

11TH INTERNATIONAL CONFERENCE ON
MANAGING FATIGUE

SPONSORSHIP
OPPORTUNITIES

11-13 AUGUST 2026

The University Club of WA

11TH INTERNATIONAL CONFERENCE ON **MANAGING FATIGUE**

Since its inception in Fremantle, Western Australia in 1992, the Fatigue Management Conference has served as a platform for diverse industries to share research and ideas on fatigue and its effects. While transportation has remained a core focus, the conference has also embraced valuable perspectives from the resources, health & military sectors. After travelling to Seattle in 2005, Boston in 2009, returning to Fremantle in 2011 and 2015, then to San Diego in 2017, we are delighted to once again host the International Conference on Managing Fatigue in Western Australia for 2026.

In 2026, the Conference will be hosted at the University of Western Australia (UWA) Club. UWA is a leading Australian research university and has an international reputation for excellence, innovation and enterprise. Set in the heart of Perth's picturesque university grounds, the UWA Club is close to Perth's central business district and one of the world's largest and most beautiful inner-city parks – King's Park.

The Managing Fatigue 2026 Conference Organising Committee looks forward to welcoming sponsors and delegates to the UWA Club in what promises to be another memorable and impactful event.

11TH INTERNATIONAL CONFERENCE ON MANAGING FATIGUE

INVITATION

You are invited to be part of the 11TH International Conference on Managing Fatigue. This event offers sponsors and exhibitors a valuable platform to present your organisation to leading experts, researchers, and professionals dedicated to advancing fatigue management and safety. The exhibition will complement the conference program by giving delegates the chance to explore innovative products, services, and technologies designed to support fatigue risk management across diverse industries.

NOT ONE SIZE FITS ALL

We recognise the not one size fits all and the following packages are suggestions only. If your organisation is keen to participate and has a certain marketing objective or budget, please contact fatigue@eventandconferenceco.com.au to discuss other potential packages to ensure your priorities as a supporter are achieved.

THE VENUE

Positioned in one of the World's most beautiful university campuses, UWA Club is located within the ground of the University of Western Australia. With views of the Swan River, the UWA Club Perth is a relaxed, welcoming venue for the 11th International Conference on Managing Fatigue. The Club mixes modern facilities with classic charm, offering great spaces for networking and learning. It's close to gardens, riverside walks, and the best of Perth, making it an ideal place to connect and share ideas.

CONFERENCE WEBSITE

CONFERENCE PROGRAM

The conference will commence on 11TH August and conclude on the 13TH August 2026.

The conference program will shine a spotlight on innovative strategies, new research and practical solutions that enhance wellbeing and operational performance across all industries impacted by fatigue.

The program will feature a combination of plenary sessions, breakouts and panel sessions. A Welcome Reception will also take place on the 11th of August 2026, designed as an opportunity to connect and network with other industry professionals.

11TH INTERNATIONAL CONFERENCE ON MANAGING FATIGUE

WHY SUPPORT THE 2026 FATIGUE CONFERENCE

Your participation and sponsorship of the Fatigue Management Conference places your organisation at the heart of an influential gathering of diverse industries collaborating on research and ideas on fatigue and its effects. By supporting this event, your organisation strengthens its reputation and credibility within the industry.

The Conference's mix of plenary sessions, panels, and networking breaks offers a chance to forge valuable connections with key stakeholders and attendees. Your brand gains strong visibility in all promotional materials, helping you connect with leading professionals and researchers in fatigue management.

Supporting the Conference is a clear demonstration of your commitment to advancing safety, wellbeing, and operational effectiveness. It also creates a unique opportunity to launch new initiatives directly to your most desired audience.

PROMOTION OF THE CONFERENCE

The Conference is promoted extensively across Australia and internationally, guaranteeing high visibility for all supporters. Promotional efforts include direct mail campaigns with conference announcements and registration brochures, featured sponsor recognition on the event website, advertising in related industry newsletters, engagement through national association networks, partnerships with other relevant websites, and presence at additional industry conferences and meetings.

Your support will be highlighted at every opportunity, amplifying your organisation's reach and reputation among professionals dedicated to tackling fatigue and enhancing workplace safety.
