## THEMING

Our wide variety of theming options will dress up your dinner, catering area, exhibition, stage or other event space. Theming options include:

- Table centrepieces for hire as well as customised centrepieces branded exclusively with your event or sponsor logos
- Light features including festoon lighting, pendant lights, up-lighting pillars
- Cold pyro (indoor fireworks)
- Furniture such as coloured swivel chairs for panel sessions, stools, long tables
- Taco stands, wine barrels, catering façades, plant features, themed bars

## TASTE OF SOUTH AUSTRALIA - MARKETPLACE

Inspired by our own Cellar Door Fest, Taste South Australia - Marketplace is an authentic, pop-up activation that showcases boutique & regional South Australian producers & their quality products, ranging from food, wine, gin & craft beer. Meet the producers, hear their unique stories & sample their delicious products, before purchasing some tasty South Australian treats to take home to family & friends. Adelaide Convention Centre will do all the hard work for you, arranging everything including the sourcing of the producers.

## FOOD & BEVERAGE UPGRADES

There are a number of ways you can go above & beyond for your guests when it comes to food & beverage. Options range from adding an additional delicious sweet or savoury item at morning tea, to enhancing your lunch with a showcase cooking station or creating a 'wow factor' at dinner with a signature bar package including spirits, cocktails & mocktails.

## INNOVATIVE CATERING OPTIONS

Impress your guests with cooking, cheese & dessert stations, as well as novelty ideas such as lolly buffets.

# ADDITIONAL SERVICES

## BARISTA COFFEE

Reward your attendees with 'made to order' espresso by a talented barista on a dedicated coffee stand. Additional branding opportunities are available for the stand with BioCups provided.

## COFFEE CUP BRANDING

Reinforce your brand during those all-important coffee breaks with full colour gloss branding on compostable 8oz coffee BioCups.

## WIFI & INTERNET PACKAGES

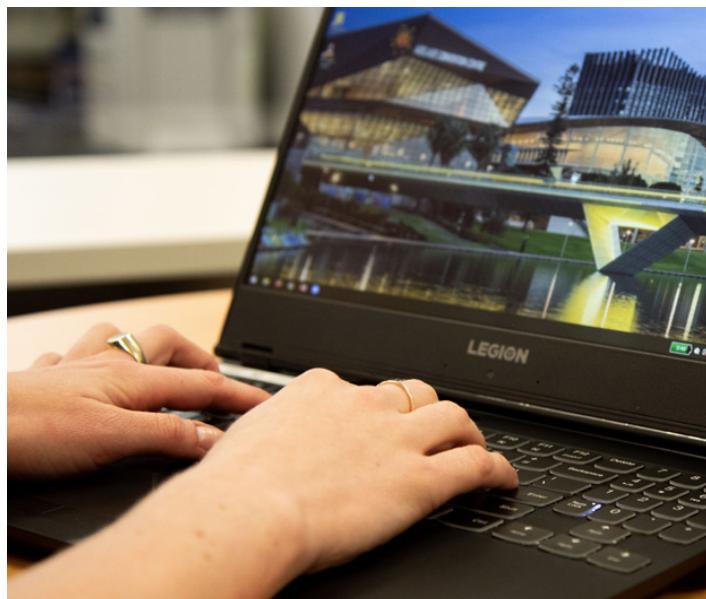

With top of the range coverage & 12,000 individual connections available, accessing WiFi services & staying connected at the Centre is a breeze. We can create a number of value-adds for your event including zoned internet cafés or customised landing pages.

## HYBRID EVENT SERVICES

Need to create a hybrid event to expand your onsite audience to include remote delegates? Our experienced audio visual team are equipped to provide a range of virtual event services to help you create a seamless hybrid event, including:

- Webcasting - a one-way broadcast enabling you to reach your audience on any internet connected device anywhere in the world.
- Video Conferencing - a multi-way media stream that provides connectivity from your event to multiple destinations around the world, enabling interaction between presenters & online audience members.
- Remote Presenting – the solution when a presenter from your conference is unable to be onsite.

All of our event spaces can be used for live streaming & we can support multiple streams from different rooms simultaneously.
