

## Shane Thaw

### Intuitive Insurance Solutions

Intuitive is managed by Shane Thaw, who holds twenty-three years of experience in the insurance broking industry, with the majority focussed on the Life Science and Technology sectors.

Throughout his career, Shane has placed insurance for a diverse range of clients, from small businesses to large corporations, across a number of different industries.

Shane has extensive experience in structuring and coordinating global insurance programs and has a strong passion for the industry, having completed a Masters in Insurance & Risk Management with Deakin University.

Shane also holds a Bachelor of Business from the University of Technology Sydney, a Diploma of Financial Services (General Insurance), and is a NIBA Qualified Financial Services Representative (QFSR).

Shane's expertise lies in professional and financial risks (Directors & Officers Liability, Professional Indemnity, and related covers), bringing a great deal of experience and knowledge in this space
