Abstract Submissions close
11th April 2025

You are invited to submit an abstract for in-person presentation at ARNA's 34th Annual Conference.

'Nothing is permanent except change' (Heraclitus, 500BC)

No one understands the need to **embrace change** more than rehabilitation nurses. Rehabilitation nurses support patients on a journey of **embracing change**; change to the body and change to the mind. Clinically and professionally, rehabilitation nurses **build resilience** and capacity to understand the new normal, to accept and embrace it.

This is an opportunity to showcase the innovative, unique and progressive work of nurses in the rehabilitation arena. We will learn from and with each other as well as further developing our rehabilitation nursing network and the specialty practice of rehabilitation nursing.
