**14<sup>th</sup> Health Services Research Conference**

# SPONSORSHIP

# OPPORTUNITIES

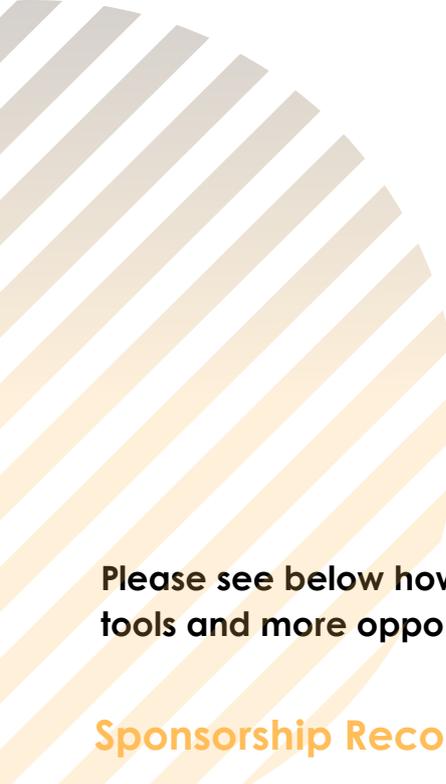

The **14th Health Services Research Conference** has become the premier professional development opportunity for those policy makers, practitioners and researchers who share an interest in understanding how health services research and policy can contribute to improved health services delivery and better health. Participants come from a wide range of disciplines - medicine, nursing, allied health, psychology, sociology, political science, management science and health economics.

HSR Conference Sponsorship provides a wide range of opportunities for meaningful delegate engagement as well as brand awareness and positioning, lead generation. Sponsorship enables us to present an inspiring and professional event, showcasing the best national and international speakers, with registration fees and a pricing structure that are accessible to a wide range of delegates, many of whom come from the government, health care providers and businesses, technology, academic, community and not for profit sectors. Above all, sponsors of our conference receive recognition from and unsurpassed access to the leading health researchers, policy-makers, clinicians and health professionals, who meet to share their knowledge and experiences and collaborate on future directions for health research and policy in New Zealand, Australia and internationally. Support is a clear demonstration of a commitment to promoting much needed dialogue between health services research, policy and practice, to improving health and health systems.

The Conference will be held at **Tākina Wellington Convention and Exhibition Centre in Wellington, New Zealand**, from **2 - 4 December 2026**, offering an unique opportunity for participants to engage and network with each other, and with event sponsors. The conference will provide an opportunity to stimulate new ideas, review current practise and policy, update skills and network with colleagues from around New Zealand and Australia.

The theme for HSR 2026 is **The Promise and Future of Health Services Research** and we would be delighted to work with you to ensure the conference provides innovative sponsorship opportunities that provide value to sponsors.

# OVERVIEW

**Please see below how HSR 2026 packages can provide your company with unique tools and more opportunities to engage and interact with attendees at the event.**

## Sponsorship Recognition

The Conference Website is the main source of information and is a valuable tool to provide up to date material to all delegates leading up to the event. Sponsors will be recognised with reference to their company website as supporting the event including their logo and link to their company URL. Throughout the planning of the event, delegates receive ongoing updates and communication which can be branded with your logo. The Conference Program Book will be available for delegates attending in Brisbane. Inside includes information on ways to engage and participate in the event, sponsor advertising space, and general information for delegates.

## In Person Conference

Whether you are sponsoring as a HSR26 Partner or participating with a trade display, having your company presence at the Conference in Wellington provides sponsors with the ultimate opportunity to talk business face to face with our large community of delegates. Meeting together in 2026, will provide sponsors and attendees the opportunity to interact and engage in person in a spacious and well-planned area conducive to colleagues engaging and networking. In addition to the opportunity to physically attend and interact, acknowledgment as a valued sponsor will occur through visual and verbal recognition throughout jammed packed 3-day Conference Program planned. A well-attended Welcome Reception will also be included.
