

TUESDAY 29 NOVEMBER 2022

| | |
|----------------------|---|
| 13:00 - 16:30 | <p>Workshop: First Nations experiences of health research and the PhD journey</p> <p>Room: Seminar Room 2240</p> <p>University of Sydney Abercrombie Business School Building, Level 2, Seminar Room 2240</p> |
| 15:00 - 18:00 | <p>Early Registration Open, Level 1 Foyer (adjacent to café) <i>For those delegates wishing to register prior to the first day of the Conference</i></p> <p>Early Speaker Support Open, Level 1 Foyer, Seminar Room 1140 <i>For any presenters wishing to upload their presentation with the AV team prior to the first day of the Conference</i></p> |

WEDNESDAY 30 NOVEMBER 2022

| | |
|----------------------|--|
| 8:00 | <p>Registration, Level 1 Foyer (adjacent to café) Speaker Support Open, Level 1 Foyer, Seminar Room 1140</p> |
| 8:45 - 9:20 | <p>OFFICIAL OPENING <i>Chair: Rachael Morton</i> Plenary Room: Auditorium B2010</p> |
| | <p>Welcome and Welcome to Country Official Opening: The Official Opening will be conducted by The Hon Brad Hazzard MP, Minister for Health</p> <p style="text-align: right;"><small>Supported by the</small> </p> |
| 9:20 - 11:00 | <p>PLENARY SESSION 1: Connecting policy makers and health services researchers to build resilient health systems in COVID-19: Three international perspectives. <i>Chair: Robin Gauld</i> Plenary Room: Auditorium B2010</p> |
| 9:20 - 9:45 | <p>Professor Trish Greenhalgh, University of Oxford <i>Pandemic Resilience: The UK experience (what the metrics failed to predict)</i></p> |
| 9:45 - 10:10 | <p>Professor Adalsteinn Brown, Dalla Lana School of Public Health, University of Toronto <i>The Challenges of Policy and Politics when providing Scientific Advice - Observations from Ontario</i></p> |
| 10:10 - 10:35 | <p>Dr Jean-Frederic Levesque, Agency for Clinical Innovation, NSW</p> |
| 10:35 - 11:00 | <p>Questions to the panel</p> |

Sponsored by:

WEDNESDAY 30 NOVEMBER 2022 cont...

| 11:00 - 11:30 Morning Tea (Level 1 Foyer) and Poster Gallery (Seminar Room 1100) | | | | | | | | | | | | | | | | | | | | | | | | | | | | | | | | | | | | | |

| 11:30 - 12:45 CONCURRENT SESSION 1 | | | | | | | | | | | | | | | | | | | | | | | | | | | | | | | | | | | | | |
| Room: Lecture Theatre 1050 | | | Room: Lecture Theatre 1060 | | | Room: Lecture Theatre 1040 Chair: Lauren Christie | | Room: Lecture Theatre 1070 Chair: Annie Lewis | | Room: Lecture Theatre 1170 Chair: Ann Livingstone | | Room: Lecture Theatre 1130 Chair: Kirsten McCaffery | | | | | | | | | | | | | | | | | | | | | | | | | |
| Symposium 01: Indigenous health Doula Program, Canada | | | Symposium 02: Cutting edge methods for comparative effectiveness studies using Big Data in stroke | | | Session 1C: Caring for older people | | Session 1D: Chronic disease management | | Session 1E: Exploring consumer preferences | | Session 1F: COVID-19: Health service response | | | | | | | | | | | | | | | | | | | | | | | | | |
| 11:30 | Symposium 01 | 15: Putting them on a Strong Spiritual Path: Indigenous Doulas Responding to the Needs of Indigenous Mothers and Communities , Dr. J Cidro, University Of Winnipeg 16: Indigenous Doulas: Exploitative Work While Caring for Our Relatives?, Ms A Hayward, University Of Winnipeg 32: Negotiating and Troubleshooting Western Systems as Indigenous Doulas, Kiera Kowalski, University of Winnipeg 51: Relationship-Centred Professional Development for Indigenous Birth Support Workers, A Nychuk, University Of Winnipeg | Symposium 02 | 107: Wrangling pharmaceutical claims data to measure medication adherence as an outcome after stroke, A/Prof Monique Kilkenny, Stroke And Ageing Research, Department Of Medicine, School Of Clinical Sciences At Monash Health, Monash University 112: Quantitative analysis of the potential effects of misclassification bias in health services research: a case study of stroke care services, Dr M Olaiya, Monash University 131: Minimising measured confounding in real-world effectiveness studies using different propensity score adjustment methods: A case study for stroke, Mr Lachlan L. Dalli, Monash University 176: Application of the target trial framework in a comparative effectiveness study of Chronic Disease Management Plans following stroke, A/prof Nadine Andrew, Monash University 220: Utilising an Effective Framework for Data Management, Documentation and Transformation of Linked Healthcare, Registry and Claims Data in Stroke, Dr David Ung, Academic Unit, Peninsula Clinical School, Monash University 203: Using Linked Data in an Economic Evaluation of Primary Care Planning for Managing Stroke, Dr Joosup Kim, Monash University | 1C.1 | Long Oral | 23 | 1D.1 | 2 | 1E.1 | 228 | 1F.1 | Long Oral | A framework for the evaluation of geriatric outreach programs for acutely unwell older people residing in residential aged care facilities, Dr Luke Testa, Macquarie University | | | | | | | | | | | | | | | | | | | | | | | |
| 11:35 | | | | | | | | | | | | | | 316 | 1C.2 | 336 | 1D.2 | 267 | 1E.2 | 333 | 1F.2 | Healthy ageing trends in Australia: integrating changing needs into health service planning, Dr Sabrina Lenzen, The University Of Queensland | | | | | | | | | | | | | | | |
| 11:40 | | | | | | | | | | | | | | Short Oral | 113 | 1C.3 | 353 | 1D.3 | 30 | 1E.3 | Long Oral | 280 | 1F.4 | Short Oral | The role of inter-organisational collaboration in the implementation of a population-based programme for the elderly in New Zealand: Study protocol, Mrs. Maryam Pirouzi, University Of Auckland | | | | | | | | | | | | |
| 11:45 | | | | | | | | | | | | | | | | | | | | | | | | | 198 | 1C.4 | 206 | 1C.5 | 300 | 1C.6 | 413 | 1D.5 | 405 | 1E.4 | 416 | 1F.7 | Measuring quality in aged care – issues and solutions, A/Prof Tracy Comans, Centre For Health Services Research, The University Of Queensland |
| 11:50 | | | | | | | | | | | | | | | | | | | | | | | | | 206 | 1C.5 | 300 | 1C.6 | 413 | 1D.5 | 405 | 1E.4 | 416 | 1F.7 | How effective are pictures in eliciting information from people living with dementia? A systematic review , Professor Tracy Comans, The University of Queensland | | |
| 11:55 | | | | | | | | | | | | | | | | | | | | | | | | | 300 | 1C.6 | 413 | 1D.5 | 405 | 1E.4 | 416 | 1F.7 | Self-harm in people over 40 living with dementia: predictors, patterns of service use, and mortality., Dr A Walker, UNSW Sydney | | | | |
| 12:00 | | | | | | | | | | | | | | | | | | | | | | | | | 413 | 1D.5 | 405 | 1E.4 | 416 | 1F.7 | Telehealth breathing training group for adults with chronic pain: a mixed methods pilot study, Asta Fung, University Of Newcastle | | | | | | |
| 12:05 | | | | | | | | | | | | | | | | | | | | | | | | | 405 | 1E.4 | 416 | 1F.7 | Improving hypertension diagnosis through machine learning in a national general practice database, Ms Jacqueline Roseleur, Flinders University | | | | | | | | |
| 12:10 | 416 | 1F.7 | Q & A | | | | | | | | | | | | | | | | | | | | | | | | | | | | | | | | | | |
| 12:15 | Q & A | | | | | | | | | | | | | | | | | | | | | | | | | | | | | | | | | | | | |
| 12:20 | Q & A | | | | | | | | | | | | | | | | | | | | | | | | | | | | | | | | | | | | |
| 12:25 | Q & A | | | | | | | | | | | | | | | | | | | | | | | | | | | | | | | | | | | | |
| 12:30 | Q & A | | | | | | | | | | | | | | | | | | | | | | | | | | | | | | | | | | | | |
| 12:35 | Q & A | | | | | | | | | | | | | | | | | | | | | | | | | | | | | | | | | | | | |
| 12:40 | Q & A | | | | | | | | | | | | | | | | | | | | | | | | | | | | | | | | | | | | |
| 12:45 - 14:00 | Lunch (Level 1 Foyer), Poster Gallery (Seminar Room 1100), ERGO Speed mentoring session (Lecture Theatre 1060) | | | | | | | | | | | | | | | | | | | | | | | | | | | | | | | | | | | | |

WEDNESDAY 30 NOVEMBER 2022 cont...

| 14:00 - 15:15 CONCURRENT SESSION 2 | | | | | | |
|------------------------------------|---|---|--|---|---|--|
| | Room: Lecture Theatre 1050 Chair: Alison Hayes | Room: Lecture Theatre 1060 Chair: Tim Stokes | Room: Lecture Theatre 1040 Chair: Alison Beauchamp | Room: Lecture Theatre 1070 Chair: David Snowdon | Room: Lecture Theatre 1170 Chair: Alison Hayes | |
| | Symposium 03: What it takes to create value-based maternity care | Session 2C: Primary care | Session 2D: Implementation science and knowledge translation | Session 2E: COVID-19: The health service experience | Session 2F: Economic evaluation | |
| 14:00 | | | | | | |
| 14:05 | | 337 2C.1 | 256 2D.1 | 169 2E.1 | 164 2F.1 | |
| 14:10 | | | | | | |
| 14:15 | | | | | | |
| 14:20 | | 77 2C.2 | 438 2D.2 | 207 2E.2 | 217 2F.2 | |
| 14:25 | | | | | | |
| 14:30 | 102: Complexities of evidence adoption and adaptation in maternity care: the txt4two experience, A/Prof Shelley Wilkinson, The University Of Queensland | 324 2C.3 | 194 2D.3 | 288 2E.3 | | |
| 14:35 | 120: Patient-reported outcomes and cost-effectiveness in maternity services, Dr Elizabeth Martin, Queensland University Of Technology | 277 2C.4 | 281 2D.4 | 171 2E.4 | 48 2F.3 | |
| 14:40 | 123: Care pathways for reduced fetal movements, a cost analysis, Dr Matthew McKnoolty, Metro North Hospital And Health Service | | | | | |
| 14:40 | 26: Implementation science and active co-design – a recipe for successfully producing a perinatal education program that partners with Queensland mums, Ms Sheridan Guyatt, Mater Health / University of Queensland | 372 2C.5 | 306 2D.5 | 242 2E.5 | | |
| 14:45 | 81: Lessons learned in engaging clinicians to address unwarranted clinical variation in maternity care, Dr Kym Warhurst, Mater Misericordiae Ltd | 460 2C.6 | 62 2D.6 | 275 2E.6 | | |
| 14:50 | | | 68 2D.7 | 310 2E.7 | 90 2F.4 | |
| 14:55 | | Q & A | | | | |
| 15:00 | | | Q & A | Q & A | Q & A | |
| 15:05 | | | | | | |
| 15:10 | | | | | | |
| 15:15 - 15:45 | Afternoon tea (Level 1 Foyer) and Poster Gallery (Seminar Room 1100) | | | | | |

WEDNESDAY 30 NOVEMBER 2022 cont...

| 15:45 - 17:00 | | | | | | |
|---|---|---|---|---|------|--|
| CONCURRENT SESSION 3, including 3MT Competition | | | | | | |
| Room: Lecture Theatre 1040 Chair: Rebecca Jessup | | Room: Lecture Theatre 1050 Chair: Rachael Morton | | Room: Lecture Theatre 1060 Chair: Wendy Keech | | |
| Session 3A: ECR 3MT Competition | | Session 3B : Kidney Health | | Session 3C: Health System Innovations: Policy practice and research | | |
| 15:45 | 13 | 3A.1 | 'The tyranny of distance': experiences of pathways to diagnosis and treatment of head and neck cancer in NSW, Dr Rebecca L Venchiarutti, Chris O'Brien Lifehouse | | | |
| 15:50 | 181 | 3A.2 | Studies Within A Trial: optimising trial processes and generating translational gains in a randomised controlled trial of patient-led surveillance for new or recurrent melanoma., Dr Deonna Ackermann, University Of Sydney *(VIRTUAL) | 212 | 3B.1 | Ultrasound of the Fetal Renal Parenchyma to Determine Nephron Number, Dr Sonja Brennan, Townsville Hospital And Health Service |
| 15:55 | 183 | 3A.3 | Identifying and addressing issues in access to health services among people using opioids for chronic pain, Ms Ria Hopkins, Unsw | | | |
| 16:00 | 19 | 3A.4 | Co-designing patient engagement strategies to improve culturally and linguistically diverse patient safety in Australian Cancer services., Mr Ashfaq Chauhan, Australian Institute of Health Innovation, Macquarie University | | | |
| 16:05 | 243 | 3A.5 | Can physiotherapists include support for health behaviour change as part of a rehabilitation programme? A study in injured UK Armed Forces personnel., Mr B Fisher, Ministry Of Defence, UK and University of Southampton | 238 | 3B.2 | Improving Aboriginal people's kidney care journeys - Kangawodli hostel dialysis , Dr Kim O'Donnell and Kynsha Varco Temple, University Of Adelaide |
| 16:10 | 282 | 3A.6 | Exploring the determinants of evidence use within Australian clinical network stewardship models , Ms Jade Hart, The University Of Melbourne | | | |
| 16:15 | 343 | 3A.7 | The marriage of implementation science and health economics , Miss Thomasina Donovan, Queensland University Of Technology | | | |
| 16:20 | 349 | 3A.8 | Digital Health Solutions for Improving Outpatient Care Utilisation, Miss Shayma Mohammed Selim, Queensland University Of Technology | 319 | 3B.3 | Where we Fail: First Nations Starting Dialysis with inadequate Nephrology referral time., Mr James Zacharias, Manitoba Renal Program, Ms Josee Lavoie, Ongomiizwin, The University of Manitoba |
| 16:25 | 38 | 3A.9 | Reducing the waitlist in outpatient clinics: Let's Renovate!, Ms Annie Lewis, Eastern Health | | | |
| 16:30 | 4 | 3A.10 | Best practice care in compensated Australian workers with low back pain., Mr Michael Di Donato, Monash University | 320 | 3B.4 | Mapping the journey of First Nation patients diagnosed with Chronic Kidney Disease , Ms Tannyce Cook, Mrs. Melissa Knight, First Nation Health And Social Secretariat Of Manitoba (FNHSSM) |
| 16:35 | 80 | 3A.11 | Co-designed Telepractice service model implementation in the Australian Disability Sector, Cloe Benz, Curtin University | 376 | 3B.5 | Sex and ethnicity inequities while waiting for a kidney transplant: An Australian cohort study, Dr Victor Khou, The University Of Sydney, Sydney School Of Public Health, Faculty Of Medicine And Health |
| 16:40 | 91 | 3A.12 | Life-course modelling and economic evaluation of adolescent obesity, Mr Joseph Carrello, University Of Sydney | | | |
| 16:45 | | | Q & A | | | |
| 16:50 | | | Q & A | | | |
| 16:55 | | | Q & A | | | |
| 17:00 | | | Q & A | | | |
| 19:00 | Welcome Reception, Stairwell Foyer, Level 1 Foyer | | | | | |
| | ECR Social Event / VIP Dinner | | | | | |

THURSDAY 1 DECEMBER 2022

| | | | |
|---------------|--|--|---|
| 7:15 - 8:30 | <p>Breakfast session 1.1 Room: Lecture Theatre 1050</p> <p>Breakfast Session: Teach me over breakfast: What is implementation Science? Chair: Lauren Christie Presenter: Sandy Middleton</p> | <p>Breakfast session 1.2 Room: Lecture Theatre 1060</p> <p>Breakfast Session: Teach me over breakfast: Writing for publication in health services research Panel: Stirling Bryan, Robin Gauld & Suzanne Robinson</p> | <p>Breakfast session 1.3 Room: Lecture Theatre 1070</p> <p>Breakfast Session: Teach me over breakfast: Meaningful consumer engagement Presenter: Dr Janelle Bowden, Access CR</p> <p>Sponsored By: </p> |
| 7:00 | <p>Registration, Level 1 Foyer (adjacent to café) Speaker Support Open, Level 1 Foyer, Seminar Room 1140</p> | | |
| 8:45 - 9:00 | <p>PLENARY: Welcome to Day Two Chair: Katherine Harding Plenary Room: Auditorium B2010</p> <p>Welcome, Day one recap, and introduction to sponsored session streams</p> | | |
| 9:00 - 10:20 | <p>PLENARY SESSION 2: Innovation through bridging worlds Chair: Katherine Harding Plenary Room: Auditorium B2010</p> | | |
| 9:00 - 9:25 | <p>Keynote: Dr Sara Kreindler, University of Manitoba, Canada <i>"This Bridge Will Only Take You Halfway There": Adventures in Engaged Scholarship</i></p> <p>Partnering for communities</p> | | |
| 9:25 - 9:45 | <p>Professor Victoria Palmer, University of Melbourne</p> | | |
| 9:45 - 10:05 | <p>Dr Kim O'Donnell, University of Adelaide <i>Decolonising First Nations kidney healthcare: This is What it Looks and Feels Like!</i></p> | | |
| 10:05 - 10:20 | <p>Questions to the panel</p> | | |
| 10:20 - 10:45 | <p>Morning Tea (Level 1 Foyer) and Poster Gallery (Seminar Room 1100)</p> | | |
| 10:45 - 12:00 | <p>FEATURED RESEARCH SESSION</p> | | |
| | <p>Room: Lecture Theatre 1040</p> <p>Featured Research 1 - HCF Foundation</p> <p>Sponsored by: </p> | <p>Room: Lecture Theatre 1130</p> <p>Featured Research 2 - INSIGHT University of Technology Sydney Faculty of Health</p> <p>Sponsored by: </p> | <p>Room: Lecture Theatre 1170</p> <p>Symposium 04: Optimising co-design of health services interventions</p> <p>Sponsored by: </p> |
| 10:45 | <p>HCF Symposium</p> <p>468: Invasive coronary angiography in unselected patients presenting with chest pain to emergency departments in Western Australian teaching hospitals, Frank M Sanfilippo</p> <p>471: Short-stay joint replacement models of care in Australia, Professor Ilana Ackerman</p> <p>469: A multicentre controlled implementation evaluation of a blunt chest injury care bundle (ChiP), Dr Sarah Kourouche</p> <p>470: Using clinical registry data to improve outcomes in burns patients, Lincoln Tracy</p> | <p>UTS</p> <p>Multidisciplinary Collaboration to solve wicked problems in health</p> <p>This panel session will invite research leaders from INSIGHT to share their experiences of multidisciplinary research that has been translated into policy and practice in the home, the community, health services and at the population level. We will explore how research has engaged consumers and industry partners to deliver meaningful solutions that harness a range of technologies and methodologies that are tailored to unique settings and address health inequity. This panel will discuss our current and future research challenges and the urgent need to focus on adaptive health systems that are connected across sectors.</p> <p>Panel members and research focus: Prof David Brown: Chair of Panel Discussion Prof Angela Dawson: Climate Change and Global Health Prof Deborah Parker: Ageing Prof Rosalie Viney: Health Economics Dr Tim Lockett: Palliative Care</p> | <p>Symposium 04</p> <p>17: Addressing implementation during co-design, Associate Professor Reema Harrison, Macquarie University, Dr Deborah Debono, UTS</p> <p>Consumer perspectives: NyanThit Tieu and Dalal Baumgartner</p> <p>18: Amplifying diverse voices in co-design, Associate Professor Reema Harrison, Macquarie University</p> <p>35: Co-researching to amplify seldom heard voices in health services research, Ms Laurel Mimmo, University Of New South Wales/the Sydney Children's Hospitals Network</p> |
| 11:00 | | | |
| 11:15 | | | |
| 11:30 | | | |
| 12:00 - 13:00 | <p>Lunch (Level 1 Foyer), Poster Gallery (Seminar Room 1100), "Walk and talk" Networking, Level 1 Foyer</p> | | |

THURSDAY 1 DECEMBER 2022 cont..

| CONCURRENT SESSION 4 | | | | | | | | | |
|----------------------|---|--|---|------------------------------------|--|--|--|--|--|
| 13:00 - 14:20 | Room: Lecture Theatre 1050 | Room: Lecture Theatre 1060 | Room: Lecture Theatre 1040 | Room: Lecture Theatre 1070 | Room: Lecture Theatre 1170 | Room: Lecture Theatre 1130 | | | |
| | Symposium 05: Building health services innovation capacity in a large health service is like turning an aircraft carrier | Chair: Sophie Hickey | Chair: Jon Karnon | Chair: Bonny Parkinson | Chair: Amy Dennett | Chair: Dalal Baumgartner | | | |
| | | Session 4B: Improving Health Services for First Nations People | Session 4C: Using administrative, routine and registry data | Session 4D: Provision of medicines | Session 4E: Cancer prevention and service delivery | Session 4F: Consumer engagement and codesign | | | |
| 13:05 | | 318 4B.1 | 379 4C.1 | 404 4D.1 | 53 4E.1 | 342 4F.1 | | | |
| 13:10 | | | | | | | | | |
| 13:15 | | | | | | | | | |
| 13:20 | | | | | | | | | |

SYDNEY
AUSTRALIA
30th NOVEMBER
2022

FRIDAY 2 DECEMBER 2022 cont..

13:15 - 14:30

PLENARY SESSION 4
Room: Auditorium B2010

PLENARY: The future of funding for Health Services Research (Panel Discussion)

Featuring:

Professor Rachael Morton – President HSRAANZ (Chair)

Panel Members:

Professor Anne Kelso - National Health and Medical Research Council

Dr Masha Somi - Medical Research Future Fund

Chris Pettigrew – HCF Research Foundation

Luke Garland, Health Research Council, New Zealand (**VIRTUAL)

14:30 - 15:15

Closing ceremony, including Awards and Conference wrap up

15:15

Close

POSTER DISPLAYS

| Paper # | Paper # | Theme | |
|--|--------------|-------------------|--|
| Poster Display: Wednesday 30 November | | | |
| 329 | PW 1 | Workforce | Survey of peer messengers about their role in a whole-of-hospital program that aims to reduce unprofessional behaviour amongst hospital staff, Dr Ryan McMullan, Macquarie University |
| 297 | PW 2 | Telehealth | Clinical outcomes and quality of care delivered by telehealth in common paediatric conditions- lessons from the pandemic, Dr Katherine Chen, Murdoch Children's Research Institute |
| 162 | PW 3 | Telehealth | Providing care by telephone to humanitarian migrant groups in Victoria, Australia: an evaluation of telephone mode-of-care in Monash Health Refugee Health and Wellbeing clinic, Dr Marina Kunin, Monash Health |
| 452 | PW 4 | Sustainability | Understanding anaesthetists' choices of anaesthetics and perceptions of opportunities and challenges for reducing emissions, Dr Kristen Pickles, University Of Sydney |
| 451 | PW 5 | Sustainability | Clinician and health service interventions to reduce the carbon footprint of health care: A systematic review, Dr Kristen Pickles, University Of Sydney |
| 115 | PW 6 | Research Methods | Ethics is not a dirty word: Recognising the value in the ethics and governance processes in health services research, Ms Ruth Tulleners, Queensland University Of Technology |
| 179 | PW 7 | Research Methods | Strategies to improve participant recruitment, retention, and outcome response in randomised controlled trials of early detection in populations at high risk of melanoma: a scoping review., Dr Deonna Ackermann, University Of Sydney |
| 476 | PW 8 | Research Methods | Social Impact: The Impact of Aeromedical Transport Services on Seriously Ill Children and Rural Families, Katie McIntyre, Little Wings **(VIRTUAL) |
| 335 | PW 9 | Primary care | POPLAR, the Primary Care Ontario Practice-based Learning and Research Network, Mr Eliot Frymire, Queens University |
| 334 | PW 10 | Primary care | How effective are centralized wait lists in attaching patients to a primary care provider? Ontario, Canada: 2011-2021, Mr Eliot Frymire, Queens University |
| 311 | PW 11 | Primary care | Early-career general practitioners' antibiotic prescribing for acute infections: a systematic review, Miss Emma Baillie, The University Of Queensland |
| 448 | PW 12 | Models of care | Health Systems Evaluations using System Dynamics: Why this is relevant for Health Services Research, Dr Hadi Akbarzadeh Khorshidi, The University Of Melbourne |
| 424 | PW 13 | Models of care | Diagnostic delay of Myositis: an integrated systematic review, Jane Desborough, National centre for epidemiology and population health, Australian National University |
| 276 | PW 14 | Models of care | Resilience, innovation and leadership at a time of crisis and uncertainty: The Vulnerable Communities Group , Ms S Gardiner, Dr P Martin, Toowoomba Hospital, Darling Downs Health |
| 272 | PW 15 | Models of care | Who is responsible for postpartum contraception advice and provision? The perspective of hospital-based maternity clinicians in NSW, Australia, Sarah Wright, Family Planning NSW |
| 315 | PW 16 | Models of care | Transitioning to a virtual model of physiotherapy and exercise physiology in rural NSW in response to Covid-19, Professor Sarah Dennis, University Of Sydney |
| 475 | PW 17 | Models of care | Hospital Length of Stay Prediction Tools for General Surgery Populations and Total Knee Arthroplasty Admissions: Systematic Review and Meta-Analysis, Swapna Gokhale, Monash Centre for Health Research and Implementation |
| 243 | PW 18 | Models of care | Can physiotherapists include support for health behaviour change as part of a rehabilitation programme? A study in injured UK Armed Forces personnel., Mr B Fisher, Ministry Of Defence, UK and University of Southampton |
| 341 | PW 19 | Indigenous Health | Centering Indigenous perspectives and priorities in a Learning Health System: a case study of the new Frontenac, Lennox & Addington Ontario Health Team (Ontario, Canada) – Research in progress, Dr. Amrita Roy, Queen's University **(VIRTUAL) |
| 396 | PW 20 | Indigenous Health | Introducing VOICE – Validating Outcomes by Including Consumer Experience: Developing a Patient Reported Experience Measure for Aboriginal and Torres Strait Islander people accessing primary health care – protocol for the VOICE study, Professor Megan Passey, University Of Sydney |
| 380 | PW 21 | Indigenous Health | Implementation of Promising Practices in Indigenous Primary Health Care Service Delivery: Findings from a Critical Realist Scoping Review, Ms Kayla Fitzpatrick, School Of Public Health, University Of Alberta |
| 357 | PW 22 | Indigenous Health | Health-related quality of life of Māori adults in Aotearoa New Zealand , Associate Professor Trudy Sullivan, University Of Otago |
| 214 | PW 23 | Indigenous Health | Planning for mental health service provision: estimating the difference in common mental disorder diagnoses for Aboriginal and Torres Strait Islander Peoples compared to the general Australian adult population, Ms I Page, The University of Queensland |
| 477 | PW 24 | Indigenous Health | Systemic changes to address health inequity: how can Australia's healthcare system better control rheumatic heart disease among Indigenous Australians?, Dr Emma Haynes, School of Population and Global Health, UWA |
| 354 | PW 25 | Mental Health | Defining the types and intensity of services required by discrete population groups within specialist forensic mental health settings, Charlotte Comben, The University of Queensland |
| 454 | PW 26 | Mental Health | Building the capacity of community mental health services to provide chronic disease preventive care: protocol for a cluster randomised controlled trial, Emma McKeon, The University Of Newcastle |
| 287 | PW 27 | Mental Health | Organisational support measures to enhance healthcare workers' mental health and wellbeing: Findings from a rapid review, Dr Priya Martin, The University Of Queensland |
| 474 | PW 28 | Mental Health | Supporting Healthier Lifestyles for People Living with a Mental health Condition: A Role for Community Managed Organisations, Prof Jenny Bowman, The University of Newcastle |

POSTER DISPLAYS

Paper # Paper # Theme

Poster Display: Thursday 1 December

| | | | |
|-----|-------------|-----------------|--|
| 79 | PT1 | Implementation | Co-designed Telepractice service model implementation in the Australian Disability Sector, Cloe Benz, Curtin University |
| 420 | PT2 | Implementation | How is equity considered during implementation of health system reforms? A scoping review of the literature from 2013 - 2022 , Tristan Bouckley, The George Institute For Global Health |
| 390 | PT3 | Implementation | Implementation of a peer support program for people with cardiovascular disease, Dr Emily Li, University Of Sydney |
| 146 | PT4 | Implementation | Improving implementation of smoking cessation support in pregnancy – protocol for the MOHMQuit trial, Associate Professor Megan Passey, University Of Sydney |
| 285 | PT5 | Implementation | Implementation strategies to increase smoking cessation treatment provision in primary care: a systematic review of observational studies, Miss Bernadett Tildy, King's College London |
| 258 | PT6 | Implementation | Building the plane while it's flying: implementation lessons from integrating a co-located exercise clinic into oncology care, Dr. M Kennedy, Edith Cowan University |
| 328 | PT7 | Implementation | Identifying barriers to de-implementing low-value pressure injury care in acute and sub-acute care: a mixed-methods systematic review using the Theoretical Domains Framework , Dr. Ching Shan Wan, Nursing Research Institute |
| 307 | PT8 | Experience | Accessibility and experiences of health care for Australian LGBTIQ+ people, Dr Amelia Gulliver, The Australian National University |
| 259 | PT9 | Experience | The lived experience of patients with obesity at a metropolitan public health service., Ms F Pazsa, Western Health |
| 74 | PT10 | Data | Australian value set for heart disease using MacNew-7D, Dr Sanjeeva Kularatna, AusHSI, QUT |
| 31 | PT11 | Data | Development and validation of a risk index to predict kidney graft survival: the Kidney Transplant Risk Index, Dr S Senanayake, Australian Centre For Health Services Innovation (aushsi), Queensland University Of Technology |
| 83 | PT12 | Data | Using administrative and clinical databases to determine the health service utilisation and quality of death of decedents in a tertiary teaching hospital, Dr Davinia Seah, St Vincent's Hospital Sydney |
| 355 | PT13 | Data | Clinical registry participation and reporting in NSW hospitals. Does data collection influence quality improvement activities and what are clinicians' training needs?, Ms J Gawthorne, St Vincent's Hospital Sydney |
| 397 | PT14 | Data | Not all readability scores are equal: assessment of the variability and accuracy of readability scores across online calculators and formulas. , Ms Olivia Mac, University Of Sydney |
| 363 | PT15 | Data | The impact of making seclusion and restraint data visible: Innovation, collaboration and change, Ms Rhiannon Sallway, Australian Institute Of Health And Welfare |
| 274 | PT16 | Data | Analysing the temporal trends in medical device implants among Australian population, 2009–2019: Evidence from a national database, Dr Marianne Gillam, University Of South Australia |
| 137 | PT17 | Data | Validation of "arrival by ambulance" in the Australian Stroke Clinical Registry: state-wide data linkage study, Mr Amminadab L Eliakundu, Stroke And Ageing Research. Department Of Medicine, School Of Clinical Sciences At Monash Health, Monash University |
| 450 | PT18 | COVID | What strategies can we use to optimise vaccine uptake for people who are missing out on COVID-19 vaccines in Australia?, Dr Jane Desborough, Australian National University |
| 275 | PT19 | COVID | Family experiences and perceptions of intensive care and communication during the COVID 19 pandemic, Dr Robin Digby, Deakin University |
| 370 | PT20 | COVID | "Would you like fries with that?" A novel drive-through approach to vaccination of children and young people with neurodevelopmental disability., Ms Jane Smith, Queensland Children's Hospital |
| 351 | PT21 | COVID | Patient experiences with virtual care during the COVID-19 pandemic in New South Wales, Dr Daniel Taylor Bich Tran, Bureau Of Health Information |
| 317 | PT22 | COVID | Victorian survey of parent/guardian sentiment towards COVID-19 vaccination for 5-11 year olds, Sally McBride, The Victorian Department of Health |
| 310 | PT23 | COVID | Allied health professionals experiences working in residential aged care during the COVID-19 pandemic: Interview and survey, Ms Isabelle Meulenbroeks, Macquarie University |
| 308 | PT24 | COVID | Prescribing pattern of Renin-angiotensin system blocking drugs during COVID-19 pandemic , Dr Khalid Orayj, King Khalid University, Saudi Arabia |
| 156 | PT25 | COVID | COVID-19 wellbeing and support initiatives: perspectives and experiences of health service staff, Dr Karen Wynter, Deakin University |
| 155 | PT26 | COVID | Psychosocial impact of the COVID-19 pandemic on community health service staff: a cross-sectional study, Dr Karen Wynter, Deakin University |
| 154 | PT27 | COVID | The immediate impact of the COVID-19 pandemic on the psychological wellbeing and work and personal lives of Australian hospital clinical staff, Dr Karen Wynter, Deakin University |
| 223 | PT28 | Health literacy | Creating a Family friendly environment by embedding Health literacy strategies in a tertiary Paediatric Hospital: An organisational learning approach, Mrs Kristine Kelly, Children's Health Queensland Hospital And Health Services |
| 290 | PT29 | Health literacy | Promoting health literacy responsiveness of primary health care providers to refugees from African nations in Australia: the role of multicultural health workers and community-based information intermediaries , Mr Prince Peprah, University Of New South Wales |
| 12 | PT30 | Health literacy | Health literacy and cancer care coordination among patients with head and neck cancer: a prospective cohort study, Dr Rebecca L Venchiarutti, Chris O'brien Lifehouse |

POSTER DISPLAYS

| Paper # | Paper # | Theme | |
|--|---------|-----------|--|
| Poster Display: Friday 2 December | | | |
| 89 | PF1 | Cost | Finding out the best way to measure paediatric health-related quality of life to ensure we are providing the best possible pharmaceuticals, technologies, and health services to our children in the future: An Australian paediatric multi-instrument comparison (P-MIC) study protocol and initial results., Renee Jones, Health Economics Unit, University of Melbourne |
| 56 | PF2 | Cost | Do private inpatients have higher rates of low value care than public inpatients in NSW public hospitals? , Dr Juliana De Oliveira Costa, Centre For Big Data Research In Health |
| 459 | PF3 | Cost | Cost effectiveness of the Victorian Healthy Homes Program, Dr Katie Page, Professor Rosalie Viney, University Of Technology Sydney |
| 431 | PF4 | Cost | The Advance Project: Healthcare Use and Costs of Advance Care Planning in Australian Primary Care., Ann Livingstone, NHMRC Clinical Trials Centre, The University of Sydney |
| 375 | PF5 | Cost | The impact of childhood cochlear implantation on carers' employment status is dependent on socio-economic status , Rajan Sharma, Macquarie University Centre For The Health Economy |
| 332 | PF6 | Cost | Medical and pharmaceutical costs associated with cognitive impairment in older Australians, Dr Anam Bilgrami, Macquarie University Centre For The Health Economy |
| 331 | PF7 | Cost | Methodological Issues in Economic Evaluations of a Tax on Sugar-Sweetened Beverages (SSB) as an Anti-Obesity Intervention – A Systematic Review , Mr. Kittiphong Thiboonboon, University Of Technology Sydney |
| 309 | PF8 | Cost | What policies and/or interventions work to reduce cost barriers to primary healthcare in high-income countries? A systematic literature review. , Miss Bailey Yee, Te Hikuwai Rangahau Hauora, Health Services Research Centre, Te Herenga Waka, Victoria University Of Wellington |
| 291 | PF9 | Cost | Cost savings to patients and the health system through provision of head and neck surgery outpatient services in regional NSW, Dr Rebecca Venchiarutti, Chris O'brien Lifehouse |
| 268 | PF10 | Cost | Cost-effectiveness of interventions to increase utilization of kidneys from deceased donors with primary brain malignancy in an Australian setting, Mr Karan Shah, NHMRC Clinical Trials Centre |
| 235 | PF11 | Cost | Facilitating Local Economic Analyses (FLEA): How economic evaluation can be used to inform local health service decisions, Ms J Gray, FHMRI, Flinders University |
| 425 | PF12 | Cost | Economic Impact of Bariatric Surgery in Australia: Evidence from a Large Population-based Longitudinal Cohort , Ms. Qing Xia, Australian Centre for Health Services Innovation and Centre for Healthcare Transformation, QUT, Brisbane, Australia |
| 402 | PF13 | Cost | Barriers and facilitators to implementation of priority setting and resource allocation tools: A systematic review, Dr Antonio Ahumada-canale, Macquarie University Centre For The Health Economy |
| 439 | PF14 | Consumers | Patient Preferences for Total Knee Replacement Surgery in Australia: A Discrete Choice Experiment, Dr Chengxiang Tang, Macquarie University |
| 430 | PF15 | Consumers | Development of quality criteria for commissioning obesity programs and services to increase value for consumers, Dr Laura Thomas, Curtin University |
| 398 | PF16 | Consumers | Consumer preferences for genomic risk-informed chronic disease screening and early detection: A systematic review of discrete choice experiments., Alison Pearce, University Of Sydney |
| 301 | PF17 | Consumers | Determining the acceptability of the EQ-5D: The consumer's perspective, Dr David Snowdon, Peninsula Health |
| 133 | PF18 | Consumers | Do patient engagement interventions work for all patients? A systematic review and realist synthesis of interventions to enhance patient safety., Dr Bronwyn Newman, Macquarie University, Sydney Australia |
| 45 | PF19 | Consumers | Patient-Reported Outcomes in People Living with Advanced Chronic Kidney Disease: The Role of Proxies, Dr Jessica Roydhouse, Menzies Institute For Medical Research, University Of Tasmania |
| 346 | PF20 | Co-design | "All you need is 30 seconds": Continuous co-design delivering innovative clinical decision support technology in primary care, Dr Barbara Hunter, The University of Melbourne |
| 172 | PF21 | Aged care | Falls mobilisation alarms - response times and utilisation before and after the introduction of policy for alarm reduction or elimination, Dr D Mitchell, Monash Health |
| 174 | PF22 | Aged care | Epidemiology of falls in Australian residential aged care: a retrospective longitudinal cohort study using routinely-collected data, Dr Nasir Wabe, Macquarie University |
| 323 | PF23 | Aged care | How does Complexity in the Diagnosis Related Groups relate to the Palliative Care Phase?, Dr Davinia Seah, St Vincent's Hospital Sydney |
| 294 | PF24 | Aged care | Tell Gippsland PHN about dementia, Dr Denise Azar, Gippsland Primary Health Network |
| 28 | PF25 | Aged care | Psychological distress before total knee arthroplasty is associated with longer hospital stay after surgery., Ms MK March, Blacktown Mt Druitt Hospital, Western Sydney Local Health District |
| 252 | PF26 | Aged care | Understanding the carer role and challenges in Central and Eastern Sydney: a population based linked cohort study of people age 45 years and over, A/Prof Ben Harris-roxas, UNSW Sydney |
| 330 | PF27 | Access | Barriers and facilitators to accessing primary diabetic eye care: a mixed methods study, Dr Jessie Huang-lung, University of New South Wales, Sydney |
| 54 | PF28 | Access | Training health service champions: An innovative approach to reduce health service waiting lists for community based paediatric therapy services, Dr Katherine Harding, Eastern Health / La Trobe University |
| 350 | PF29 | Access | Digital Health Solutions for Reducing the Impact of Non-Attendance: A Scoping Review, Miss Shayma Mohammed Selim, Queensland University Of Technology |
| 322 | PF30 | Access | Adult Occupational Therapy and Physiotherapy Services in the Kivalliq Region of Nunavut: Feasibility of Mapping the Client Journey , Monica Achtemichuk, U Of M |
| 209 | PF31 | Access | A whole system snapshot of Out of Hours presentations in the Australian Capital Territory: what issues were presenting and why?, Dr K Barnes, Act Health Directorate And Australian National University |
| 134 | PF32 | Access | Accessible health information- human right or kind favour ? , Dr Bronwyn Newman, Macquarie University, Sydney Australia |
| 401 | PF33 | Cancer | Can current funding mechanisms facilitate the provision of cost-effective models of supportive care for cancer patients in primary care?, Ms Jackie Roseleur, Flinders University |
| 265 | PF34 | Cancer | Evaluation of Comparative Symptom Distress in Palliative Care Across Culturally and Linguistically Diverse Groups in Australia for Individuals with Cancer , Dr Jessica Roydhouse, Menzies Institute For Medical Research, University Of Tasmania |
