

## EVENT PRIVACY STATEMENT

### Who is collecting your personal information

Composition Limited (**Composition, Our, Us, We**), is the organiser of the 4<sup>th</sup> International Precision Dairy Farming Conference (the **Event**) on behalf of DairyNZ Limited (the **Event Host**). Accordingly, Composition is responsible for collecting, storing, using and sharing your personal information as part of delivering the Event.

### Why we ask for your consent

We are committed to protecting the personal information you provide to us in accordance with the Privacy Act 2020 (the **Privacy Act**).

The following statements describe how we handle and store your personal information, so that you are fully informed prior to submitting any personal information for the Event.

For the purpose of this Event Privacy Statement, reference to registering for the Event includes filling in a registration form irrespective of whether or not the registration is completed.

### Contacts

If you have any questions about your personal information and the personal information that we collect and store about you, then you can contact Us at:

#### **Composition Limited**

Phone: +64 (0)3 332 4537

### Why are we collecting personal information?

We collect your personal information to allow us to deliver the Event, and to provide additional services and information to you.

In addition, we collect personal information about your emergency contact so that we can contact them in an emergency relating to your health or safety.

### Use of Your Personal Information

We will collect, handle, use and share your personal information in accordance with the consent(s) which you provide.

By registering for the Event, you consent to:

- Us collecting your personal information, including your name, email address, phone number, organization name, and job title for use in delivering the Event;

- Us sharing your personal information with DairyNZ, and DairyNZ using your personal information to contact you about future events they may organise for research and planning in relation to future events related to the dairy industry, and industry engagement purposes;
- Us sharing your personal information with our trusted delivery partner Centium Software Pty Limited for use in its software that supports Us delivering the Event e.g. the EventsAir App;
- Your name, role, and organization name being included in the Event Participant List, and the Event Participant List being shared with the Event Sponsors and Event Exhibitors for the purpose of them contacting you for marketing, information and education purposes.

You will be able to update your message preferences and personal information directly with Us, DairyNZ, and our delivery partners, in accordance with our respective Privacy Policies. Please contact Us if you require Us to confirm the organisations with which We have shared your personal information.

DairyNZ's Privacy Policy is available [here](#).

**How long will we store your personal information?**

We will retain your personal information for up to 12 months after the conclusion of the PDF Conference, at which time we will delete that personal information.

Our Delivery Partners will store your personal information in accordance with their obligations under the Privacy Act 2020 (or equivalent legislation) and their Privacy Policies, and only for as long as is needed to use the information for the purpose(s) to which you consent.
