What our customers say

"The cover with Tego was more comprehensive than my existing insurer and I was pleasantly surprised to see some great savings on my premium. Tego are attentive and treat me like an individual – not just a policy holder."

Dr. Benjamin Olesnicky, Anaesthetist

"After considerable time spent researching Tego and comparing it against other insurers, I found that Tego had actually listened to what doctors had been saying for years.

The coverage was fantastic. And when I realised that the pricing was extremely competitive, I was even happier. Quality first, price second. But why not have both?"

Dr Chien-Wen Liew, Orthopaedic Surgeon
