussing on Binders and Re-insurance, before progressing into various senior underwriting roles with QBE. In 2002, Wendy made her move across to insurance broking.

Change has been a constant part of the insurance landscape and this has helped her form and develop a strong affinity with planning, innovation, and strategic management, while leading teams and people through the process.

Wendy is responsible for leading the Compliance, Broker Partnering, Learning, Support teams at CBN, and is passionate about the industry and supporting and helping her communities.
