Vikki Maver

Founder – Communication Skills Academy

Vikki Maver is the Founder of Communication Skills Academy (CSA) and a recognised authority on workplace communication and human capability in the age of AI.

With over 20 years of experience as a business leader and workshop presenter, she helps organisations lift performance by improving how leaders and teams think, communicate and write.

Vikki has facilitated learning programs for national and global brands including McDonald's, ANZ, Nine, Ralph Lauren, ASIC and World Vision. Having trained thousands of professionals, she is one of Australia's most experienced trainers, consistently earning outstanding participant feedback.
