SHERLY ZULKARNAEN **Executive Manager: Finance**

Sherly Zulkarnaen is the Executive Manager: Finance at CBN with over a decade experience of financial leadership to ASX listed, financial services, start-up and NFP organisations.

Sherly is a qualified CPA and CGMA (Chartered Global Management Accountant) and holds a Master of Business (Accountancy) from Monash University.

She started her career as an auditor at PWC, and combining her technical competence and business management skills, she has progressed through a succession of increasingly senior finance appointments tasked with robust financial management and commercial decision support to underpin sustainable business growth.

Her responsibilities at CBN include overseeing finance and trust operations, investment management, and the company's legal affairs.
