:30	75	Doctors Lifelong Learning Journeys: A Holistic Narrative Analysis of Continuing Professional Development Struggles Dr Louise Allen, The University of Melbourne	68	The optimal number of options for MCQs – four is better than five. Associate Professor Diane Kenwright, University of Otago, Wellington		Creating a New Medical Humanities Module for 3rd Year Doctor of Medicine: Lenses, Skills, and Engaging with the Arts Dr Rosie Shea, University of Melbourne		TACTICS VR: State-wide, Multi- audience, Virtual Reality Workflow Training for Hyper-Acute Stroke Care Rohan Walker, The University of Newcastle	31	The keys to teaching excellence: Cultivating excellent practice in educators and mentors Dr Claire Goode, Otago Polytechnic		Development of a collaborative health workforce in Australia: results from a national study Dr Sarah Meiklejohn, Monash University	50		531	When one size does not fit a creative enablers to achieve diversity, equity and inclusion health professional education Dr Sowbhagya Micheal, Wes Sydney University
45		Exploring the value of Entrustable Professional Activities (EPAs) as a learning tool in occupational therapy placements. Dr Merrolee Penman, Curtin University	304	Integrating Science And Practice (iSAP) assessment predicts overall performance in a Master of Nursing Practice course Dr Md Nazmul Karim, Monash University	387	The Role of Online Videos in Teaching Procedural Skills in Postgraduate Medical Education: A Scoping Review. Dr Komal Srinivasa, University of Auckland, LabPLUS, Te Toka Tumai	411	Is there a role for augmented or virtual reality in the teaching of clinical skills in medicine? Dr Ashlee Forster, Academy For Medical Education, The University of Queensland	220	Design thinking as active learning experiences Dr. Vivian Romero, University of Melbourne	159	9 Using a large-scale design to improve feasibility and effectiveness of interprofessional simulation in university faculties Ms Justine Dougherty, University of Sydney	430	D Increasing the rural and regional General Practitioner workforce through integrated training pathways. Dr Nara Jones, University of Tasmania		
00		Tested or tradition? Fostering a spirit of clinical inquiry Professor Fiona Newall, Royal Children's Hospital	51	The Role of Anonymous Patient Feedback in Shaping Audiology Students' Soft Skills Patrick Bowers, The University of Melbourne	423	Learning about 'noticing' and interprofessional collaborative practice: a pilot curriculum Charlotte Denniston, University of Melbourne	89	Measuring the Effects and Feasibility of Virtual Reality in Developing Empathy Among Medical Students in a Paediatric Setting Dr Nandini Nagasundaram, Royal Children's Hospital	392	Evidence, pedagogy and unlocking genius: reducing anxiety and facilitating Mathematical Mindset in undergraduate nursing courses. Mrs Kiriaki Stewart, UniSA	186	6 Critical reflection revealed through "PhotoVoice". An evaluation of the rural health interprofessional programme "PhotoVoice" project Dr Kyle Eggleton, University of Auckland	131	Health literacy educational interventions in medical school curricula: A scoping review Associate Professor Margo Lane, Unsw		
15		Training and credentialing programs for collaborative pharmacist prescribing in Australian hospitals: A narrative review Hana Amer, SA Pharmacy, University of South Australia	473	The impact of simulation with debriefing on clinical competence and performance in paramedicine students Mr Jean-Paul Veronese, Griffith University	156	Transforming students' evidence- based practice knowledge, skills and attitudes through an applied educational intervention Mrs Laura Di Michele, University of Sydney	34	Self-reported behaviour change during patient interactions by optometry students after receiving feedback about their online interpersonal skills Dr Bao Nguyen, Department of Optometry and Vision Sciences, The University Of Melbourne	198	Innovating the delivery of intensive care nursing education during the COVID-19 pandemic and beyond Dr Pauline Wong, Monash University	100	Deliberative conversations: How students experience and participate in collaborative decision-making in clinical workplaces Miss Louise Beckingsale, University of Otago	487	 Leadership in Health Professions Education: Assessing leadership competencies in Australasian public health programs Dr Zahra Aziz, Monash University 	38	Student Exemptions for Dist Clinical Rotations – setting fi criteria while considering ED Ms Linda Grose, University of Newcastle
30		Evaluating the restructured Code Black response to violence and aggression in the Emergency Department: How is it working? Dr Jennifer Davids, Western Sydney Local Health District	446	What we say vs what we do- How 'programmatic' are programmatic assessment systems in health professions education - A scoping review protocol A/Prof Priya Khanna, The University of New South Wales	532	Equality of racial representation in dermatology medical education in Australia and New Zealand. Shevani Pothugunta, University of Newcastle	579	Increasing the use of video-based resources in health professional education for online and face-to- face teaching Dr Andrew Vanlint, Northern Adelaide Local Health Network	413	Supporting rural allied health clinical supervisors to facilitate quality allied health student placements: Findings from a survey of Allied Health Professionals in the Midwest and Gascoyne region of Western Australia. Ms Kathryn Fitzgerald, The University of Western Australia	497	7 The Sydney Solution Sprint: Generative AI & Interprofessional education Dr Carl Schneider, The University of Sydney	103	Palliative care education in an Australian undergraduate pharmacy curriculum: An exploratory descriptive study Dr Jennifer Ong , Sydney Pharmacy School, Faculty of Medicine And Health, University Of Sydney		
45	571	Learning in community through co- production in research and education. Ms Caroline Walters, Monash University	591	Student perceptions of their clinical skills pre & post engagement with a remediation program in final year of med school. Assoc. Prof Rashmi Watson, The University of Western Australia			545	The intersection of learning design and generative AI in medical education Dr Bronwen Dalziel, Western Sydney University	362	Perspectives in Learning an Entrustable Professional Activities (EPA) Through a Novel Training Blueprint, Constructed Using the Four-Component- Instructional-Design (4C/ID). Ms Sharon Chan Cui Mun, Khoo Teck Puat Hospital			308	Innovation For First Year Undergraduate Nurses preparation for their first Clinical Placement using SIM in Clinical Labs Mrs Kerry Billing, Flinders University

356 Why do they teach? Exploring medical students' motivations to undertake a medical education elective Dr Matthew Arnold, The University of Adelaide	161 Over the rainbow - skies aren't blue! Medical student experiences of LGBTQIASB+ content in the curriculum and microaggressions in the clinical workplace Shane Jayatillake, Dineli Kalansuriya, The University of Queensland	593	Exploring why we learn from failure Dr Naomi Steenhof, University of Toronto	81	More than a survey: A framework for evaluating intensive care medicine transition training Mrs Jacqueline Tunnecliff, College of Intensive Care Medicine of Australia and New Zealand	296	Virtual Reality (VR) as a teaching and learning tool in undergraduate healthcare education Ms Melanie Welfare, Edith Cowan University	270	A realist review of widening access selection pathways into medical school Dr Emma Bartle, The University Of Western Australia	171	Development and implementation of an innovative, multi-disciplinary and multicultural learning experience using collaborative online international learning (COIL) pedagogy Dr Zahra Aziz, Monash University	275	Teaching rural health to city-ti medical students- can it be di Dr Katrina Morgan, Adelaide Clinical School
299 Initiatives by a Clinical Education team to improve Radiography students' clinical placement experience Mr Yao Wei Timothy Gerard Lee, Tan Tock Seng Hospital	590 Consolidating culturally responsiveness in interprofessional education (IPE) Donna Burkett, Otago Polytechnic School of Nursing		Global horizons in medical education: Establishing international clinical placements for comprehensive learning and collaboration in the Bond Medical Program Associate Professor Cindy Jones, Bond Medical Program, Faculty of Health Sciences & Medicine, Bond University	489	Place-based learning and the development of clinical reasoning in context Dr. Sisira Dharmaratne, Translational Health Reserach Institute, Westernsydney University	72	Touring clinical sites before placements using virtual reality (VR) 3D imagery Ms Haley Vu, University of South Australia	561	Rural and metropolitan applicant's experiences and perceptions of the medical school admissions process for a regional training pathway Associate Professor Sonia Saluja, CQUniversity Australia				
114 A realist evaluation of a culturally- tailored internship program for Nutrition and Dietetics international students Dr Tammie Choi, Monash University	93 Students as Change Agents: exploring student-initiated conversations about low value care on clinical placement Dr Melanie Farlie, Monash University		Revitalizing biomedical practicals by cultivating curiosity to enhance the experience and engagement of medical students. Dr Viythia Katharesan, University Of Adelaide	480	Utilising video-based orientations improves consistency and standardisation of content for intern rotations Dr Andrew Vanlint, Northern Adelaide Local Health Network	170	Leveraging technology to enhance collaboration in team-based learning Dr Jack Gilpin, The University of Queensland	176	Virtual success: Navigating the future with the implementation of virtual multiple mini interviews for admission into undergraduate medical, dental, and oral health degrees Dr. Alexia Pena, University of Adelaide				
499 Student's perspectives of the impact of short-term, international, immersive placements in underserved communities Dr Kacie Dickinson, Flinders University	557 Developing a culturally responsive physiotherapy curricula Dr Ramona Clark, Griffith University		assessment in first-year health	255	Quality learning and teaching: designing a mental health education enhancement hub Lucinda Derrick and Latitia Kernaghan, Three Rivers Department Of Rural Health, Charles Sturt University	538	Mixed-reality triage training for mass casualty incidents: Feature priorities and changes over time Dr Rebecca Baxter, Umeå University	172	"I hadn't ever really thought it was something that I could do": Rural background medical graduates' pathways to medicine. Ms Jessica Beattie, Deakin University	137	Assessing novice learners with case based discussions in general practice Dr Hannah Wu, University of Adelaide	128	The other AI: Maintaining acad integrity of written exams Professor Anna Ryan, Univers Melbourne
385 Lessons learned from Public Health students' reflections about online, asynchronous tutorials Dr Ewan Macfarlane, Monash University	277 More than a Status Syymbol? Pakistani Medical Schools Leaders' Perceptions of the World Federation for Medical Education Recognition Programme Professor Junaid Sarfraz Khan, Lady Reading Hospital Peshawar Pakistan		Guidelines for an online repository of Aboriginal and Torres Strait Islander health educational resources in optometry Ms Kate Pecar, Queensland University of Technology	399	How student placements can positively contribute to workforce development Mrs Kirsty Pope, Monash University	424	Overcoming isolation: building a global community of practice through SCENARIO Ed Dr Carla Taylor, General Practice Supervision Australia	558	Cultural Bias in Medical School Selection Interviews – A Scoping Review Dr Jason Wong, Flinders University				
		36	Evaluating Childhood Obesity Education in Australian Medical Curricula: Towards a 'Gold Standard' Approach for Effective Training and Practice A/prof Conor Gilligan, University of New South Wales	32	Doctors helping pharmacists help doctors: A pilot programme for interprofessional practice Mrs Avril Lee, Waitemata Health	455	Near-Peer Learning: The First Principles of Medicine Educational podcast Dr Adian Izwan, Dr Jun-Ting Yeung, University of Western Australia						
	 undertake a medical education elective Dr Matthew Arnold, The University of Adelaide Initiatives by a Clinical Education team to improve Radiography students' clinical placement experience Mr Yao Wei Timothy Gerard Lee, Tan Tock Seng Hospital A realist evaluation of a culturally- tailored internship program for Nutrition and Dietetics international students Dr Tammie Choi, Monash University Student's perspectives of the impact of short-term, international, immersive placements in underserved communities Dr Kacie Dickinson, Flinders University Lessons learned from Public Health students' reflections about online, asynchronous tutorials Dr Ewan Macfarlane, Monash 	undertake a medical education elective Dr Matthew Arnold, The University of Adelaide LGBTQIASB+ content in the curriculum and microaggressions in the clinical workplace Shane Jayatillake, Dineli Kalansuriya, The University of Queensland 299 Initiatives by a Clinical Education team to improve Radiography students' clinical placement experience Mr Yao Wei Timothy Gerard Lee, Tan Tock Seng Hospital 590 Consolidating culturally responsiveness in interprofessional education (IPE) Donna Burkett, Otago Polytechnic School of Nursing 114 A realist evaluation of a culturally- tailored internship program for Nutrition and Dietetics international students Dr Tarmnie Choi, Monash University 93 Student's as Change Agents: exploring student-initiated conversations about low value care on clinical placement students 499 Student's perspectives of the impact of short-term, international, immersive placements in underserved communities Dr Kacio Dickinson, Flinders University 557 Developing a culturally responsive physiotherapy curricula Dr Ramona Clark, Griffith University 385 Lessons learned from Public Health students' reflections about online, asynchronous tutorials Dr Ewan Macfarlane, Monash University 277 More than a Status Syymbol? Pakistan Medical Schools Leaders' Perceptions of the Wold Federation Professor Junaid Sarfraz Khan, Lady Reading Hospital Peshawar Pakistan	undertake a medical education elective LGBTQIASB+ confert in the curriculum and microaggressions in the clinical workplace Shane Jayatiliake, Dineli Kalansuriya, The University of Queensland 398 299 Initiatives by a Clinical Education team to improve Ratiography students' clinical placement experience 590 Consolidating culturally responsiveness in interprofessional education (IPE) Donna Burkett, Otago Polytechnic School of Nursing 398 114 A realist evaluation of a culturally- tailcred internship program for Nutrition and Dietetics international students 93 Students as Change Agents: exploring student-initiated conversations about low value care on clinical placement. Dr Melanie Farlie, Monash University 466 499 Student's perspectives of the impact of short-term, international, inderesrive placements in underesrive communities Dr Kacie Dickinson, Flinders University 557 Developing a culturally responsive professor Junaid Safraz Khan, Lady Reading Hospital Peshawar Pakistan 29 385 Lessons learmed from Public Health students' reflections about online, asynchronous tutorials Dr Facie Dickinson, Flinders University 277 More than a Status Syymbol? Pakistani Medical Schools Leaders' Perceptions of the World Faderation for Medical Education Recognition Programme Professor Junaid Safraz Khan, Lady Reading Hospital Peshawar Pakistan 29	udertake a medical education elective Dr Matthew Amold, The University LGBTQIASBE - content in the curriculum and microaggressions in the dinical workpace Shane Jayaillake, Dineli Kalancaurya, The University of Queensland 398 Global horizons in medical education. Etablishing international clinical placements for comprehensity elemanics and ducation. (FEP) Doma Burkett, Otago Polytechnic School of Nursing 398 Global horizons in medical education. Etablishing international clinical placements for comprehensity elemanics and clinical placements for comprehensity elemanics and ducation. (FEP) Doma Burkett, Otago Polytechnic School of Nursing 398 Global horizons in medical education. Etablishing international clinical placements for comprehensity elemanics and Medical Program. Tacutty of Health Sciences & Medicine, Bond University 114 A realist evaluation of a culturally- talierd internation program. Tacutty of Nationa on Dieteics International burints. Dr Tammie Choi, Monash University 33 Studentis as Change Agents: exploring atudent-initialed or original placement in Dr Melanie Farlie, Monash University 466 Revitalizing biometical practicals by culturality cuicks in entitical burints. Dr Vipitia Kathaesan, University of Adelaide 335 Lessons learned from Public Health University 277 More than a Status Symbol? Pakistant Medical Schools Leaders' programma 28 Guidelines for an online repository of Aborijatan at Torres Strait Isander health educational resources in optimery programme. 29 Guidelines for an online repository of Aborijatan at Torres Strait Isander health educational resources in optinery programme. 29 <	undertake a medical education elective of Adelaide LCBTQLASSP- confert in the curriculum and microargerssions in the clinical workplace Shane Jayailloke, Direli Kalansurya, The University of Queensland Toronto Toronto 299 Initiatives by a Clinical Education team to improve Radiography students' clinical placement experience 590 Consolidating culturally responsiveness in interprofessional education. 3:00		Palliative care curriculum content recommendations for Australian pre-registration nursing curricula: Findings from round one of a modified Delphi study Mrs Sylvia Nilsson, University Of Canberra	182	The bidirectional effects of peer feedback during medical student peer mini-CEXs. Dr Timothy Martin, The University of Melbourne	498	"I think that this goes deeper than my pay grade": Academic and student perspectives on use of AI for reflective writing in nursing and midwifery Dr. Averil Grieve, Monash University	273	Strengthening Capacity for Implementation Research: Learnings from the Global Alliance for Chronic Diseases Implementation Science School and e-Hub Kevin Mao, Baker Heart And Diabetes Institute/latrobe University	283	Negotiating Roles and identities in context: Medical students learning in their first full clinical year. Ms Vanessa Ryan, Flinders University	30	13 Learning collaborative practice on clinical placements Dr Dale Sheehan, University Of Otago, Christchurch, New Zealand	8	"[We] need a seismic shift": Disabled student perspectives on disability inclusion in U.S. medical education Dr. Neera Jain, Centre For Medical And Health Sciences Education, Waipapa Taumata Rau - The University Of Auckland	298	Mind your Digital Footprint: Exploring Nursing and Midwifer Students' Social Media Use an Awareness Dr Lyn Gum, University Of Sou Australia
3:15		Examining the nexus between medical education and complexity theory: A systematic review to inform practice and research Dr Kathryn Ogden, University of Tasmania	149	Artefact Creation Project: An Authentic Assessment Method to Evaluate Anatomy and Physiology in Health Sciences Dr Rowaida Sleem, Flinders University	191	Scholarly, regulatory, and organisational factors influencing eHealth data analytics implementations within the CPD ecosystem: integrated findings from a multi-study project Carol Pizzuti, The Royal Australasian College of Pysicians	390	Dementia care and support training in rural and remote Australia: survey findings from a Dementia Training Australia project on the perspectives of a distinctive and diverse workforce Dr John Woods, Western Australian Centre For Rural Health	403	International medical graduate orientation – Setting them up to succeed Dr Usha Parvathy, Hunter Health, Newcastle	28	SP Evaluation of a simulation-based interpretation – occupation therapy interprofessional education program Dr. Eli Mang Yee Chu, Monash University	588	8 Exploring the Influence of Age as a Mediator in Gender Disparities: Personality Traits, Emotional Intelligence, and MMI Jaclyn Szkwara, Bond University	499	Student's perspectives of the impact of short-term, internatic immersive placements in underserved communities Dr Kacie Dickinson, Flinders University
3:30	238	Teaching clinical reasoning in preclinical health education: the role of context Mr. Thomas Merkus, Charles Sturt University, School Of Rural Medicine	249	Cultivating Innovation by developing nursing students' evaluative judgement in clinical practice education Mrs Bridget Henderson, Flinders University	465	Teaching with and through technology: a framework for teaching physical examination in the digital age. Ms Jessica Lees, University of Melbourne	476	Exploring Uncharted Territories: Role-Emerging Placements in Allied Health Education Mr Ibrahim Alomari, La Trobe University	69	Underperformance and failure in allied health practice placements: a scoping review Mrs Amanda Wray, College of Nursing & Health Sciences, Flinders University	25	 Innovation in Clinical Education within Public Health - A Psychology Mentorship Training Pilot – an opportunity for expand psychological skills inter- professionally? Mrs Elise Wald, Monash Health 	127	7 Successful practice placements for international students: Barriers and Facilitators Professor Debbie Plath, Ikon Institute	210	The Schweitzer Effect: the fundamental relationship betw experience and medical stud opinions on professional beha A/prof Paul McGurgan, UWA Medical School
3:45		Thinking about the 'E' in the Ethics, Law and Professionalism curriculum for Medical Programs Dr Jennie Shone, University f Sydney		WBA Assessor Responsibility: Understanding the transfer of responsibility from teaching institutions to clinicians in the workplace. Dr Chak Man Jane Li, University of Sydney	85	Otaro - An interactive and immersive E-platform to enhance student engagement; A blended interprofessional community of inquiry Mr Jonathan Ng, The University of Melbourne	313	 Pedagogy or pragmatism: Regulator perceptions of the value of placement and changes to placement requirements post COVID-19 Professor Yvonne Thomas, Otago Polytechnic 	572	The Emerging NUM Program – Building Collaborative Competence and Enhancing and Expanding Leadership Skills Ms Elizabeth Schlossberger, Prince of Wales Hospital	87	7 Co-design of Interprofessional education measurement tool to understand health professional students' knowledge and attitudes towards Interprofessional Education. Dr Serena Hong, UNSW	260	From Flat to Fantastic: Forming a Picture Library of 3D Organs Dr Rachelle Singleton, The University Of Auckland	349	Medical Board of Australia (M professionalism and regulation education resources: pilot implementation in medical sch Ms Jenny Barr, Susan Biggar, Medical Board of Australia
4:00		Are we nurturing students and supervisors to prepare students for clinical practice? Ms. Claire Mustchin, Melbourne Dental School, The University of Melbourne	364	Using Artificial Intelligence to help develop high clinical complexity medical assessment content Dr Hannah Wu, University of Adelaide, eMidici	584	Smart Tutorials the Revolution Mr Scott Hallman, Otago University	97	Learning paediatrics in general practice – Impact? Continuity? Equivalence? Professor Lucie Walters, Adelaide Rural Clinical School	373	Tracking trainee development: Preliminary validation of a tool designed to evaluate clinical psychology competencies over time Associate Professor Katherine Lawrence, Monash University	40	10 Using co-design principles to support interprofessional peer feedback exchanges and collaborative practice skill development Carolyn Cracknell, University of Melbourne	366	6 The experiences of neurodivergent students in health professions programs. A scoping review. A/Prof Laura Gray, Deakin University	310	Who are we now? Profession identity formation in Australian medical students and junior de Dr Jessica Elhosni, University Newcastle
4:15		Clinical Evidence Synthesis: Constructive Alignment and Authentic Curriculum Dr Nilakshi Waidyatillake, The University of Melbourne	193	Unpacking the nuances of quality assurance processes in programmatic assessment - a scoping review Dr Daniela Castro de Jong, UNSW Sydney	427	Student access of an online clinical skills video library before, during and after the COVID-19 pandemic Dr Alexandra Jaworski, Deakin University	566	Creating multiformat tailorable online trainings - ARPANSA's Occupational Radiation Exposure (ORE) modules Mr Alan Jonathan Mason, ARPANSA	99	Pharmacist medication review rounds with medical students. Ms Anne Leversha, Monash University	44	2 An innovative student-resourced clinic / service-learning model preparing the future health workforce for interprofessional practice Mrs Dayle Osborn, Southern Queensland Rural Health	371	Medicine and Dentistry selection – examining five years of data of the UCAT ANZ test through an equity lens Dr Julie Willems, Monash University	564	The Domains of Professional Supporting professional ident formation of medical imaging professionals Mrs Alison White, Griffith Univ
4:30		Accounting for final year student nurses' perceptions of the impact of climate change on public Health in Fiji Ms Dolores Hill, Fiji National University	177	How and why educators provide feedback to students Ms Chanika Ilangakoon, Monash University	548	How can we cultivate educational innovations to identify urgent radiological findings? Ms Kristal Lee, University of Sydney / Monash University			187	Evaluating a novel training course about dementia-friendly eyecare for optometrists Dr Marianne Coleman, University of Melbourne / Australian College Of Optometry	27	79 An interprofessional placement to support children's language and literacy development: A collaboration between speech pathologists and primary school teachers Ms Clare Coulter, Flinders University	108	8 Perceptions of interactions between culturally and linguistic diverse allied health students and their clinical educators Anne Pearson, University of Queensland	181	Why am I learning hand-was when I want to be a speech pathologist?: A pilot study. Associate Professor in Spee PAthology Deborah (Deb) Ja University of Southern Queer
4:45		What is taught to physiotherapy students about assessment of people with neurological conditions? Educator Interviews and Curricula audit of Australian programs.	508	Unveiling innovative approaches to formative OSCEs: Insights from faculty examiners, Year 3 Students and Year 4 near peer assessors Dr Michael Poulton, University of Melbourne												

DAY TW

 \bigcirc

WEDNESDAY 3 JULY 2024 continued 15:30 Concurrent Sessions 6A - 6H Poster Session 6 Poster Pods 15 and 16 - Riverbank Foyers

	6A Equity, Diversity and Inclusion 3		6B Designing Curriculum and Planning Learning 8		6C Designing Curriculum and Planning Learning 9		6D Education in Workplace Settings 7		6E Teaching and Facilitating Learning 4		6F Faculty Development 2

#	Chair:	#	Chair:	#	Chair:	#	Chair:	#	Chair:	#	Chair:
41	2 ECOUTER: Awkward acronym; wonderful way to investigate the essential ingredients of high quality rural and remote health student placements Miss Melissa Ridd, Flinders Rural and Remote Health NT		Sending them out blind: Are dietetic graduates being adequately trained for work in private practice? Dr Merran Blair, Monash University	336	Co-designing an innovative interprofessional Allied Health program in regional Australia. Dr Ali Dymmott, Flinders Univeristy	173	Bridging the university-hospital divide, a collaborative approach to professional development for health professionals Claire Bauer, The Royal Children's Hospital Melbourne	358	Cultivating Reasoning through Example-based or Self-Explanation- based Teaching (CREST)? Dr chee chew Yip, Khoo teck puat hospital	6	"How are senior staff suppose know" – The perceived importance and feasibility of g feedback up to senior colleag among doctors and nurses. Dr Carolyn Van Heerden, University of Melbourne
27	2 The cross-cultural transition journey from student to practitioner: a qualitative exploration of Australian- trained Asian dietitians' career trajectories Ms Ying Pik (Pik) Chow, Department of Nutrition And Dietetics, Monash University		Subject subjectiveness: What are the natural criteria subject matter experts use when making decisions about what should be included in the curriculum? Dr Maxine Moore, Flinders University	197	An innovative transition to practice program in mental health: a co- design project Jade Courtney, Monash Health	192	Navigating bodies: the challenge medical students face when learning cardiac ultrasound skills in a clinical environment Dr Sierra Beck, University of Otago- Department of Medicine	59	A comparative study exploring the application of self-evaluation in online clinical skill development Dr Stevie-Jae Hepburn, The University of Queensland	12	The 'Learning-Bytes' program innovative, online professiona development resource to supp clinical educator faculty Dr Anna Phillips, UniSA
15	1 Barriers before entry: a policy review of guidance provided to medical school applicants with a disability A/Prof Laura Gray, Deakin University		Improving sleep education in postgraduate psychology programs: Evaluating the state-wide roll-out of a sleep education workshop for trainee psychologists using the RE-AIM framework. Dr Hailey Meaklim, The University of Melbourne	482	Conflict in healthcare: What are our students experiencing, and how ready do they feel to manage it? A preliminary analysis Dr Kate Jutsum, University Of Western Australia	79	Barriers and Facilitators to Medical Student Learning in the Outpatient Setting: A Narrative Review Stanley Hartono, University of Melbourne	486	Is it still useful? Looking into medical graduates' application of contemplative communication skills in clinical settings using audio diaries. Associate Professor Kwong Djee Chan, Dr Moira Nolan, Ms Linda Humphreys, Griffith Univeristy	17	4 Enhancing clinical supervisor effectiveness and the superv culture in a tertiary teaching h through an innovative progra professional development. Tim Clement, University of Melbourne
39	Experiences of rural and metropolitan background applicants in preparing for and completing a regionally focused multiple mini- interview Dr Romeo Jr Batacan, Central Queensland University		Impact of art and reflective practice on medical education in the emergency department Miss Nicole Kovach, Monash University	451	Designing and Creating a Different Medical School: NewMed Dr Iulia Oancea, NewMedical Education Pty Ltd	436	An innovative student placement model utilising mentoring circles and fostering feedback literacy. Ms Melanie Myers, Eastern Health	3	Exploring the experiences of postgraduate nursing students in accelerated asynchronous online courses Professor Amanda Wilson, UTS	16	Entrustable Professional Act for Bedside Clinical Teacher: Dr. Ahsan Sethi, Qu Health, University, Doha
47	7 The use of gender-inclusive language in pre-registration medical and midwifery curricula in Australia, New Zealand and the United Kingdom Mr Jack Duckett, University of Melbourne	405	Challenging with Chilli's: Scaffolding learner-led task difficulty into nursing clinical skills Mrs Rebecca Caulfield, University 0f Canberra	415	Aligning curriculum to key clinical readiness themes Dr Ls Katrina Li, La Trobe University	397	Charles Sturt University School of Rural Medicine is building rural health research capacity across an extensive rural clinical school footprint Dr Catherine Keniry, Charles Sturt University - School Of Rural Medicine	199	Students clinical workbooks, digital story telling and patient-lived experiences to enhance person centred care. Can it be done? Mr John Mcinerney, Monash University	41	O Clinical Placements are Risk Business: An innovative appi to managing risk in clinical ec Ms Kylie Erben, Associate Professor Lisa Cheshire, Uni of Melbourne
40	2 Engaging students as partners to enhance equity in global mobility experiences. Dr Greer Lamaro Haintz, Deakin University	107	Cultivating innovative partnerships between a health network and University to create better learning experiences for early career nurses. Mrs Claire James, Mrs Caterina Feltrin, Mr Paul McLiesh, Central Adelaide Local Health Network	276	Is Climate Change included in entry- level Physiotherapy education in Australia? Dr Kerstin McPherson, University of Canberra, Charles Sturt University	583	Is the journey more important than the destination? Vivienne Mak , University of Melbourne			19	6 How to initiate, develop and maintain a culture of innovati teaching team A/Prof Brahm Marjadi, Schoo Medicine, Western Sydney University

Conference Dinner - Adelaide Convention Centre 19:00

DAY

589	The Future is Now: Are we	318	Cultivating innovation: Revisiting
289	The Future is Now: Are we adequately preparing our students? Professor Nalini Pather, University of Queensland Medical School	318	Cutivating innovation: Revisiting the way empathy is embedded into communication skills training Dr Conor Gilligan, Bond University

ANZAHPE 2024 POSTER PROGRAM

Posters are grouped into two to three pods per session. Posters in each pod will be presented concurrently. Presenters will have 3 minutes to present and 2 minutes to answer questions during the dedicated in-conference session.

TUESDAY 2 JULY 2024

Poster Session ONE (1) 10.30am Tuesday 2 July, 2024 - Riverbank Foyers

Pod 1	Tuesday 10.30am		Pod 2	Tuesday 10.30am		Pod 3	Tuesday 10
THEME	E: Teaching and Facilitating Learning 1		THEM	E: Culture 1		THEM	E: Technolo
Chair:		#	Chair:		#	Chair:	
P1.1	Does simulation-based education improve student confidence and experience in learning musculoskeletal physiotherapy skills? Dr Ben Weeks, Griffith University	208	P2.1	'It is rife within the hospital'Medical students' experiences of Bullying, discrimination and harassment. A/prof Paul McGurgan, UWA Medical School	80	P3.1	Artificial Inte in minimally Mr Denuka
P1.2	Use of 360 degree camera to promote physiotherapy skills Dr Ls Katrina Li, La Trobe University	395	P2.2	Educator learning and action on anti-racism: an example in nutrition and dietetics Dr Julia McCartan, Monash University	360	P3.2	Participants donation co Prof Rosalie
P1.3	Undergraduate physiotherapy students' perceptions of assessment and clinical reasoning in neurology: A qualitative interview study Ms Jill Garner, Flinders University	414	P2.3	Physiotherapy staff understandings and preparedness to teach using First Nations teaching approaches A/Prof Benjamin Weeks, Griffith University	456	P3.3	Is New Alwa Tool (Anki) Dr Jason D Western Au
P1.4	The experience of rural undergraduate Bachelor of Nursing students engaging with a nurse tutor: A descriptive study. Mrs Elise Ryan, Three Rivers Department Of Rural Health	535	P2.4	Using a co-produced multi-level drug-stigma reduction intervention to influence organisational culture Mr Stuart Wall, Peninsula Health	5	P3.4	An evaluatio using a web Primary Ca Madam We
P1.5	What is the impact of burnout among hospital-based doctors on medical education? – a systematic review. Dr Tia Solomon, Alfred Health	223	P2.5	Prevalence of neurology as a core clerkship in LCME-accredited US allopathic medical schools Dr. J. Douglas Miles, University Of Hawai'i John A. Burns School Of Medicine	244	P3.5	Beyond the control prev remediation use. Mr Denuka
P1.6	Teaching the skills in evidence-based medicine through online critical appraisal activities: an evaluation by medical students and their clinical supervisors. Dr Rajneesh Kaur, University of Sydney	232	P2.6	"How many times a week is it acceptable to cry at/after work? Asking for a friend" Dr Lorna Davin, University Of Notre Dame Australia	547	P3.6	Comparing incidents ar mixed realit PhD Susan
P1. 7	The Human Library and the development of cultural awareness and sensitivity in occupational therapy students: a mixed methods study Dr. Eli Mang Yee Chu, Monash University	474	P2.7	Cultivating Equitable Learning Environments: Exploring Co- Production in Recovery Colleges Katheryn Jones, Curtin University	317	P3.7	Digital teach and learning Mrs Rachel
P1.8	Beyond the Books: A Comprehensive Orientation Program for First- Year Medical Students Dr Amudha Kadirvelu, Monash University Malaysia	258	P2.8	Cultivating the future rural medical workforce – growing the general practice training opportunities in the bush Dr Caroline Phegan, Riverland Mallee Coorong Local Health Network	352	P3.8	How A Mou Mr Daniel N
P1.9	Low-cost practical solutions for a high-tech program. Katherine Guerrero, University of South Australia	154	P2.9	'You have to give it away to keep it". Exploring the impact of the Connecting to Country cultural immersion experience on Allied Health students - A case study. Mrs Louise French, Three Rivers Unit, Charles Sturt University	169	P3.9	Assessmen students Associate F
P1.10	Spot the fake news: evaluating medical students' competency in navigating misinformation Dr. J. Douglas Miles, University Of Hawai'i John A. Burns School Of Medicine	434	P2.10	Conflict verses Collaboration: Fashioning the small group culture. Doctor Susannah Warwick, Rural Clinical School of Western Australia	375	P3.10	Supporting (SCRUBS) Jenn Cople

10.30am

ology Enhanced Learning 1

Intelligence (AI) use in surgical skill proficiency assessment ally invasive surgeries – A qualitative review. ka Kankanamge, Macquarie University Sydney

nts experience of and evaluation of webcoaching for family conversation training alie Grivell, Australian Organ and Tissue Authority

Ilways Better? The Effectiveness of a Novel Flashcard Study ki) in Medical Education n D'Silva, Associate Professor Helen Wilcox, University of Australia
