SWISS  MADE

# A SIGHT FOR SAW EYES

## FELCO Folding Saws

The all-new FELCO 601, 602, 603 and 604 saws completely redesign and improve upon the renowned FELCO 600 model, opening up new horizons for folding saw enthusiasts.

### Secure Blade Closure

- Blade locking system that prevents unintentional closing

### Optimized Design

- Rounded thumb rest

### Easy Opening System

- Easy one-handed thumb opening system

### Handle

- Handle ergonomics optimized for a perfect grip
- Comfortable and light
- Anti-slip and phthalate-free grip

### Blade

- Solid chrome steel blade
- Pulse hardened teeth
- Optimized tooth geometry for efficient cutting and chip removal
- Easy blade adjustment and replacement

### Two-handed Support

- Extended handle on 603 and 604 models for comfortable two-handed use

Heiniger Australia is the exclusive FELCO distributor and authorised service centre.
