# PRESIDENT WELCOME

Dear Colleagues,

It is my pleasure to invite you to attend ALGA's 31st National General Assembly (NGA) of Local Government in Canberra from 24-27 June.

The theme of this year's event will be "National Priorities Need Local Solutions", focusing on the important role we all play delivering local place-based initiatives that help address our nation's big challenges.

Of course, we can't deliver on this promise without sustainable funding, and ALGA continues to advocate to the federal government for a significant increase in untied, formula-based funding for all councils.

This year's NGA will once again feature concurrent "listening sessions", offering in-depth engagement on four key national issues: emergency management, safer roads, housing and community infrastructure, and local government jobs and skills.

Following the federal election, NGA 2025 will provide a great opportunity to help shape a new government or refocus a returned government on the needs of councils across Australia.

On the final day of the NGA we will hold Ministerial Engagement Forums, which will allow us to engage directly with the federal government on the policies, support and funding we collectively need.

One of the highlights of every NGA is the debate on motions, where your councils bring key issues for local government to the national stage.

I look forward to hearing your council's motions, and discussing the challenges and opportunities for our communities.

I am excited to invite you to attend this year's NGA, and hope to see you in Canberra in June.

Yours sincerely,

Matt Burnett, President  
Australian Local Government Association

# NGA 2025 Provisional Program

## New NGA Program Format

After the success of the new format in 2024, this year's NGA will feature the same changes to the sessions and breaks. Sessions have been extended in length to allow extra time for questions and answers. Break times are two 60 minute breaks on each day. These changes provide delegates greater value through better opportunities to ask questions in presentations, as well as more time to visit the exhibition hall, or conduct meetings during meal breaks.
