Danny Byrnes

National Relationship Manager – AR Networks | Chubb Insurance
Aus

Danny has over three decades of experience in the general insurance industry, having held senior leadership roles across distribution and underwriting functions with major insurers and underwriting agencies.

He has significant expertise in leading business development teams, designing and implementing segment value propositions, and driving results through disciplined sales processes.

Known as a strong networker and relationship builder, Danny leverages his insights and experience to develop market-leading propositions and foster strong stakeholder engagement.

Danny holds a Master of Business Administration, a graduate diploma in Insurance & Risk Management and is a Fellow of ANZIIF.
