*Leadership for our regions*

# 30 years of leadership

- The ARLF is not for profit and national leadership development organisation with a focus **in rural, regional and remote Australia**.
- We run leadership programs across the country including **four national programs** and a suite of **place-based resilience programs**.
- We are celebrating three decades of leadership **impact** this year.

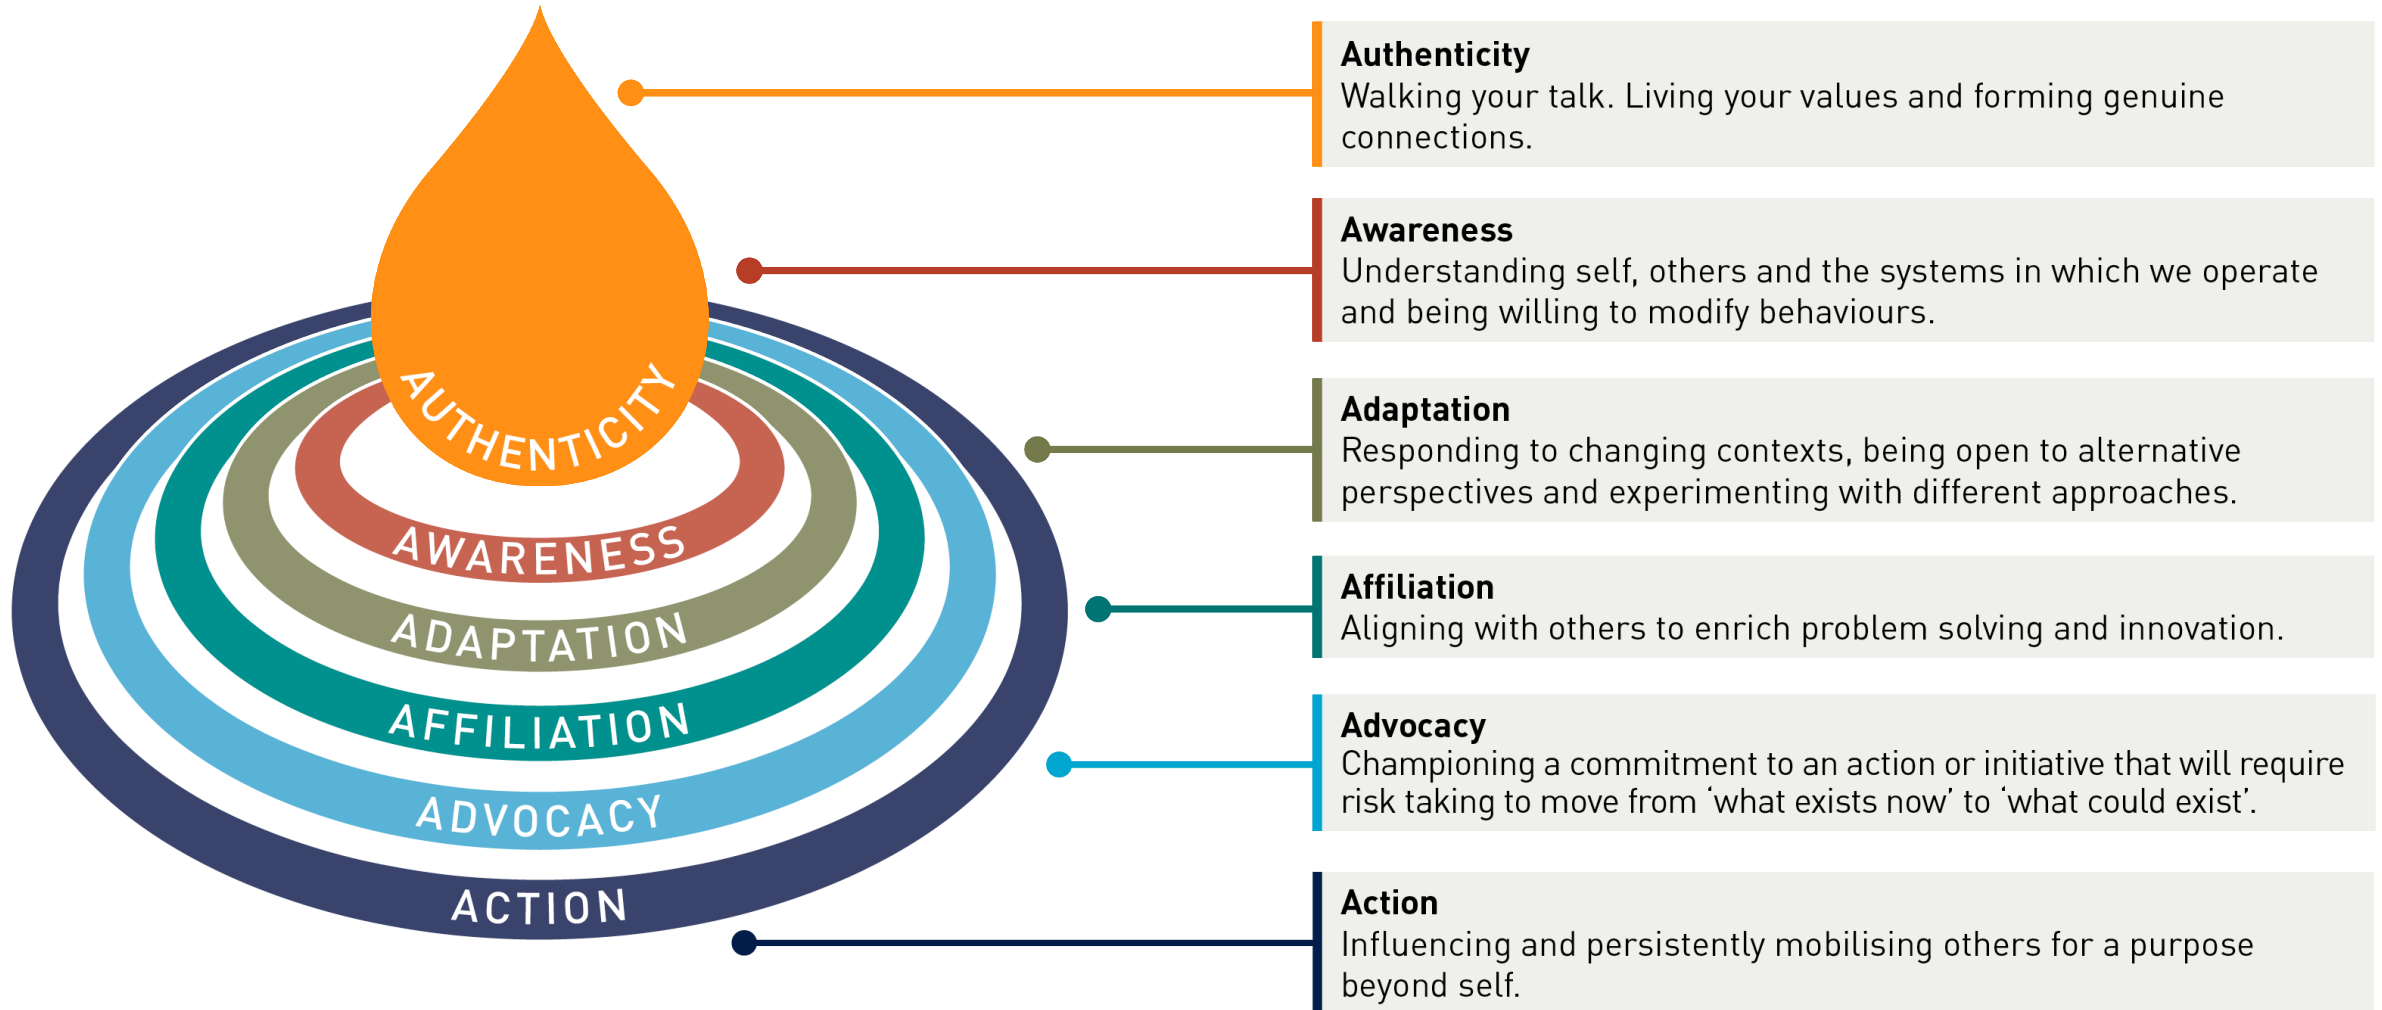

# Our approach to leadership

- Leadership is a practice of **social influence**
- Underpinned by ethics, values and **behaviours**
- Supporting others to act - **collective**
- It is responsive to context, **adaptive** and transformative
- **Leaders serve** – greater good
