CAIRNS CONVENTION CENTRE
23-25 AUG 2026

Jack Fairweather

Principal | McInnes, Wilson Lawyers

Jack acts for insurers in public and product liability, professional indemnity and subrogated recovery matters. He provides comprehensive advice on various indemnity, liability, quantum and evidentiary issues.

Jack is interested in technical litigation and claims arising from construction incidents, hotels and licensed premises, schools, sporting associations, transportation and associated indemnity implications. Jack is a strong negotiator and represents client at a variety of ADR forums and interlocutory court applications.
