**Department of Infrastructure, Transport,
Regional Development, Communications and the Arts**

CONGRESS SPONSORS

McArthur
Best people fit. Making a difference.

CEO WELCOME

I am pleased to invite you to attend our 2024 National Local Roads, Transport and Infrastructure Congress, to be held in Margaret River from 3-4 December.

As with last year's event in Canberra, this year's Congress will not only cover roads and transport, but also include a broader focus on community infrastructure.

Across two days you will hear from government leaders, academics, peak bodies and other councils on topics including enabling infrastructure for future housing development, renewable energy deployment and integration, innovations in active transport, and transitioning to a circular economy.

The Congress also offers a unique opportunity to build your professional networks and meet with local government suppliers that can help your council.

I sincerely hope you can join us at this year's National Local Roads, Transport and Infrastructure Congress and look forward to seeing you there!

A handwritten signature in black ink that reads "Amy Crawford". The signature is written in a cursive, flowing style.

Amy Crawford
Chief Executive Officer
Australian Local Government Association

Veronica Terry, Program Manager of Regional Development, Tasmania Cradle Coast Future Energy Hub
Vickie Walker, Project Officer, Regional Development Australia South West

4:45 PM **Closing Remarks**

CONGRESS SPEAKERS

The Hon Kristy McBain MP

Minister for Regional Development,
Local Government and Territories

Kristy McBain proudly grew up on the NSW Far South Coast, and she is the first woman to represent Eden-Monaro.

Since being elected in 2020, Kristy has built a formidable reputation as a plain spoken, hard-working local member who advocates with all levels of Government and all sides of politics to get results for her constituents.

A former Mayor of the Bega Shire Council, Kristy advocated day and night for people through the darkest days of the Black Summer Bushfires in 2019-20.

Kristy studied law at the University of Canberra and as the first person in her family to go to university, she is passionate that all kids get the chance to go to university or TAFE and have the opportunity to build their careers and lives in the regions as she has done.

Senator the Hon Bridget McKenzie

Shadow Minister for
Infrastructure, Transport and
Regional Development

Senator the Hon Bridget McKenzie is a member of the National Party and has been a Senator for Victoria since 2011.

She has held ministerial office in the Turnbull and Morrison governments, also serving as the party's Senate leader since 2019.

McKenzie grew up in Benalla, Victoria, and worked as a schoolteacher and university lecturer before entering politics.

She was elected to the Senate at the 2010 federal election and served as a whip from 2011 to 2013. She has served variously as Minister for Rural Health (2017-2018), Sport (2017-2018), Regional Communications (2017-2018), Regional Services, Local Government and Decentralisation (2018-2019), and Agriculture (2019-2020).

CONGRESS SPEAKERS

Sara Hales

Director, Hales North

Sara helps airports and government across Australia and the Pacific to create sustainable and resilient aviation connectivity and infrastructure through strategy development and operationalisation support. Following a career in airport management, Sara has been working in advisory for over 5 years. She is a Non Executive Director on the Board of Aviation Australia and Chairs the Smart City Taskforce on Smart Transport Hubs. Sara has a passion for the role of aviation connectivity in building community social and economic wellbeing, and a deep interest in helping regional airports through the energy transition.

Ben Haddock

Future Mobility Lead, ARUP

A Chartered Transport Planning Professional based in Western Australia, Ben has over 20 years' experience of managing and delivering transport projects across the world.

He leads multi-discipline teams collaborating with authorities, partners, planners, investors, and other technical specialists to capture scheme benefits and deliver on desired outcomes.

A recognised industry leader in future mobility, energy, and decarbonisation, Ben has extensive knowledge of assessment in urban and rural settings and the analysis of future demands on systems and networks, working through strategy, business cases, management and mitigation to secure approvals and unlock the benefits of a cleaner future.

Al Reid

Chief Operating Officer,
Microfleet

Al's passion for cycling and a desire to reduce transport emissions and congestion led him to LEVs. Al spent five years developing a universal dock-lock-and-charge system for electric bikes. Al draws on his networks and experience to advise other LEV companies in bike sharing, last mile logistics and private fleets.

CONGRESS SPEAKERS

Dr Elliot Fishman

Director - Institute for Sensible Transport

Dr Fishman is a widely recognised authority on strategic transport innovation in Australia. He has advised the Prime Minister's Office on sustainable mobility policy, the NYC Department of Transportation and Transport for London.

He has a long standing connection with the Netherlands, and has previously worked at Utrecht University and maintains strong connections with leading Dutch transport practitioners. His research measuring the health and economic benefits of Dutch cycling has appeared on the front page Dutch newspapers and peer reviewed journals.

In 2016 Dr Fishman completed two landmark reports for the City of Melbourne and City of Adelaide on disruptive transport technology and the implications for local government. Dr Fishman has written for The Age, the Herald Sun and other major daily newspapers on transport issues. His work has been among the most read and cited articles in peer reviewed transport journals.

John Good

Managing Director, LSH Auto Australia

John Good's career in the international automotive sector spans over 30 years, having been associated with the Mercedes-Benz brand throughout this time. He has held senior management positions with Mercedes-Benz and LSH in Australia, Southeast Asia, Taiwan, China, and the UK, before advancing to his current position as Managing Director of LSH Group Australia.

LSH Auto is the nation's premier retailer of Mercedes-Benz vehicles and the sole retailer for the new, premium, Mercedes-Benz designed, all electric smart range of vehicles.

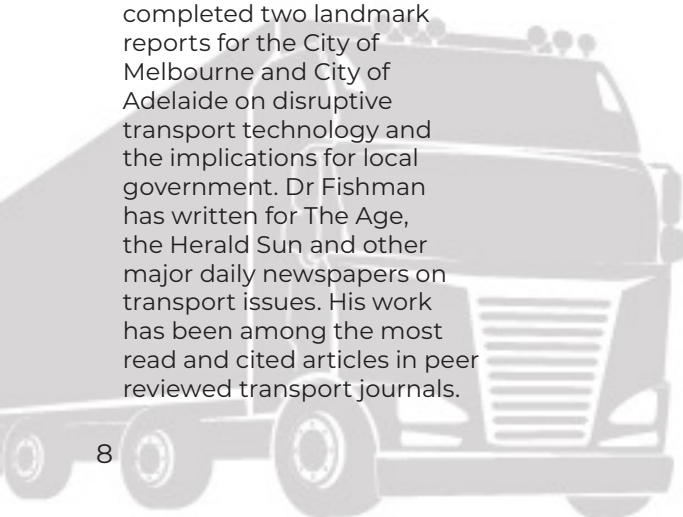

Andrew Higgins

Senior Principal Research Scientist, CSIRO

Andrew is a Senior Principal Research Scientist at the CSIRO Environment, specializing in agricultural transport optimization.

With over 20 years at CSIRO, he's developed tools to improve logistics across Australian supply chains. His TraNSIT model has informed major infrastructure projects, including the northern Australia Beef Roads Programme and Inland Rail. Andrew holds a PhD in rail freight optimization.

CONGRESS SPEAKERS

Scott Greenow

Executive Director Freight,
Transport for NSW

Scott Greenow is the acting Executive Director Freight at Transport for NSW. Scott has over 28 years of experience in the public sector, with a specialisation in road freight operations.

Scott has been instrumental in building strong partnerships with freight customers, and in enabling technology and innovation to improve heavy vehicle access in NSW.

Paul Cutting

Assistant Secretary, Reporting and
Program Management (RPM) Taskforce,
DITRDCA

Paul is the Assistant Secretary and Senior Responsible Officer for the Reporting and Program Management (RPM) Taskforce within the Department of Infrastructure, Transport, Regional Development, Communications and the Arts (DITRDCA). He is leading the development and transition to a new Information Technology system that will deliver streamlined capabilities to State and Territory Governments, Local Government Agencies and DITRDCA's Infrastructure Investments Programs. Previously, Paul successfully managed the financial aspects of the Government's land transport infrastructure pipeline. Throughout his career, Paul has consistently demonstrated a commitment to strategic oversight, stakeholder engagement, and achieving organisational objectives through effective governance and innovation.

CONGRESS SPEAKERS

Geoff Allan

Managing Director, Transport Certification Australia, Austroads

Geoff Allan is the Chief Executive of Austroads and Managing Director of Transport Certification Australia (TCA), a subsidiary of Austroads. Geoff has worked in various roles in the Queensland and Commonwealth Governments, including as Chief Operating Officer of the National Transport Commission. Geoff is Vice-President of PIARC (the World Road Association) and is Chair of PIARC's Strategic Planning Commission. He is a member of the Council (Board) of the Centre for Professional Engineering Education (CPEE). Geoff has a Doctorate in public sector management, Masters of Social Science and a Bachelor Degree in Town Planning.

Adam Wilmot

Technical Director, Roads GHD

With more than 30 years in the Transport industry, Adam has extensive experience in planning, designing, and delivering major road and rail infrastructure projects, contributing his broad expertise to projects across Australia. Adam is particularly passionate about road safety and road trauma reduction.

To this end he leads GHD's Road Safety professional cohort to process, analyse and interpret relevant data, with the aim of influencing decision-makers, planners and designers across industry. Most recently this work has culminated in the release of GHD's landmark global research-based 'Road Safety insights for future generations' report.

Kenn Beer

Senior Roads Safety Author, Safe System Solutions

Kenn Beer is a Registered Professional Engineer, accredited Senior Road Safety Auditor, transport planner, trainer and assessor. He has over 20 years' experience in road safety engineering, planning, policy and strategy development and was appointed to the highly regarded Austroads Road Design Guidance Expert Panel in 2024.

Kenn is one of Australia's most active Safe System practitioners and trainers, and is a sought-after speaker across the globe – recently giving the keynote address at the 130th Good Roads Conference in Ontario, Canada, and at the TRB International Conference on Roadside Safety in Orlando, Florida.

He also hosted the Australasian College of Road Safety's Road Safety Conversations podcast series. Passionate about making roads safe for everyone, Kenn's contribution was recognised with a Prince Michael International Road Safety Award in 2017.

CONGRESS SPEAKERS

Dr David MacLennan

WA Local Government Association

David is an experienced CEO, public sector leader and former diplomat with a record of achievement at local, state, federal and international government levels.

He has been the CEO of the City of Vincent since 2018 and is also the Chair of the Australian Urban Design Research Centre at the University of Western Australia (UWA).

Prior to this, David was the Assistant Director General at the WA Department of Planning, Lands and Heritage.

David is fluent in Spanish and had overseas diplomatic postings with the Department of Foreign Affairs and Trade in the UK, Peru, Mexico and Papua New Guinea.

He is a graduate of UWA and has a Masters of Management from ANU.

Stephen Hodge

Director - National Advocacy,
We Ride Australia

Stephen brings decades of experience and expertise as both a past elite road cycling competitor and, since 2008, as a high-level advocate for active transport. Following a Bachelor of Science degree (ANU) in 1982, Stephen competed internationally in cycling for 13 years. Since establishing a corporate consulting business in 1998, he has worked across health, transport, environment and sport sectors and since 2008 as Director - National Advocacy for We Ride Australia.

In the corridors Australia's Parliament, Stephen is the only professional focused purely on advocating for cycling. In this role Stephen advocates for federal investment in cycling and works in strategic alliances across political, health prevention, environment and built environment, and transport sectors. This experience and major reports such as the Australian Cycling and e-Scooter Economy Report has earned WeRide a unique role as the independent voice for cycling nationally.

VENUE

Margaret River HEART (Hospitality, Education, Arts, Recreation, and Tourism) is a vibrant community hub located in the heart of Margaret River, Western Australia. It serves as a focal point for local events, educational programs, and artistic exhibitions, while also supporting tourism and recreational activities. This multi-purpose facility integrates cultural, educational, and recreational experiences, fostering community engagement and enhancing the region's appeal as a destination. The HEART is designed to reflect the unique character of Margaret River, offering a dynamic space for residents and visitors to connect and explore.

Margaret River HEART

47 Wallcliffe Road, Margaret River, WA 6285

LOCATION

Margaret River, located in the southwestern corner of Western Australia, is a charming town set approximately 277 kilometers south of Perth. With a population of around 8,000 residents, it serves as the heart of the Margaret River region, known for its exceptional natural beauty and dynamic local culture. The town's uniqueness lies in its combination of world-renowned wineries, pristine beaches, and ancient forests. Visitors can enjoy a range of activities including wine tasting at award-winning vineyards, surfing on legendary waves, and exploring spectacular limestone caves like Jewel Cave and Lake Cave. The surrounding area also offers scenic bushwalking trails, such as those in Leeuwin-Naturaliste National Park, and vibrant local markets showcasing artisanal goods and fresh produce. Margaret River's blend of outdoor adventure, cultural richness, and gourmet experiences makes it an captivating destination for travelers seeking both relaxation and excitement.

CONGRESS DINNER

TUESDAY 3 DECEMBER: 6.30PM - 10.30PM

Leeuwin Estate, Stevens Rd, Witchcliffe WA 6286

Leeuwin Estate, one of the founding wineries in the Margaret River region of Western Australia, is a family producer with an international reputation for creating wines ranking alongside the world's finest. The acclaimed Leeuwin Restaurant maintains the food philosophy of combining exceptional seasonal West Australian produce, focusing on flavour, texture and aromas, with current and museum release Leeuwin Estate wines. Celebrating the art of living well, the Leeuwin Restaurant combines fine wine and food in a picturesque setting. Sweeping verandahs, bifolding doors and domed skylights allow Leeuwin's Restaurant to bask in the tranquillity and beauty of its superb setting, overlooking a meadow surrounded by a forest of majestic karri trees.

- Included in full registration fees
- \$250 for guests
- Dress code: Smart casual

EXHIBITION AND SPONSORSHIP OPPORTUNITIES

Book your display table for the 2024 National Local Roads, Transport & Infrastructure Congress now!

The Congress delegates are key influencers and decision makers within councils, so the Congress provides a valuable networking and sales opportunity for businesses and organisations who want councils to use their products and services. Councils in Australia are big businesses with an annual expenditure of around \$43 billion. Around \$10 billion of this is spent on roads and other community assets.

In 2020-21, local government non-financial assets including roads, community infrastructure such as buildings, facilities, airports, water, and sewerage were valued at more than \$500 billion. Councils also employ more than 200,000 people, across more than 400 different occupations.

If you are interested in exhibiting, please call Conference Co-ordinators for more information on 02 6292 9000.

ALGA also has a range of sponsorship opportunities available for the 2024 Congress in Margaret River. You can have a sponsorship package tailored to your requirements.

For further information about sponsorship contact ALGA on 02 6122 9400 or events@alga.asn.au

Visit the website to book a display table now: RoadsCongress.com.au
