

## Easy, Effective Wine Saver

Repour is a simple wine preservation solution for restaurants, wine bars, country clubs, and wineries.

### Benefits of Repour

- ✓ Provides a quality wine experience with every glass poured
- ✓ Maintains wine quality by eliminating oxidation
- ✓ Keeps wine fresh for 60 days
- ✓ Eliminates wine waste, saves money
- ✓ Easy and quick for staff to use

### Features of Repour

Patented technology inside eliminates oxygen, keeps wine fresh

Easy to use - as easy as putting a stopper in a bottle

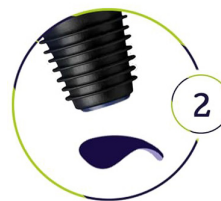

One Repour keeps an entire 750 ml bottle of wine fresh until the bottle is empty

### How to Use Repour

1  
Open bottle and pour a glass

2  
Remove foil from Repour

3  
Put stopper in bottle
